EXPLANATORY NOTES:

- (a) Ordinary Resolution No. 3 is to approve the re-election of Mr Ronald Seah Lim Siang ("**Mr Seah**"), who is retiring by rotation, in accordance with Regulation 99 of the Constitution of the Company. Upon his re-election, Mr Seah will remain as a Non-Executive and Non-Independent Director, Chairman of the Board and Executive Committee and member of the Risk and Sustainability Committee. Detailed information of Mr Seah can be found in the sections on "Board of Directors" and "Additional Information in relation to Directors Standing for Re-election" of the Company's 2025 Annual Report.
- (b) Ordinary Resolution No. 4 is to approve the re-election of Mr Stephen Geoffrey Miller ("**Mr Miller**"), who is retiring by rotation, in accordance with Regulation 99 of the Constitution of the Company. Upon his re-election, Mr Miller will remain as a Non-Executive and Non-Independent Director, Deputy Chairman of the Board, and member of the Nominating and Remuneration Committee and Executive Committee. Detailed information of Mr Miller can be found in the sections on "Board of Directors" and "Additional Information in relation to Directors Standing for Re-election" of the Company's 2025 Annual Report.
- (c) Ordinary Resolution No. 5 is to approve the re-election of Mr Shailesh Anand Ganu ("**Mr Ganu**"), who is retiring in accordance with Regulation 99 of the Constitution of the Company. Upon his re-election, Mr Ganu will remain as a Non-Executive and Independent Director, and Chairman of the Risk and Sustainability Committee. Detailed information of Mr Ganu can be found in the sections on "Board of Directors" and "Additional Information in relation to Directors Standing for Re-election" of the Company's 2025 Annual Report.
- (d) Ordinary Resolution No. 6 is to approve the payment of an aggregate sum of \$488,600 as Directors' remuneration for the financial year ended 31 December 2025 to all of the Directors (other than Ms Pauline Wong Mae Sum and Mr Lim Yong). If Ordinary Resolution No. 6 is approved, each of the Directors (other than Ms Pauline Wong Mae Sum and Mr Lim Yong) will receive approximately 70% of his or her Director's remuneration in cash. The balance of approximately 30% of his or her Director's remuneration ("**FY2025 Share-based Portion**") will be paid in the form of restricted share awards pursuant to the TeleChoice RSP, unless the Nominating and Remuneration Committee (or any committee that succeeds and performs the functions or part of the functions thereof) determines in its discretion that the FY2025 Share-based Portion (or any part thereof) shall be paid in cash, in which event the FY2025 Share-based Portion (or the relevant part thereof) shall be paid in cash. Please refer to the section on "Remuneration Matters" in the Corporate Governance Report on pages 34 to 40 of the Company's 2025 Annual Report for the rationale in including a share component to the Directors' remuneration. In order to satisfy the Share-based Portion by way of restricted share awards pursuant to the TeleChoice RSP, the Company would need to have a sufficient number of treasury shares or issue new Shares. The Company may from time-to-time face difficulties in buying back sufficient number of Shares from the market to hold as treasury (whether due to insufficient liquidity, pricing or otherwise) while the issue of new Shares to satisfy such share awards would be dilutive to existing shareholders. In view of the foregoing, Resolution 6(b) authorises the Nominating and Remuneration Committee (or any committee that succeeds and performs the functions or part of the functions thereof) to decide in its discretion to pay all or part of the FY2025 Share-based Portion in cash. The Nominating and Remuneration Committee (or any committee that succeeds and performs the functions or part of the functions thereof) will exercise its discretion in the best interests of the Company. If the FY2025 Share-based Portion is to be paid by way of share awards, the number of Shares to be awarded will be based on the volume-weighted average price ("**VWAP**") of a Share listed on the SGX-ST over the 14 market days commencing on (and including) the first ex-dividend date that immediately follows the date of this Annual General Meeting (and in the event that no dividend is declared at such last concluded Annual General Meeting, the VWAP of a Share listed on the SGX-ST over the 14 market days commencing after the date of such last concluded Annual General Meeting). The number of Shares to be awarded will be rounded down to the nearest thousand shares, and any residual balance settled in cash. The restricted share awards will consist of the grant of fully paid shares, without any performance or vesting conditions attached. However, in order to encourage alignment of interest of the Directors with the interests of shareholders, a Director is required to hold such number of Shares equivalent to at least: (i) the prevailing annual basic Board retainer fee, based on the VWAP of a Share listed on the SGX-ST over the 14 market days from (and including) the first ex-dividend date (if any) following the date of the Company's last concluded Annual General Meeting (and in the event that no dividend is declared at such last concluded Annual General Meeting, the VWAP of a Share listed on the SGX-ST over the 14 market days commencing after the date of such last concluded Annual General Meeting); or (ii) the total number of Shares awarded to that Director under the TeleChoice RSP for the financial year ended 31 December 2013 and onwards, whichever is lower. Notwithstanding the foregoing, a Director is permitted to dispose of all of his Shares after the first anniversary of the date of his cessation as a Director of the Company.

