LETTER TO SHAREHOLDERS

2 GENERAL MANDATE TO ISSUE SHARES AND BUY BACK SHARES

2.1 At the last annual general meeting of the Company held on 19 June 2017, resolutions were passed granting general mandates to the Directors (i) to allot and issue Shares with a total number not exceeding 20% of the total number of Shares of the Company in issue as at the date of passing of the relevant resolutions and, (ii) to buy back shares in the capital of the Company up to 10% of the total number of Shares of the Company in issue as at the date of passing of the relevant resolutions. Such general mandates will expire at the conclusion of the forthcoming Annual General Meeting.

2.2 At the Annual General Meeting, separate ordinary resolutions will be proposed:

- (a) to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue or otherwise deal with Shares not exceeding 20% of the total number of Shares in issue as at the date of passing the resolution. The Issue Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Bye-Laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company. Based on 432,948,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or bought back prior to the date of the Annual General Meeting, the Directors will be authorised to issue up to 86,589,600 Shares under the Issue Mandate;
- (b) to grant the Share Buy-back Mandate to the Directors to exercise all powers of the Company to buy back issued Shares subject to the criteria set out in this circular. Under such Share Buy-back Mandate, the maximum number of Shares that the Company may buy back shall not exceed 10% of the total number of Shares in issue as at the date of passing the resolution. As at the Latest Practicable Date, the number of Shares in issue was 432,948,000 Shares. Subject to the passing of the proposed ordinary resolution approving the granting of the Share Buy-back Mandate and assuming no further Shares are issued or bought back prior to the Annual General Meeting, the Company would be allowed under the Share Buy-back Mandate to buy back a maximum of 43,294,800 Shares, being 10% of the total number of Shares in issue as at the date of passing of the resolution in relation thereof. The Share Buy-back Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Bye-Laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company; and

LETTER TO SHAREHOLDERS

- (c) subject to the passing of the aforesaid ordinary resolutions of the Issue Mandate and the Share Buy-back Mandate, to extend the number of Shares to be issued and allotted under the Issue Mandate by an additional number representing such number of Shares bought back under the Share Buy-back Mandate.

9 GENERAL INFORMATION

CHINA KANGDA FOOD COMPANY LIMITED

Chairman and CEO

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Share Buy-back Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Hong Kong Listing Rules which is set out as follows:

1. SHARES IN ISSUE

As at the Latest Practicable Date, there was a total of 432,948,000 Shares in issue. Subject to the passing of the resolution granting the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back during the period from the Latest Practicable Date to the date of the Annual General Meeting, the Company will be allowed under the Share Buy-back Mandate to buy back a maximum of 43,294,800 Shares, being 10% of the total number of Shares in issue as at the date of the passing of the relevant resolution at the Annual General Meeting.

2. REASONS FOR SHARE BUY BACK

The Directors have no present intention to buy back any Shares but consider that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as a whole as such buy back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earning per Share and will only be made when the Directors believe that such a buy back will benefit the Company and the Shareholders as a whole.

As compared with the financial position of the Company as at 31 December 2017 (as disclosed in its latest audited financial statements for the year ended 31 December 2017), the Directors consider that there would not be any material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed buy back were to be carried out in full during the proposed buy back period. In the circumstances, the Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would have a material adverse impact on the working capital or gearing ratio of the Company.

3. FUNDING OF BUY BACK

The Company is empowered by its Bye-Laws to buy back its Shares. In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with the Bye-Laws, the Hong Kong Listing Rules, the applicable laws in Bermuda and any other applicable laws. Under the applicable laws in Bermuda, payment for a share buy back by the Company may only be made out of profits, the share premium account or the proceeds of a new issue of Shares made for such purpose or out of capital of the Company. The amount of premium payable on a buy back of Shares may only be paid out of either or both of the profits or out of the share premium of the Company or out of capital of the Company.

In addition, under the applicable laws in Bermuda, payment out of capital by a company for the purchase by a company of its own shares is unlawful unless immediately following the date on which the payment is proposed to be made, the company shall be able to pay its debts as they fall due in the ordinary course of business. In accordance with the applicable laws in Bermuda, the shares so bought back would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

4. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates (as defined in the Hong Kong Listing Rules), have any present intention to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

No core connected person of the Company (as defined in the Hong Kong Listing Rules) has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Share Buy-back Mandate is granted by the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the SEHK that, so far as the same may be applicable, they will exercise the powers of the Company to make buy backs pursuant to the Share Buy-back Mandate and in accordance with the Hong Kong Listing Rules, the Bye-Laws and the applicable laws in Bermuda.

6. EFFECT OF TAKEOVERS CODE AND ON MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Share Buy-back Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, China Tian Yuan Manganese Limited had interests representing 5% or more of the issued share capital of the Company:

Name	Shares held	Nature of interest	Approximate percentage of total issued Shares	
			As at the Latest Practicable Date	If Share Buy-back Mandate is exercised in full
China Tian Yuan Manganese Limited (<i>Note</i>)	300,740,000	Registered and beneficial owner	69.46%	77.18%

Note: China Tian Yuan Manganese Limited is a wholly owned subsidiary of Ningxia Tianyuan Manganese Industry Co., Ltd, a corporation controlled by Mr. Jia Tianjiang. By virtue of the SFO, Ningxia Tianyuan Manganese Industry Co., Ltd, Mr. Jia Tianjiang and his spouse, Ms. Dong Jufeng are deemed to be interested in the 300,740,000 shares of the Company held by China Tian Yuan Manganese Limited.

On the basis of 432,948,000 Shares in issue as at the Latest Practicable Date and assuming there is no further issue or repurchases of Shares during the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, if the Share Buy-back Mandate were exercised in full, the number of issued Shares will decrease from 432,948,000 to 389,653,200 and the shareholding in the Company of China Tian Yuan Manganese Limited together with its associates would be increased from approximately 69.46% to approximately 77.18% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but would result in the aggregate amount of the issued share capital of the Company in the public hands being reduced to less than 25%. The Company has no intention to exercise the Share Buy-back Mandate to such extent that would give rise to an obligation to make a mandatory offer under the Takeovers Code or result in the amount of Shares held by the public falling below the prescribed minimum percentage required by the SEHK.

7. SHARE BUY BACKS BY THE COMPANY

The Company had not bought back any Shares (whether on the SEHK or otherwise) in the six months preceding the Latest Practicable Date.

8. SHARE PRICES

During each of the previous 12 months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the SEHK and SGX-ST were as follows:
