Dear Sir / Madam

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

- 1.1 The purpose of this Appendix is to provide Shareholders with information relating to the proposed renewal of the Share Buyback Mandate to be tabled at the AGM and to seek Shareholders' approval for the same.
- 1.2 This Appendix has been prepared solely for the purpose set out herein and may not be relied upon by any persons (other than Shareholders) or for any other purpose.
- 1.3 The SGX-ST takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Appendix.

2. THE PROPOSED SHARE BUYBACK MANDATE

2.1 Introduction

We refer to (a) the notice of the AGM of the Shareholders of Chasen Holdings Limited dated 15 July 2025 convening the AGM to be held on 30 July 2025; and (b) Ordinary Resolution No. 8 under the heading "Special Business" set out in the Notice of AGM.

At the AGM held on 25 September 2020, Shareholders had approved the adoption of the Share Buyback Mandate to enable the Company to purchase or otherwise acquire issued Shares. The rationale for, the authority and limitations on, and the financial effects of, the Share Buyback Mandate were set out in the Company's appendix dated 3 September 2020.

The Share Buyback Mandate had been duly renewed at the AGM on 29 July 2021, AGM on 28 July 2022, AGM on 27 July 2023, AGM on 30 July 2024. The Share Buyback Mandate will expire on the date of the forthcoming AGM, being 30 July 2025. The Directors propose that the Share Buyback Mandate be renewed at the forthcoming AGM.

The Share Buyback Mandate is a general mandate given by Shareholders that allows the Company to purchase or acquire Shares at any time during the duration and on the terms of the Share Buyback Mandate.

Any purchase or acquisition of Shares by the Company has to be made in accordance with, and in the manner prescribed by the Companies Act and the Listing Manual and such other laws and regulations as may, for the time being, be applicable.

It is also a requirement under the Companies Act that before a company purchases or acquires its own shares, its constitution must expressly permit to do so. Regulation 17 of the Constitution permits the Company to purchase or otherwise acquire Shares.

LETTER TO SHAREHOLDERS

A company that wishes to purchase or otherwise acquire its own shares should obtain approval from its shareholders to do so at a general meeting of its shareholders. Accordingly, approval is being sought from Shareholders for the renewal of the Share Buyback Mandate.

If the renewal of the Share Buyback Mandate is approved by Shareholders, the Share Buyback Mandate will take effect from the date of the AGM and continue in force until the date of the next AGM is held or such date as the next AGM is required by law to be held, whichever is the earlier, unless prior thereto, purchases or acquisitions of Shares pursuant to the Share Buyback Mandate is revoked or varied by the Company in general meeting. Further renewal of the Share Buyback Mandate may be put to Shareholders for approval at each subsequent AGM.

2.2 Shares Purchased or Acquired during the Previous 12 Months

During the twelve (12) months preceding the Latest Practicable Date, the Company had purchased an aggregate of 4,553,100 shares by way of On-Market Share Purchase pursuant to the Share Buy-Back Mandate approved by Shareholders at the AGM held on 30 July 2024. The highest and lowest price paid was \$0.108 and \$0.068 per Share respectively. The total consideration paid for all of the purchases of Shares was S\$427,078 (including brokerage, commission, stamp duties, applicable goods and services tax and other related expenses). The Shares purchased by the Company were kept as treasury shares upon purchase.

2.3 Rationale

The proposed Share Buyback Mandate will give the Company the flexibility to undertake purchases or acquisitions of its issued Shares during the period when the Share Buyback Mandate is in force, if and when circumstances permit. The Share Buyback Mandate may also be used to purchase existing Shares which may then be held in treasury, and such treasury shares may consequently be used, amongst other things, to satisfy any awards already given and/or to be given under the Share Plan 2017.

The purchases or acquisitions of Shares may, depending on market conditions and funding arrangements at the time, allow the Directors to better manage the Company's capital structure with a view to enhancing the earnings per share and/or net asset value per share of the Group. The purchases or acquisitions of Shares may, in appropriate circumstances, also help to mitigate short-term market volatility in the Company's share price, offset the effects of short-term speculation and bolster Shareholders' confidence.

The Directors will decide whether to effect the purchases or acquisitions of its Shares after taking into account the prevailing market conditions, the financial position of the Group and other relevant factors.

