
WATER TREATMENT PLANT TRANSFORMATION PROJECT AWARDED IN HEFEI CITY, ANHUI PROVINCE, PEOPLE'S REPUBLIC OF CHINA

The Board of Directors (the “**Board**”) of SIIC Environment Holdings Ltd. (the “**Company**”, and together with its subsidiaries, collectively the “**Group**”) is pleased to announce that the Group’s 60% owned subsidiary, Ranhill Water (Hong Kong) Limited (“**Ranhill HK**”) had been awarded the Hefei Circular Economy Demonstration Park Water Treatment Plant Transformation Project by the Hefei Circular Economy Demonstration Park Administration Committee (“**Hefei Project**”).

The Hefei Project has a design capacity of 30,000 tons/day for a concessionary period of 19 years with an upgrade of the water discharge standard to the Anhui Provincial Standard (Chaohu Lake).

The tariff of the Hefei Project is RMB6.43/ton for the first 6 months from the commencement of operations. Afterwards, it would be determined upon the relevant actual investment, production costs and taxes.

The above is not expected to have material impact on the net tangible assets per share and earning per share of the Company and the Group for the financial year ending 31 December 2017.

None of the directors, controlling shareholders or substantial shareholders of the Company have any interest, direct or indirect, in the Hefei Project.
