Subject: Update on the Proposed Transaction Between PT Dian Swastatika Sentosa Tbk (the "Company") and United Fiber System Ltd. ("UFS").

Dear Sir/Madam,

In connection with the proposed transaction of the Company and UFS with regards to the acquisition of UFS by the Company and the sale of PT Golden Energy Mines Tbk ("GEMS") to UFS as announced previously by the Company through its disclosure of information and Company's letter No.084/CSDSS-07/2014 dated July 4, 2014 and Company's letter No.006/CSDSS-01/2015 dated January 13, 2015, the Company hereby wishes to update the progress of the proposed transaction between the Company and UFS.

On January 21, 2015 (as supplemented by the letter dated January 22, 2015), UFS obtained the approval-in-principle from Singapore Exchange Securities Trading Limited ("SGX-ST") with regards to the proposed acquisition of GEMS by UFS. The approval-in-principle from the SGX-ST is subject to the fulfillment of several key conditions and is valid for 3 months from January 21, 2015.

The Company is planning to hold general meeting of shareholders for the proposed transaction in April 2015. Furthermore, as agreed in the Share Purchase Agreement between the Company and UFS (as amended from time to time), the deadline for the fulfillment of the conditions precedent for the proposed transaction is March 31, 2015 ("Long Stop Date") or any other date as agreed between the parties, therefore, on 23 January, 2015 the Company and UFS have agreed to extend the Long Stop Date to June 3, 2015 and to amend the clauses affected by the extension of the Long Stop Date.

The purpose of the extension of the Long Stop Date is to provide opportunity for the Company and UFS to fulfill the conditions precedent and to complete the proposed transaction.

The Company will announce further updates on the proposed transaction accordingly.

Thank you for your attention.

Best regards,

PT Dian Swastatika Sentosa Tbk