2.4 Terms of the Share Buyback Mandate

The authority and limitations placed on the purchases or acquisitions of Shares by the Company pursuant to the Share Buyback Mandate (if approved at the AGM), are summarised below:

2.4.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company shall not exceed 10% of the total number of Shares (excluding treasury shares and subsidiary holdings) in issue as at the date of the AGM.

2.4.2 Duration of Authority

Purchases or acquisitions of Shares by the Company may be made, at any time and from time to time, on and from the date of the AGM at which the renewal of the Share Buyback Mandate is approved, up to the earliest of:

- (a) the date on which the next AGM is held or required by law to be held;

LETTER TO SHAREHOLDERS

- (b) the date on which purchases or acquisitions of Shares are carried out to the full extent mandated; or
- (c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked by Shareholders in general meeting.

2.4.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares by the Company may be made by way of:

- (a) an on-market purchase transacted through the SGX-ST trading system through one or more duly licensed stockbrokers appointed by the Company for the purpose ("**Market Purchase**"); and/or
- (b) an off-market purchase in accordance with an equal access scheme as defined in the Companies Act ("**Off-Market Purchase**").

In an Off-Market Purchase, the Directors may impose such terms and conditions, which are not inconsistent with the Share Buyback Mandate, the Constitution, the Listing Manual, the Companies Act and other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to an equal access scheme.

Under section 76C of the Companies Act, an equal access scheme must satisfy all the following conditions:

- (a) the offers under the scheme are to be made to every person who holds shares to purchase or acquire the same percentage of their shares;
- (b) all of those persons have a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers are the same except that there shall be disregarded:
 - (i) differences in consideration attributable to the fact that the offers relate to shares with different accrued dividend entitlements;
 - (ii) differences in consideration attributable to the fact that the offers relate to shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each member is left with a whole number of shares.

In addition, Rule 885 of the Listing Manual provides that an issuer making an off-market acquisition in accordance with an equal access scheme must issue an offer document to all shareholders containing at least the following information:

- (a) terms and conditions of the offer;
- (b) period and procedures for acceptances;
- (c) the reasons for the proposed share buy-back;
- (d) the consequences, if any, of share purchases by the issuer that will arise under the Takeover Code or other applicable takeover rules;
- (e) whether the share buy-back, if made, could affect the listing of the issuer's equity securities on the SGX-ST;

LETTER TO SHAREHOLDERS

- (f) details of any share buy-back made by the issuer in the previous 12 months (whether market acquisitions or off-market acquisitions in accordance with an equal access scheme), giving the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the shares purchased by the issuer will be cancelled or kept as treasury shares.

2.4.4 Maximum Purchase Price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors, provided that such purchase price shall not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price; and
- (b) in the case of an Off-Market Purchase, 120% of the Average Closing Price,

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase or acquisition.

For this purpose:

“**Average Closing Price**” refers to the average of the closing market prices of the Shares over the last 5 Market Days, on which transactions in the Share were recorded, before the day on which the Market Purchases are made or the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs during the relevant 5-day period and the date of the Market Purchase, or the date of the making of the offer pursuant to the Off-Market Purchase, as the case may be; and

“**date of the making of the offer**” means the day on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.5 Status of Purchased or Acquired Shares: Held in Treasury or Cancelled

Any Shares purchased or acquired pursuant to the Share Buyback Mandate will be dealt with in such manner as may be permitted by the Companies Act.

Under the Companies Act, any Share purchased or acquired by the Company shall be deemed to be cancelled immediately on purchase or acquisition (and all rights and privileges attached to that Share shall expire on cancellation), unless such Share is held by the Company in treasury in accordance with the Companies Act.

2.5.1 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Certain provisions on treasury shares under the Companies Act are summarised below:

- (a) **Maximum Holding:** The aggregate number of Shares held by the Company as treasury shares shall not at any time exceed 10% of the total number of Shares in issue at that time. In the event that the aggregate number of treasury shares held by the Company exceeds the aforesaid limit, the Company shall dispose of or cancel the excess treasury shares within six (6) months from the day the aforesaid limit is first exceeded.