- (e) Ordinary Resolution No. 7 is to approve the payment of \$57,000 as Director's remuneration for the financial year ended 31 December 2025 to Mr Lim Yong. It is proposed that the entire amount of his Director's remuneration (including the amount of \$17,100 which would otherwise have been paid in the form of share awards under the TeleChoice RSP) be paid to him in cash. Mr Lim Yong is the son, and therefore an associate, of Mr Lim Chai Hock Clive who is a controlling shareholder of the Company, and approval of independent Shareholders by way of a separate resolution for the grant of the specific number of share awards to him is required under Rule 853 of the Listing Manual of the SGX-ST. However, as the number of share awards to be granted to Mr Lim Yong would have been computed only after the date of the Annual General Meeting (as described in Explanatory Note (d) above), such number of awards would not be known until after the Annual General Meeting, and it is therefore not possible to seek approval for the grant of the specific number of share awards to him at the Annual General Meeting. In view of the difficulties that the Company would face in complying with Rule 853 of the Listing Manual of the SGX-ST for the grant of share awards to Mr Lim Yong, the Company is therefore proposing to pay him in cash in full instead.
- (f) Ordinary Resolution No. 8 is to approve the proposed appointment of Deloitte & Touche LLP as auditors of the Company in place of the retiring auditors, KPMG LLP, and to authorise the Directors to fix their remuneration. Details of the proposed change of auditors, including the reasons for the proposed change of auditors, the considerations taken into account in the selection of Deloitte & Touche LLP and the information required pursuant to Rule 1203(5) of the Listing Manual of the SGX-ST, are set out in Appendix I to the 2025 Annual Report.
- (g) Ordinary Resolution No. 9 is to authorise the Directors to issue Shares in the capital of the Company and to make or grant instruments (such as warrants or debentures) convertible into Shares, and to issue Shares in pursuance of such instruments, up to an amount not exceeding in total 50% of the issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, with a sub-limit of 20% for issues other than on a pro rata basis to shareholders. For the purpose of determining the aggregate number of Shares that may be issued, the percentage of issued Shares shall be based on the issued Shares at the time that Ordinary Resolution No. 9 is passed, after adjusting for (i) new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Ordinary Resolution No. 9 is passed; and (ii) any subsequent bonus issue, consolidation or subdivision of Shares.
- (h) Ordinary Resolution No. 10 is to authorise the Directors to offer and grant awards and to allot and issue Shares in the capital of the Company in accordance with the rules and terms of the TeleChoice RSP and/or the TeleChoice PSP, provided that the aggregate number of Shares to be allotted and issued pursuant to the Share Plans shall not exceed 15% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time. Details of the Share Plans are set out in the Company's Circular to Shareholders dated 11 April 2007 and the Company's Appendix to the Annual Report dated 11 April 2018.
- (i) Ordinary Resolution No. 11 is to renew the mandate to allow the Company, its subsidiaries and its associated companies that are entities at risk or any of them to enter into certain interested person transactions with certain classes of interested persons as described in the Annexure to Appendix II. The authority will, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the next Annual General Meeting of the Company.
- (j) Ordinary Resolution No. 12 is to renew the mandate to allow the Company to purchase or acquire issued ordinary Shares in the capital of the Company on the terms and subject to the conditions of the Resolution.

The Company may use internal resources or external borrowings or a combination of both to fund the purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate. The amount of financing required for the Company to purchase or acquire its Shares, and the impact on the financial position of the Company, cannot be ascertained as at the date of this Notice as these will depend on the number of Shares purchased or acquired and the price at which such Shares were purchased or acquired.

The financial effects of the purchase or acquisition of such Shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Company and the Company and its subsidiaries for the financial year ended 31 December 2025, based on certain assumptions, are set out in paragraph 3.7.3 of the Letter to Shareholders in Appendix II.

PERSONAL DATA PRIVACY:

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the Annual General Meeting and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents) for the purpose of the processing and administration by the Company (or its agents) of proxies and representatives appointed for the Annual General Meeting (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the Annual General Meeting (including any adjournment thereof), and in order for the Company (or its agents) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"); (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents) of the personal data of such proxy(ies) and/or representative(s) for the Purposes; and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty. Photographic, sound and/or video recordings of the Annual General Meeting may be made by the Company for record keeping and to ensure the accuracy of the minutes prepared of the Annual General Meeting. Accordingly, the personal data of a member of the Company (such as his name, his presence at the Annual General Meeting and any questions he may raise or motions he propose/second) may be recorded by the Company for such purpose.
