SINOSTAR PEC HOLDINGS LIMITED
(Company Registration No.: 200609833N)

PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2026

Following a preliminary assessment of its business operations and draft consolidated results, the Board of Directors (the “Board”) of Sinostar PEC Holdings Limited (the “Company” or together with its subsidiaries, “the Group”) wishes to issue a profit guidance in respect of its half year results ended 30 June 2026 (“1H2026”).

The Group expects to report a significant increase in profit attributable to equity holders of the Company for 1H2026 as compared with the corresponding period ended 30 June 2025.

The expected increase is mainly attributable to a significant increase in the Group's gross profit, arising primarily from improved margins for the Group's key gas products amid tighter market supply linked to the geopolitical situation in the Middle East.

Further details of the Group’s performance will be disclosed when the Company finalises and announces its unaudited consolidated financial results for 1H2026 on or before 14 August 2026.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the shares of the Company. In the event of any doubt, they should consult their stockbrokers, bankers, solicitors, accountants or other professional advisers.
