### **SGX welcomes Huatong Global to Catalist**

Singapore Exchange (SGX) today welcomed Huatong Global Limited to Catalist, under the stock code of "41B".

Huatong Global is a full-serviced integrated civil engineering solutions provider, with an established track record of more than 30 years. It is mainly engaged in the provision of civil engineering services for infrastructure projects, inland logistics support and the sale of construction materials.

Huatong Global offered 27.5 million shares at S\$0.20 a share. Proceeds raised from the offer will be used to expand its business and for general working capital purposes.

Shares in Huatong Global opened at S\$0.24 today, up 20%.

Patrick Ng, Chief Executive Officer, Huatong Global, said, "We are happy with the positive response from investors during our IPO, which we believe underscores Huatong Global's strong business fundamentals and future growth potential. This listing will go a long way toward enhancing our public image, which we believe will put us in an even stronger position to capture new business as well as to drive our expansion plans in Singapore and overseas markets."

Mohamed Nasser Ismail, Head of SME Development & Listings, SGX, said, "We are pleased to welcome another home-grown company, Huatong Global, to SGX. With its track record of completing projects on time and delivering quality civil engineering works, Huatong Global is well placed to ride the steady growth in the construction sector. We look forward to partnering the company in its growth ambitions."

The listing of Huatong Global brings the total number of SGX-listed companies on Catalist to 156, with a combined market capitalisation of S\$11.2 billion.

-End-

## **About Huationg Global**

Established in 1983, Huationg Global Limited is principally engaged in the provision of a full range of civil engineering services and inland logistics support, and is also involved in the sale of construction materials, including the manufacture and supply of Liquefied Soil Stabiliser (LSS) and the sale of Recycled Concrete Aggregate (RCA).

Over the last 30 years, the Group has been involved in the civil engineering works for numerous large infrastructural construction projects in Singapore including certain stations of the Downtown Line MRT and Circle Line MRT, the Kallang-Paya Lebar Expressway ("KPE") and the Marina Coastal Expressway ("MCE"), and has established a strong track record in the civil engineering industry. Its customers in the civil engineering segment include, among others, the Housing and Development Board ("HDB"), Land Transport Authority of Singapore ("LTA") and Daelim Industrial Co. Ltd.

It is registered with the Building and Construction Authority ("BCA") with a BCA grading of A2 under the category of CW02 for civil engineering and C2 under the category CW01 for General Building.

## **About Singapore Exchange (SGX)**

Singapore Exchange (SGX) is the Asian Gateway, connecting investors in search of Asian growth to corporate issuers in search of global capital. SGX represents the premier access point for managing Asian capital and investment exposure, and is Asia's most international exchange with about 40% of companies listed on SGX originating outside of Singapore. SGX offers its clients the world's biggest offshore market for Asian equity index futures, centred on Asia's three largest economies – China, India and Japan.

In addition to offering a fully integrated value chain from trading and clearing, to settlement and depository services, SGX is also Asia's pioneering central clearing house. Headquartered in Asia's most globalised city, and centred within the AAA strength and stability of Singapore's island nation, SGX is a leading Asian counterparty for the clearing of financial and commodity products.
