
Profit Warning for the first quarter ended 31 March 2018

The Board of Directors (the “**Board**”) of **Asiaphos Limited** (the “**Company**”) and together with its subsidiaries, the “**Group**”) wishes to announce that based on the preliminary review of the draft unaudited consolidated financial results for the Group’s first quarter ended 31 March 2018 (“**1Q2018**”), the Group is expected to report a net loss for 1Q2018 as compared to a net profit for the same quarter of the financial year ended 31 December 2017 (“**FY2017**”).

The deterioration in the results for 1Q2018 was mainly due to lower revenues arising from the decrease in the quantity of P4 sold and lower margin earned on those sales. The Group also recorded lower profits from the discontinued operations. Furthermore, the group recorded an exchange loss of \$0.1 million in 1Q2018 as compared to an exchange gain of \$0.2 million in 1Q2017.

The above guidance is based on a preliminary assessment made by the Company. The Company is in the process of finalising the Group’s unaudited results for 1Q2018 which will be announced by 15 May 2018.

In the meantime, shareholders and investors are advised to act cautiously when dealing in the Company’s shares (“**Shares**”). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company’s securities.
