PROFIT GUIDANCE FOR THE SIX MONTHS ENDED 30 JUNE 2025 UNAUDITED FINANCIAL RESULTS ("1H2025")

The Board of Directors (the "**Board**") of Acesian Partners Limited (the "**Company**", and together with its subsidiaries, collectively the "**Group**") wishes to inform shareholders that the Group is expected to report a significant decline in revenue and a loss before tax for 1H2025, compared to a profit for 1H2024.

Based on a preliminary review of the Group's unaudited consolidated financial results for 1H2025, the expected decline in revenue is mainly attributable to, among other factors, weakness in external market conditions, which is partly due to trade tensions and tariff uncertainties. The expected loss before tax for 1H2025 is mainly due to decline in revenue, a reduced gross profit margin, lower finance income, and higher administrative and other operating expenses.

The Group is still in the process of finalising its unaudited consolidated financial results for 1H2025 and will provide further details on the Group's performance when the financial results are released on or before 14 August 2025.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
