CHINA FISHERY GROUP LIMITED
(Incorporated in the Cayman Islands)

FURTHER UPDATE ON THE ADMINISTRATION OF THE COMPANY'S CHAPTER 11 RESTRUCTURING PLAN

---

1. INTRODUCTION

1.1. Reference is made to the previous announcements made by China Fishery Group Limited (the "**Company**") relating to the Chapter 11 restructuring plan for the Company and Pacific Andes Resources Limited (the "**Plan**"), and in particular (a) the Company's announcement dated 3 March 2022 in relation to the United States Bankruptcy Court in the Southern District of New York (the "**Court**") confirming the Plan (the "**3 March 2022 Announcement**"); (b) the Company's announcement dated 4 January 2023 in relation to, *inter alia*, the Plan becoming effective on 23 December 2022 and Mr Shaun Folpp's appointment as the Plan Administrator with effect from 23 December 2022 to give effect to the administration of the Plan; and (c) the Company's announcements dated 2 August 2024 and 7 January 2025 providing an update by the Plan Administrator on the administration of the Plan (the "**Previous Update Announcements**").

1.2. The Plan Administrator now wishes to provide a further update to the Company's shareholders on the status of the administration of the Plan.

1.3. All capitalised terms used in this announcement which are not defined shall bear the meanings given to them in the Confirmation Order (as defined in the 3 March 2022 Announcement).

2. UPDATE ON THE CURRENT STATUS OF THE ADMINISTRATION OF THE PLAN

2.1. The Plan Administrator has the obligation to identify and liquidate or otherwise dispose of any remaining assets that the Company, the other Plan Debtors or their Non-Debtor Affiliates may continue to hold. Any funds generated through this process are added to the pool of funds available for distribution under the Plan.

2.2. Accordingly, the Plan Administrator continues to investigate the accounts of the Company, the other Plan Debtors and their Non-Debtor Affiliates in order to identify any residual assets available for liquidation. As mentioned in the Previous Update Announcements, one significant residual asset is a commercial office space in Hong Kong owned by an indirect subsidiary of the Company. On 26 May 2025, the subsidiary accepted an offer from an independent third party (the "**Purchaser**") to purchase this commercial office space and on 13 June 2025, the subsidiary entered into a formal agreement for sale and purchase of this commercial office space with the Purchaser (the "**SPA**"). The SPA provides for completion of the sale on or before 9 September 2025. As explained in paragraph 2.1, the proceeds of the sale of this asset will be added to the pool of funds available for distribution in accordance with the Plan.

2.3. The Plan Administrator has reviewed and analysed claims made against the Plan Debtors. All required distributions to holders of allowed Administrative Expense Claims have been made. Distributions to Allowed Claim holders will be made upon completion of the liquidation of the residual assets.

2.4. As mentioned in the Previous Update Announcements, the Plan also requires the liquidation of the Plan Debtors and the Non-Debtor Affiliates in various jurisdictions. Accordingly, the Plan Administrator is taking the necessary steps to liquidate the Plan Debtors and their Non-Debtor Affiliates. This requires preparation of detailed accounts and documentation for each entity, which work is well underway. In this regard, the Plan Administrator would note that the costs and timeframe of liquidating the Plan Debtors and their Non-Debtor Affiliates are subject to a number of variables, given that they are incorporated in various jurisdictions and subject to varying regulatory requirements, and also other potential complicating factors. The Plan Administrator is nonetheless working closely with respective counsel in each jurisdiction to resolve the challenges as promptly as possible.

2.5. To-date, the liquidations of 18 Plan Debtors (all indirect subsidiaries of the Company) and two Non-Debtor Affiliates (one of which is an indirect subsidiary of the Company) have been completed and those companies have been dissolved. The Plan Administrator has filed two motions with the Court seeking approval to close the Chapter 11 cases in respect of 17 of these Plan Debtors, which motions have been granted by the Court. In addition, liquidators have been appointed in respect of three further Plan Debtors (two of which are indirect subsidiaries of the Company) and three further Non-Debtor Affiliates (one of which is an indirect subsidiary of the Company), and a further Plan Debtor incorporated in Singapore has been struck off. The Plan Administrator intends to file further motions with the Court seeking approval to close the Chapter 11 cases in respect of the remaining Plan Debtors at an appropriate time.

3. ADMINISTRATION OF THE PLAN GOING FORWARD

3.1. As mentioned in Previous Update Announcements, the Plan provides for distributions to be made to the Company's public shareholders, being the Company's shareholders other than Super Investment Limited (Cayman) and Golden Target Pacific Limited (BVI). However, the timeframe and amount of such distributions will be dependent on the finalisation of the size of the relevant distribution pool, where such finalisation shall be subject to the resolution of all claims and all residual assets having been liquidated. The Plan Administrator will make one full and final distribution to the Company's public shareholders in the interests of certainty and efficiency once all of those contingencies have been satisfied. The Plan Administrator would note that it currently does not have certainty of the timeframe for the final distribution for the reasons set out in paragraph 2.4 above, but is continuing to liquidate the Plan Debtors and their Non-Debtor Affiliates and take other necessary steps as expeditiously as possible. Further announcement(s) will be made by the Plan Administrator when such distributions are ready to be made.

3.2. Once all other steps, processes, liquidations and procedures required under the Plan are completed, the Company will be liquidated and delisted from the Official List of the Singapore Exchange Securities Trading Limited. Further announcement(s) will be made by the Plan Administrator on the liquidation and delisting of the Company.

The Plan Administrator will announce further updates in relation to the Plan on a periodic basis and otherwise as significant developments arise.

Shaun Folpp
solely in his capacity as Plan Administrator of the Plan
