

UPDATE PURSUANT TO RULE 704(22) OF THE CATALIST RULES

Unless otherwise defined herein, capitalised terms have the same meanings as defined in the Company's announcements dated, inter alia, 13 September 2018, 31 October 2018, 12 November 2018, 14 November 2018, 30 November 2018, 31 December 2018, 7 February 2019 and 1 March 2019 (collectively, the "Previous Announcements").

The board of directors (the "**Board**" or "**Directors**") of Resources Prima Group Limited (the "**Company**", and together with its subsidiaries, the "**Group**"), refers to the Previous Announcements and wishes to provide the following update pursuant to Catalist Rule 704(22).

A. Group's future direction and other material developments that may have a significant impact on the Group's financial situation

1. Ongoing Operations: PT Energy Indonesia Resources

As announced on 31 December 2018, the operations of PT Energy Indonesia Resources ("**EIR**") during November 2018 were negatively affected by PT Coalindo Adhi Nusantara ("**CAN**") being unable to sell its coal inventory resulting in a full stockpile such that coal hauling for November 2018 amounted to only 23,031 tonnes. Coal hauling during the month of December 2018 continued to be disrupted for the same reasons as November 2018 such that the coal hauled for December amounted to 16,683 tonnes, resulting in an average quantity of 31,988 tonnes per month for the 14-months November 2017 through December 2018. In addition, there was no hauling operation in January 2019, due to temporary suspension of coal hauling activities (refer item (A)(1)(iii) below for update). The operations re-commenced on 26 February 2019 and the coal hauled for the period from 26 February 2019 to 28 February 2019 was 3,859 tonnes. The coal hauled for March 2019 was 15,343 tonnes. The coal haulage for March 2019 was low as a result of, *inter alia* the stoppage of operations from 11 March to 15 March 2019 due to road inspections on the route used for the hauling operations and less coal made available by CAN to EIR for hauling. The coal hauled for the months of February and March 2019 continues to be significantly lesser than the 100,000 tonnes per month as set out in the Company's announcement dated 6 October 2017.

The discussions with CAN including *inter alia* possible recourse resulting from the ongoing disruptions continues and CAN continues to make partial and intermittent payment to EIR. The various claims/outstanding receivables due from CAN at the date of this announcement are set out below:

- i. Accounts receivables outstanding of approximately Rp.2.17 billion (approximately USD 149,381 based on an exchange rate of US\$1.00 equivalent to Rupiah14,500). The outstanding accounts receivables comprise:
 - a. USD 90,838 for work done (coal hauled) in November, December 2018, February 2019 and March 2019;

- b. USD30,769 unilaterally deducted by CAN as overpayment claim for the period January 2018 to July 2018. Although CAN advised they were reviewing EIR's submission to dispute the overpayment claim, EIR has been informed that CAN's position with regard to the deduction remains unchanged and as at the date of this announcement no formal response has yet been received by EIR;
 - c. USD19,129 for the months of September 2018 and October 2018 relating to the rise and fall portion ("R&F") (i.e. part of the pricing formula for the coal hauling services). Aside from these two months, the Company received partial and intermittent payments for November 2018 and December 2018. CAN has unilaterally excluded this R&F portion from its payment for the accounts receivables due to EIR for the relevant period although EIR has informed of its disagreement with CAN in respect of the R&F adjustment. CAN's position, however, remains unchanged; and
 - d. USD8,645 for a 3-day stand by charge for January 2018 comprising of USD7,448 and R&F portion USD1,197 for the period 1 to 15 December 2017. Except for this R&F claim, the R&F component for the period up to August 2018 have been paid by CAN.
- ii. Compensation for disruptions in September 2018
Although discussions in regards to the standby claim for September's operational disruptions and shortfall in coal hauled have stalled, EIR continues its attempts to formally re-engage with CAN in order to negotiate and agree on appropriate compensation.
 - iii. Temporary suspension of coal hauling activities
As announced on 31 December 2018, CAN's coal hauling activities were temporarily suspended with effect from 1 January 2019 until further notice thereby adversely affecting EIR's operations.

