For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares and subsidiary holdings) will be calculated based on the total number of issued shares in the capital of the Company (excluding treasury shares and subsidiary holdings) at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards and any subsequent bonus issue, consolidation or subdivision of shares.
- The Ordinary Resolution 7 in item 7 above, if passed, will empower the Directors of the Company, from the date of this Annual General Meeting of the Company until the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares in the Company pursuant to the vesting of awards granted or to be granted under the Plan, provided always that the aggregate number of shares to be issued in respect of the Plan and Scheme collectively shall not exceed fifteen per centum (15%) of the total number of issued shares in the capital of the Company (excluding treasury shares and subsidiary holdings) from time to time.

The Company may use internal sources of funds and/or external borrowings to finance the purchases or acquisitions of its Shares pursuant to the Share Buy Back Mandate. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice of Annual General Meeting as these will depend on the number of Shares purchased or acquired, whether the purchase or acquisition of Shares is made out of capital and/or profits, the price at which such Shares were purchased or acquired and whether the Shares purchased or acquired are cancelled or held as treasury shares.
