## AZTECH GLOBAL SCORES SECOND SUCCESSIVE RANKING IN 2025 FORTUNE SOUTHEAST ASIA 500 LIST

Ranking highlights ongoing efforts in delivering application-specific solutions and intelligent product platforms across IoT and data-communication segments

**SINGAPORE, 17 JUNE 2025** – SGX Mainboard-listed Aztech Global Ltd. ("**Aztech**"), a designer and manufacturer of IoT devices and data-communication products, is proud to achieve its second successive ranking in the prestigious **Fortune Southeast Asia 500** listing for 2025.

The ranking highlights Aztech's ongoing efforts in delivering application-specific solutions and intelligent product platforms across IoT and data-communication segments, amid Southeast Asia's expanding role in global manufacturing networks and the evolving needs of customers and industries.

"Aztech is privileged to be ranked among Southeast Asia's top 500 companies by Fortune for the second year running," said **Aztech Global's Chairman and CEO Mr Michael Mun**. "This accolade celebrates the dedication of our team in transforming customer ideas into scalable, market-ready solutions. Our deep engineering expertise, operational agility, and disciplined cost management provide a strong foundation for growth, as we strengthen our manufacturing capabilities in Malaysia and capture emerging global trends."

With close to 40 years of operating experience and deep industry expertise, Aztech continues to make strides in embedding intelligent automation and data-driven solutions into its offerings - unlocking new potential to drive growth and deliver sustainable value for customers and stakeholders.

Launched in 2024, the Fortune Southeast Asia 500 is an annual list of the region's largest companies by revenue. The 2025 edition marks the second annual ranking, featuring leading

companies (in terms revenue for the 2024 fiscal year) from Indonesia, Thailand, Malaysia, Singapore, Vietnam, the Philippines and Cambodia. As Southeast Asia continues to gain prominence as a resilient growth engine in the global economy, Aztech Global is proud to be part of the region's evolving success story.