The operation re-commenced on 26 February 2019. However, operations were yet again disrupted from 11 March to 15 March 2019 due to road inspections on the route used by the hauling operation. The operation restarted on 16 March 2019 after temporary repair and maintenance to the road was completed and the road was declared to be safe for use.

- iv. Professional advice for dispute on coal hauling service agreement
EIR has, upon legal advice, invoiced CAN for the shortfall in the coal hauled by EIR for the 15-month period commencing 1 November 2017 to 31 January 2019 due to CAN's failure to provide a minimum of 100,000 tonnes per month to EIR ("**Shortfall**") amounting to about USD2 million. On 10 April 2019, EIR received a formal letter from CAN stating that its Shortfall claim has been received and is currently being reviewed by the legal department of CAN and CAN will commit to pay the outstanding owing to EIR. The formal letter from CAN did not state what is the amount payable to EIR that CAN has committed nor when payment will be made.

EIR will continue to take action to protect and enforce its rights under the contract with CAN including but not limited to any monthly shortfall of coal hauled due to CAN's failure to provide a minimum of 100,000 tonnes per month to EIR.

The Company will continue to update shareholders via SGXNET in respect of the above and other matters concerning the Group through its monthly update pursuant to Rule 704(22) of the Catalist Rules.

2. Ongoing Operations: RPG Logistics Pte Ltd's ("RPG Logistics") Joint Operation Agreement with PT Prima Dharma Karsa ("PT Prima")

The Company incorporated RPG Logistics, a wholly-owned subsidiary company on 25 March 2019 for the purposes of provision of logistical support and supervision of operations in respect of mining activities.

On 31 March 2019, the Company announced that the Company's wholly-owned subsidiary RPG Logistics had entered into a joint operation agreement (the "JOA") with PT Prima, a company incorporated in Indonesia to provide logistical support to PT Prima, including but not limited to the transportation of nickel to a loading port, the supervision of mining operations as well as provision of mining equipment and mining services to PT Prima in relation to a mining area.

Please refer to the Company's announcement dated 31 March 2019 for details.

3. Cashflow analysis and resumption of trading:

- i. As a result of the Rinjani situation (including without limitation the loss of control of Rinjani), the Group has been operating under severe cashflow constraints as there was no operating cashflow for the period from July to October 2017. The severe underperformance of the coal hauling agreement with CAN as set out above added more uncertainty to the cashflows that can be generated by the Group. The Board also announced on 28 June 2017 that the Board is of the view that the Company is currently unable to demonstrate its ability to continue as a going concern or reasonably assess its financial position. As such the Board recommended that in the best interests of the Company, the trading halt of the Company's shares be converted to a trading suspension of the shares with immediate effect. Since 29 June 2017, the Board and Management have been concurrently working towards submitting a trading resumption proposal to the Singapore Exchange Securities Trading Limited (the "SGX-ST") on or before 28 June 2018.

On 5 July 2018, the Company announced that it was informed by the SGX-ST that, having considered the financial position of the Company, SGX-ST, is of the view that a time extension will be in the interest of shareholders and in this regard SGX-ST has agreed to grant the Company a 3-month extension till 28 September 2018 for the Company to submit its resumption proposal.

The Company was subsequently granted a further 6-month extension to 28 March 2019 submit its resumption proposal. On 28 March 2019, the Company announced that it will be submitting a further 6-month extension of time till 28 September 2019 to submit its resumption proposal ("Further RTP EOT"). The Company had through its Sponsor, SAC Capital Pte Ltd made the relevant submission on 4 April 2019.