LETTER TO SHAREHOLDERS

- (b) **Voting and Other Rights:** The Company cannot exercise any right in respect of the treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members of the Company on a winding up) may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of the treasury shares is allowed. A subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

- (c) **Disposal or Cancellation:** Where Shares are held as treasury shares, the Company may at any time:

- (i) sell the shares (or any of them) for cash;
- (ii) transfer the shares (or any of them) for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons;
- (iii) transfer the shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the shares (or any of them); or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister may by order prescribe.

In addition, under the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares, stating the following:

- (a) date of the sale, transfer, cancellation and/or use;
- (b) purpose of such sale, transfer, cancellation and/or use;
- (c) number of treasury shares sold, transferred, cancelled and/or used;
- (d) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (e) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (f) value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.5.2 Purchased or Acquired Shares Cancelled

Under the Companies Act, where Shares purchased or acquired by the Company are cancelled, the Company shall:

- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;

LETTER TO SHAREHOLDERS

- (b) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled, which shall include any expenses (including brokerage or commission) incurred directly in such purchase or acquisition of Shares.

Shares which are cancelled will be automatically delisted by the SGX-ST, and certificates (if any) in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following such cancellation. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are cancelled and not held as treasury shares.

2.6 Source of Funds

In purchasing or acquiring its Shares, the Company may only apply funds legally available for such purchase or acquisition as provided in the Constitution of the Company and in accordance with applicable laws in Singapore. Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's profits and/or capital so long as the Company is solvent.

The Company intends to use the Group's internal resources to finance its purchases or acquisitions of Shares pursuant to the Share Buyback Mandate.

The Directors do not propose to exercise the Share Buyback Mandate in a manner and to such an extent that would materially and adversely affect the working capital requirements, the financial position of the Group taken as a whole, the financial flexibility or the investment ability of the Group.

2.7 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buyback Mandate will depend on, amongst others, the number of Shares purchased or acquired, the price paid for such Shares, and whether the Shares purchased or acquired are held as treasury shares or cancelled. The financial effects on the Company and the Group, based on the audited financial statements of the Group for FY2025, are based on the assumptions set out below.

2.7.1 Purchase or Acquisition of Shares made out of Capital or Profits

Where the purchase or acquisition of Shares is made out of capital, the profits available for distribution as dividends by the Company will not be reduced. Where the purchase or acquisition of Shares is made out of profits, the purchase price paid by the Company for the Shares will correspondingly reduce the profits available for distribution as dividends by the Company.

Based on the audited accounts of the Company for FY2025, the Company had retained profits of about S\$27,853,000 as at 31 March 2025. In respect of the Share Buyback Mandate sought at the upcoming AGM, it is expected that any purchase or acquisition of Shares will be made out of profits and not out of capital.

For the purposes of section 2.7 of this Appendix, the purchase price paid by the Company for the Shares does not include any expenses (including brokerage or commission) incurred in such purchase or acquisition of the Shares.

LETTER TO SHAREHOLDERS

2.7.2 Number of and Maximum Price paid for Shares Purchased or Acquired

Based on 382,473,648 Shares in issue and disregarding 6,394,207 Shares held in treasury as at the Latest Practicable Date and assuming that no further Shares are issued, no Shares are purchased or acquired and held by the Company as treasury shares and there are no subsidiary holdings on or prior to the forthcoming AGM, the purchase or acquisition by the Company of up to the maximum limit of 10% of the total number of its issued Shares (excluding treasury shares and subsidiary holdings) will result in the purchase or acquisition by the Company of up to 38,247,364 Shares.

The financial effects of the purchase or acquisition of Shares by the Company set out in this section are on the basis of the purchase or acquisition of 38,247,364 Shares made entirely out of the capital of the Company.

In the case of Market Purchases by the Company made entirely out of capital and assuming that the Company purchases or acquires 38,247,364 Shares at the Maximum Price of S\$0.066 for each Share (being the price equivalent to 105% of the Average Closing Price, the maximum amount of funds required for the purchase or acquisition of 38,247,364 Shares is approximately S\$2,524,326.

