## **Creative Subsidiary ZiiLabs Settles Patent Infringement Lawsuit with Apple - Apple to take License for the ZiiLabs' Patents**

Creative Technology Ltd ("Creative") today announced that its wholly owned subsidiary, ZiiLabs Inc., Ltd ("ZiiLabs") has entered into an agreement with Apple to settle its patent infringement lawsuit filed in the United States against Apple in March 2014.

As part of the agreement, Apple will take a license for the ZiiLabs' patents. Creative expects the license payment will contribute approximately US\$0.23 of earnings per share to the current quarter ending 31 December 2015.