- ii. Having regard of the deadline imposed by the SGX-ST, the Company announced on 6 August 2018, the entry of an investment agreement with Mr Ang Liang Kim ("Investor") ("Ang Investment Agreement"), a substantial shareholder of the Company. The Investor has, pursuant to the Ang Investment Agreement, committed not less than S\$4 million of investment in the Company by way of a convertible loan (of up to S\$2 million) and a rights issue. These funds are for the purpose of general working capital (excluding salary and fees of Management and Directors) and where necessary, capital expenditures (including but not limited to potential business opportunities). As such, and as announced on 6 April 2018, the Management and Directors will continue, as an interim measure, not to take any fees or remuneration or to take only nominal salaries until there is more clarity on the Group's cashflow situation. The first drawdown of funds notice under the convertible loan of S\$250,000

was issued on 10 December 2018 with funds amounting to S\$246,495.88 being subsequently received by the Company in January 2019 for working capital purposes in compliance with the terms of the Investment Agreement. The Company will be holding a general meeting to seek shareholders' approval for the convertible loan in due course.

- iii. On 31 March 2019, the Company announced that it has entered into an investment agreement with Mr Perman Yadi ("**Mr Yadi**") ("**Yadi Investment Agreement**"). Pursuant to the Yadi Investment Agreement, Mr Yadi will grant the Company a convertible loan with a principal of US\$2 million. The purposes of the convertible loan are extended to the Company for, *inter alia* business operations and projects undertaken by the Company with the Investor's express approval.

Please refer to the Company's announcement dated 31 March 2019 for details

- iv. Following the ongoing efforts in seeking the injection of a sustainable business, the Company, on 1 October 2018 announced entry into a memorandum of understanding ("MOU") with Hing Chung Group (International) Limited in relation to the proposed acquisition of 100% equity interest in ChongQing HuangYang Property Development Limited by the Company. As a result of entry into the MOU, the Company, through its sponsor has on 5 October 2018, made an application for (i) a further 6-month extension of time to 28 March 2019 to submit its resumption of trading proposal and (ii) a further 6-month extension to 28 March 2019 to fill the vacancy in its Audit and Risk Management Committee (the "Further Extensions"). On 12 November 2018, the Company announced that SGX-ST has, on 9 November 2018, informed the Company that based on the information provided, SGX-ST, has no objection to granting the Company the following:
 - a. a 6-month extension till 28 March 2019 to submit a resumption proposal; and
 - b. a 6-month extension till 28 March 2019 to fill the vacancy in the Audit and Risk Management Committee.

As noted above, the Company has through its Sponsor, made a submission for inter alia a Further RTP EOT, a 6 months extension of time to fill the vacancy in the Audit and Risk Management Committee as well as a 2 months extension of time to hold its AGM for the financial year ended 31 December 2018.

The Company will make further announcements to update its shareholders on the grounds for and the outcome of the extension to submit a resumption proposal.

B. Bankruptcy proceedings – PT Rinjani Kartanegara ("Rinjani")

There have been no further updates since the Company's announcement dated 31 October 2018, except that the Company has appointed legal counsel to represent the Company and the Group in all further matters pertaining to the Rinjani matters

C. State of negotiations between the Company and its principal bankers or trustee

The Company currently has no credit lines or facilities with its bankers or trustee.

D. Litigation

The Company refers to its announcement dated 9 February 2018 and advises that the Group's subsidiary, PT Pilar Mas Utama Perkasa ("**Pilar Mas**"), received a notice dated 24 January 2018 from the State Court of West Jakarta, Indonesia (the "**Notice**") in relation to a statement of claim filed by a former shareholder of PT Rinjani Kartanegara ("**Rinjani**"), being Ruznie Oms., S.H. M.Hum ("**Ruznie**"). The statement of claim is filed

against, Pilar Mas, Agus Sugiono, the Group's Executive Chairman and Chief Executive Officer ("**Defendant II**"), Rinjani ("**Defendant III**"), Nordiansyah Nasrie, the Group's Chief Operating Officer ("**Defendant IV**") and other third parties (collectively, the "**Defendants**").