In the case of Off-Market Purchases by the Company made entirely out of capital and assuming that the Company purchases or acquires 38,247,364 Shares at the Maximum Price of S\$0.076 for each Share (being the price equivalent to 120% of the Average Closing Price), the maximum amount of funds required for the purchase or acquisition of 38,247,364 Shares is approximately S\$2,906,799.

2.7.3 Illustrative Financial Effects

It is not possible for the Company to realistically calculate or quantify the financial effects of Share purchases or acquisitions that may be made pursuant to the Share Buyback Mandate as the resultant effect would depend on, amongst others, the aggregate number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled.

Shareholders should note that the financial effects set out below, based on the respective assumptions stated below, are for illustration purposes only and are not necessarily representative of future financial performance. In addition, the actual impact will depend on, amongst others, the actual number and price of Shares that may be purchased or acquired by the Company, whether the purchase or acquisition of Shares is made out of the profits or capital of the Company and whether the Shares purchased or acquired are held in treasury or cancelled.

Although the Share Buyback Mandate would authorise the Company to purchase up to 10% of the total number of the Company's issued Shares (excluding treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the total number of the issued Shares (excluding treasury shares and subsidiary holdings) as mandated. In addition, the Company may cancel all or part of the Shares purchased or hold all or part of the Shares purchased in treasury.

The Directors would emphasise that they do not propose to exercise the Share Buyback Mandate to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Group taken as a whole, or result in the Company being delisted from the SGX-ST.

LETTER TO SHAREHOLDERS

For illustrative purposes only, on the basis of 382,473,648 Shares (excluding 6,394,207 treasury shares currently held) in issue as at the Latest Practicable Date, and on the basis of the assumptions set out below, the financial effects of the:

- (a) acquisition of 38,247,364 Shares (excluding 6,394,207 treasury shares currently held) by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of capital and held as treasury shares;
- (b) acquisition of 38,247,364 Shares (excluding 6,394,207 treasury shares currently held) by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of distributable profits and cancelled;
- (c) acquisition of 38,247,364 Shares (excluding 6,394,207 treasury shares currently held) by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of capital and cancelled; and
- (d) acquisition of 38,247,364 Shares (excluding 6,394,207 treasury shares currently held) by the Company pursuant to the Share Buyback Mandate by way of purchases made entirely out of distributable profits and held as treasury shares,

on the audited financial statements of the Group and the Company for FY2025 are set out below:

- (aa) Purchases made entirely out of capital and Shares purchased held as treasury shares

For illustrative purposes only, in a Market Purchase, assuming that the Maximum Price is S\$0.066, which is 5% above the Average Closing Price of a Share over the last 5 Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase), excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate, is approximately S\$2,524,326.

For illustrative purposes only, in an Off-Market Purchase, assuming that the Maximum Price is S\$0.076, which is 20% above the Average Closing Prices of a Share over the last 5 Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase), excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate, is approximately S\$2,906,799.

On these assumptions and assuming the following:

- (i) the purchase of Shares took place at the beginning of the financial year on 1 April 2024;
- (i) the purchase of Shares was financed entirely by the internal resources of the Group;
- (ii) the transaction costs incurred for the purchase of Shares pursuant to the Share Buyback Mandate were insignificant and have been ignored for the purpose of computing the financial effects; and
- (iii) there were no issuances of Shares after the Latest Practicable Date,

LETTER TO SHAREHOLDERS

For illustrative purposes only, in a Market Purchase, assuming that the Maximum Price is S\$0.066, which is 5% above the Average Closing Prices of a Share over the last 5 Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase), excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate, is approximately S\$2,524,326.

However, having regard to:

- (1) the amount of the Company's distributable profits as at 31 March 2025 of approximately S\$27,853,000;
- (2) the Maximum Price of S\$0.066, as at the Latest Practicable Date,

the Company will be able to acquire up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate in a Market Purchase.

For illustrative purposes only, in an Off-Market Purchase, assuming that the Maximum Price is S\$0.076, which is 20% above the Average Closing Prices of a Share over the last 5 Market Days on which transactions in the Shares were recorded immediately preceding the Latest Practicable Date, the maximum amount of funds required for the purchase of up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase), excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate, is approximately S\$2,906,799.

