NOTICE OF SEIZURE OF SUBSTANTIAL SHAREHOLDER'S SHARES

The Board of Directors (the "**Board**" or "**Directors**") of Regal International Group Ltd. (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that it has been informed that an Enforcement Order (the "**Enforcement Order**") has been made against Mr Su Chung Jye, the Executive Chairman and Chief Executive Officer of the Company ("**Mr Su**"), and Mr Wong Pak Kiong, an Executive Director of the Company ("**Mr Wong**" and, together with Mr Su, the "**Enforcement Respondents**") and that the Enforcement Respondents have received a Notice of Seizure dated 17 March 2026 ("the **Notice**") arising from a judgment brought by Mr Lim Jin Wei in his claim against the Enforcement Respondents for $233,627.03 (the "**Judgment Sum**"). The Notice states the seizure of 16,138,381 ordinary shares of the Company belonging to Mr Su and 10,060,320 ordinary shares of the Company belonging to Mr Wong to satisfy the Judgment Sum (together, the "**Subject Shares**").

The Enforcement Respondents have informed the Company that they intend to file a notice of objection to the Notice of Seizure and are currently exploring alternative means to satisfy the Judgment Sum to prevent the sale of the Subject Shares. The Company understands from the Enforcement Respondents' legal counsel that, in the event of a sale, the Sheriff will only sell such number of the Subject Shares as is necessary to satisfy the outstanding Judgment Sum. The actual number of the Subject Shares to be sold would be determined based on the price that the Subject Shares can be sold at.

The Nominating Committee and the Board (with the Enforcement Respondents recusing themselves from the deliberations) have reviewed the matter and are of the view that the Enforcement Respondents remain suitable to continue as Directors and Executive Officers of the Company, taking into account, among others, that the legal proceedings are personal in nature, do not relate to the discharge of their duties to the Company, and do not prevent the Enforcement Respondents from discharging their duties as Directors and Executive Officers.

The Board does not expect the Enforcement Order and the Notice of Seizure to have a material impact on the Group's financial position or its day-to-day operations. The Company will continue to monitor the situation and will make further disclosures if and when there are material updates, including the receipt of notification(s) from the Enforcement Respondents and/or other shareholder(s) in respect of interests in the Subject Shares, as the case may be.

Notwithstanding that the trading of the Company's shares is suspended, shareholders and potential investors are advised to read this announcement and any further announcements by the Company carefully. Shareholders are also advised to refrain from taking any action in respect of their securities in the Company which may be prejudicial to their interests, and to exercise caution when dealing in the securities of the Company. In the event of any doubt, shareholders and potential investors should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisers.