The statement of claim against the Defendants, claims, *inter alia*, losses arising from events and transactions pertaining to the sale and purchase of Rinjani's shares from its original shareholders prior to the reverse takeover back in 2014, one of which being Ruznie. The amount being claimed of Rp665 billion (approximately US\$50 million), represents, amongst others, Ruznie's loss of rights from the sale of Rinjani's shares and loss of opportunity to profit from the sale of Rinjani coal.

Following a decision of the West Jakarta District Court to exclude Rinjani from the mediation process due to its bankruptcy and unwillingness to participate, the mediation process recommenced with the first mediation hearing on 3 July 2018. The mediation hearing was before a panel of 3 judges and included Ruznie, Pilar Mas, and Defendants II and IV amongst others.

At the 3 July 2018 mediation hearing, no agreement was reached between the parties and as such an initial hearing was set for 10 July 2018 during which Pilar Mas and Defendants II and IV submitted their response to Ruznie's statement of claim. Following a number of hearings, the latest of which was held on 11 December 2018 the panel of judges decided in favour of Pilar Mas and Defendants II and IV. The formal decision of the Court has been received and Ruznie has appealed against the decision to the higher court. No further actions are required by Pilar Mas, and Defendants II and IV while the higher court considers Ruznie's appeal. The Company will continue to defend its position and does not expect to incur any costs arising from the appeal process.

Other than as set out above, the Company has not been or is not a party in any other legal proceedings.

As previously announced, with effect from 9 October 2017, all litigation matters and decisions with respect to the legal proceedings against Rinjani will be handled by the curators appointed by the Commercial Court Jakarta.

E. Board and board committee changes

Further to the changes and appointments to the Company's Board and Board Committees noted in the Company's announcement dated 11 May 2018, the Company will still be unable to meet the minimum number of members under Catalist Rule 704(7) in respect of the Audit and Risk Management Committee ("**ARMC**").

Although the Company endeavoured to fill the vacant position within the 3 months from 13 February 2018, the Company makes reference to the announcement dated 6 April 2018, wherein it advised that due to the Group's financial position, the independent directors, the executive chairman cum chief executive officer, the executive director, the chief operating officer and the former chief financial officer have all agreed not to take any fees or remuneration or to take only nominal salaries until there is more clarity on the Group's cashflow situation. Hence, it would be challenging for the Group to attract suitable candidates and an appointment of an additional independent director could potentially stretch the Group's financial resources.

Having regard to the above the Company refers to its announcements dated:

- 1 June 2018 wherein it was announced that SGX-ST had no objection to granting a 3-month extension till 10 August 2018 to appoint the additional (third) committee member of the ARMC, and

- 27 August 2018 wherein it was announced that based on the information provided by the Company, the SGX-ST has no objection to granting the Company a further 1.5-month extension, till 28 September 2018, to fill the vacancy in the ARMC.
- 12 November 2018 wherein it was announced that the SGX-ST has no objection to granting a 6-month extension till 28 March 2019 to fill the vacancy in the ARMC.
- 4 April 2019, the Company through its sponsor wrote to SGX-ST to seek a further 6 months extension to till 28 September 2019 to fill the vacancy in the ARMC.

The Company will make further announcements to update its shareholders on the grounds for and the outcome of the extension to fill the vacancy in the ARMC.

F. Application for extension of time to hold the Company's annual general meeting in respect of the financial year ended 31 December 2018 ("FY2018")

On 4 April 2019, the Company has, through its sponsor, made an application to the SGX-ST for a further 2-month extension (the "**AGM Extension**") to 30 June 2019 to hold its AGM.

The Company will make further announcements to update its shareholders on the grounds for and the outcome of the application for the AGM Extension in due course.

G. Trading resumption

Please refer to item (A) above for details.

The Company will continue to update shareholders via SGXNET when there are material developments in respect of any matters concerning the Group pursuant to Rule 704(7) of the Catalist Rules.

The Board is of the opinion that all material disclosures have been provided by the Company.