However, having regard to:

- (1) the amount of the Company's distributable profits as at 31 March 2025 of approximately S\$27,853,000; and
- (2) the Maximum Price of S\$0.076, as at the Latest Practicable Date,

the Company will be able to acquire up to 38,247,364 Shares (representing approximately 10% of the total issued share capital of the Company as at the Latest Practicable Date, which is the maximum number of Shares the Company is able to purchase excluding 6,394,207 treasury shares currently held under and during the duration of the Share Buyback Mandate in an Off-Market Purchase.

On these assumptions and assuming the following:

- (i) the purchase of Shares took place at the beginning of the financial year on 1 April 2024;

In addition, the Company may cancel all or part of the Shares repurchased, or hold all or part of the Shares repurchased in treasury. 2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the purchase or acquisition of Shares by the Company, including those who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.9 Listing Manual

2.9.1 No Purchases during Price-Sensitive Developments

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price-sensitive development has occurred or has been the subject of a decision until the price-sensitive information has been publicly announced.

In particular, in line with Rule 1207(19)(c) of the Listing Manual, the Company and its officers should not and will not deal in the Company's securities during the period commencing one month before the announcement of the half year and full year financial statements, and if they are in possession of unpublished price-sensitive information of the Group.

2.9.2 Listing Status of the Shares

Rule 723 of the Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares excluding treasury shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public.

As at the Latest Practicable Date, approximately 68.12% of the issued Shares are held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases

LETTER TO SHAREHOLDERS

up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

A share buy-back will not be carried out if it will adversely affect the financial condition of the Company.

2.9.3 Reporting Requirements

Pursuant to Rule 886 of the Listing Manual, an issuer must notify the SGX-ST of any share buy-back as follows:

- (a) In the case of a market acquisition, by 9.00 am on the Market Day following the day on which it purchased shares; and
- (b) In the case of an off-market acquisition under an equal access scheme, by 9.00 am on the second Market Day after the close of acceptances of the offer.

Notification must be in the form of Appendix 8.3.1. Such notification must include details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares (excluding treasury shares and subsidiary holdings) after the purchase, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

2.10 Take-over Code implications arising from the Proposed Share Purchase Mandate

Certain take-over implications arising from the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate are summarised below.

If, as a result of any purchase or acquisition of Shares made by the Company under the Share Purchase Mandate, the proportionate interest of a Shareholder and persons acting in concert with him in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or group of Shareholders acting in concert could obtain or consolidate effective control of the Company and become obliged to make a take-over offer for the Company under Rule 14.

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the Take-over Code presumes amongst others, the following individuals and companies to be acting in concert with each other: (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts) and (ii) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with each other. For this purpose, a company is an associated company of another company if the second-mentioned company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company.

The circumstances under which Shareholders, including Directors and persons acting in concert with them, will incur an obligation to make a take-over offer as a result of a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code.

LETTER TO SHAREHOLDERS

In general terms, the effect of Rule 14 and Appendix 2 is that unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of a purchase or acquisition of Shares by the Company:

- (a) the percentage of voting rights held by such Directors and their concert parties in the Company increases to 30% or more; or
- (b) if the Directors and their concert parties hold between 30% and 50% of the Company's voting rights, and their voting rights increase by more than 1% in any period of six months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% to 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

Any Shares held by the Company as treasury shares shall be excluded from the calculation of the percentages of voting rights under the Take-over Code referred to above.

LETTER TO SHAREHOLDERS

Accordingly, under the Take-over Code, the Concert Parties and the parties acting in concert with them (collectively the “**Relevant Persons**”), unless exempted, will become obliged to make a general offer under the Take-over Code for the Shares not owned by them, if as a result of the exercise of the Share Buyback Mandate, their interest in the voting rights of the Company increase by more than 1% within a 6-month period.

