CIMIC Group's CPB Contractors has been selected by the Australian Government's Department of Defence for the delivery phase of the North Queensland Mid-Term Refresh Program.

The managing contractor project works are valued at approximately \$104 million with construction scheduled to commence in early 2023.

CIMIC Group Executive Chairman Juan Santamaria said: "We are very pleased to have the opportunity to support Defence with the delivery of another important infrastructure upgrade. Our teams will work closely with Defence to ensure that the refresh program is delivered safely and without interrupting normal operations."