As the present total shareholding of the Relevant Persons is not less than 30% but not more than 50%, they will be exempted from the requirement under Rule 14 and Appendix 2 of the Take-over Code to make a general offer for the Company in the event that their total shareholding increases by more than 1% in any 6-month period as a result of the Company acquiring its own shares under the Share Buyback Mandate (the “**Relevant Scenario**”), subject to the following conditions:

- (a) the circular to Shareholders on the resolution to authorise a buy-back to contain advice to the effect that by voting for the buy-back resolution, Shareholders are waiving their rights to a general offer at the required price from the Relevant Persons who, as a result of the Company buying back its Shares, would increase their voting rights by more than 1% in any 6-month period; and the names of the Relevant Persons, their voting rights at the time of the resolution and after the proposed buy-back to be disclosed in the same circular;
- (b) the resolution to authorise a share buy-back to be approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the share buy-back;
- (c) the Relevant Persons abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to authorise the share buy-back;
- (d) within 7 days after the passing of the resolution to authorise a buy-back, each of the Directors to submit to the SIC a duly signed form as prescribed by the SIC; and
- (e) the Relevant Persons, together holding between 30% and 50% of the Company’s voting rights, not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the share buy-back proposal is imminent and the earlier of:
 - (aa) the date on which the authority of the share buy-back expires; and
 - (ab) the date on which the Company announces it has brought back such number of Shares as authorised by Shareholders at the latest general meeting or it has decided to cease buying back its Shares, as the case may be,

(the “**relevant period**”)

if such acquisitions, taken together with the share buyback under the Share Buyback Mandate, would cause their aggregate voting rights in the Company to increase by more than 1% in the any 6-month period.

It follows that where the aggregate voting rights held by the Relevant Persons increase by more than 1% solely as a result of the Relevant Scenario and none of them has acquired any shares of the Company during the relevant period defined in paragraph (e) above, then the Relevant Persons would be eligible for an exemption from the requirement to make a general offer under Rule 14, or where already exempted, would continue to be exempted.

If the Company ceases to buy back its Shares under the Share Buyback Mandate and the increase in the aggregate voting rights held by the Relevant Persons as a result of the Company repurchasing its Shares at the time of such cessation is less than 1% in any 6 month period, the Relevant Persons will be allowed to acquire voting shares in the Company. However, any increase in the Relevant Persons’ percentage of voting rights in the Company as a result of the share buyback will be taken into account together with any Shares acquired by the Relevant Persons (by whatever means) in determining whether the Relevant Parties have increased their aggregate voting rights in the Company by more than 1% in any 6 month period.

LETTER TO SHAREHOLDERS

Shareholders should therefore note that by voting in favour of the resolution to approve the Share Buyback Mandate, they will be waiving their rights to a general offer at the required price by Relevant Persons in the circumstances set out above.

For the purposes of this Appendix, “**required price**” shall mean in relation to the offer required to be made under the provisions of Rule 14.1 of the Take-over Code, the offer shall be in cash or be accompanied by a cash alternative at a price in accordance with Rule 14.3 of the Take-over Code which is the highest of the highest price paid by the Relevant Persons for the Shares (i) within 6 months of the offer and during the offer period, (ii) acquired through the exercise of instruments convertible into securities which carry voting rights within 6 months of the offer and during the offer period, or (iii) acquired through the exercise of rights to subscribe for, and options in respect of, securities which carry voting rights within 6 months of the offer and during the offer period; or at such price as determined by the SIC under Rule 14.3 of the Take-over Code.

Save as disclosed, the Directors confirm that they are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Buyback Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any share buybacks by the Company.

3. DIRECTORS’ RECOMMENDATION

Having considered the rationale for the Share Buyback Mandate, the Directors, save for Low Weng Fatt, and Siah Boon Hock, who are members of the Relevant Persons, are of the opinion that the proposed renewal of the Share Buyback Mandate is in the best interests of the Company.

Accordingly, the Directors, save for Low Weng Fatt, and Siah Boon Hock, recommend that Shareholders vote in favour of the ordinary resolution relating to the proposed renewal of the Share Buyback Mandate.

4. ABSTENTION FROM VOTING

The Relevant Persons will abstain from voting at the AGM in respect of the resolution relating to the renewal of the Share Buyback Mandate in view of Appendix 2 of the Take-over Code and would not accept nominations as proxy or otherwise for voting at the AGM in respect of the said resolution.

The Relevant Persons have also undertaken to ensure that their Associates will abstain from making any recommendation and from voting at the AGM in respect of the said resolution and would not accept nominations as proxy or otherwise for voting at the AGM relating to the renewal of the Share Buyback Mandate.
