INTRODUCTION

The Board is pleased to announce the Strategic Funding & Partnership Proposal, under which Gaw Capital, at the invitation of the Controlling Shareholder, will, through its managed funds, become a new long-term strategic investor in the Company. Gaw Capital is a well-regarded institutional real estate investor with a strong track record of investing in Asia and other major international markets.

Both the Controlling Shareholder and the Investor will contribute cash to capitalise Newco, and Newco will, through its subsidiaries, subscribe for the Rights Issue at the Subscription Price that is at a premium to the Closing Price. In addition, the Company will also issue a Senior Unsecured Note to the Note Subscriber, bringing the total cash raised for the Company to approximately HK\$1,992 million (before a discount on issue of the Senior Unsecured Note, and expenses).

OVERVIEW

The Company proposes to raise approximately HK\$1,992 million (before the discount on issue of the Senior Unsecured Note, and expenses) by way of the following, which are structured to facilitate the introduction of Gaw Capital as a strategic investor (through its managed funds) without any change of control in the Company, whilst allowing all Shareholders to also participate with the Investor in the Company's future growth:

1. **the proposed Rights Issue**, being a rights issue of 8,288,810,708 Rights Shares on the basis of 18 Rights Shares for every 10 Consolidated Shares held on the Record Date so as to raise aggregate proceeds of approximately HK\$1,492 million, before expenses, of which approximately HK\$1,158 million will be provided by Newco funded by Digisino and the Investor. Pursuant to the Irrevocable Undertaking, Newco has irrevocably undertaken to, and shall procure that Newco's subsidiaries or nominees (including the CCASS participant(s) holding any such Shares on behalf of any of them) to, amongst other things, (i) accept and take up in full a total of 4,661,272,854 nil-paid Rights Shares to be provisionally allotted or transferred to it/them, equivalent to approximately HK\$839 million; and (ii) apply (by way of excess application) for 1,774,724,996 Rights Shares, equivalent to approximately HK\$319 million. The remaining balance of approximately HK\$334 million is fully-underwritten by the Underwriter. For details of the Irrevocable Undertaking and the underwriting arrangement, please refer to the sections headed "Irrevocable Undertaking" and "THE RIGHTS ISSUE UNDERWRITING AGREEMENT" in this announcement.

The Subscription Price is set at HK\$0.1800 per Rights Share, which represents a premium of approximately 5.88% over the theoretical closing price of HK\$0.1700 per Consolidated Share based on the Closing Price, and a premium of approximately 2.04% over the theoretical ex-entitlement price of approximately HK\$0.1764 per Consolidated Share based on the theoretical closing price of HK\$0.1700 per Consolidated Share based on the Closing Price, to prevent price dilution; and

2. **the proposed Senior Unsecured Note**, being a 4-year senior unsecured note to be issued to the Note Subscriber, a special purpose vehicle owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.), by a wholly-owned subsidiary of the Company in a principal amount of HK\$500 million with an interest rate of 8.22% per annum.

The Board also proposes the Bonus Warrants Issue with the aim to further enhance Shareholders' participation in the Company's future development.

Under the proposed **Bonus Warrants Issue**, all Qualifying Shareholders will be entitled to receive Bonus Warrants on the basis of one (1) Bonus Warrant for every ten (10) Consolidated Shares (or every twenty (20) Existing Shares prior to the Share Consolidation) held on the Record Date. Holders of the Bonus Warrants will be entitled to subscribe for Bonus Warrant Shares at an initial Warrant Subscription Price of HK\$0.22, subject to adjustment, at any time before the Warrant Expiry Date.

In connection with the Strategic Funding & Partnership Proposal, among other things, the following were entered into on 23 January 2025 (before trading hours of the Stock Exchange):

1. a Subscription Agreement and a Shareholders Agreement amongst Digisino, the Investor and Newco:

Pursuant to the Subscription Agreement, Digisino will contribute all its presently-held Existing Shares in the Company by transferring the entire issued share capital of Earnest Equity to Newco. This contribution consists of all 5,179,192,062 Existing Shares controlled by Mr. Chung, representing in aggregate approximately 56.24% of the Company's total issued share capital as at the date of this announcement. Digisino and the Investor will provide Newco loans of HK\$400 million and approximately HK\$758 million, respectively. The Subscription Agreement further provides that, on completion of the Rights Issue, the respective loans shall be converted into shares of Newco proportionate to the Rights Shares to be held by Newco indirectly via Earnest Equity and Golden Boost, with Mr. Chung continuing to maintain statutory and Takeovers Code control over Newco. Pursuant to the Shareholders Agreement, the Investor has a right to nominate one director to the board of directors of Newco. Should the Rights Issue not proceed or should the excess application only be partially accepted, the Loan Funds, or the residual amount of the Loan Funds, will be repaid to the respective parties.

The funds thus injected to Newco will be fully applied (net of expenses) towards taking up all nil-paid shares provisionally allotted under the Rights Issue to or for the benefit of Earnest Equity and Golden Boost and the funding of the excess application.

Pursuant to the Shareholders Agreement, Digisino and the Investor have agreed, amongst other terms, that during the term of the Shareholders Agreement: (i) the Investor and its affiliates shall not acquire or dispose of any Shares without the prior written consent of Digisino; and (ii) Digisino will make all decisions as to how votes attached to the Shares directly or indirectly held by Newco are to be cast. The Shareholders Agreement further provides a lock-up period of five (5) years from the date of the Shareholders Agreement, during which the Investor may request the disposal of Shares held by Golden Boost after four (4) years;

2. a letter of undertaking by Digisino, Newco and the Company in favour of the Investor pursuant to which, among other things, (i) Digisino and Newco agreed and undertook to, with effect from the Strategic Funding & Partnership Proposal Completion Date and for so long as the Investor remains a shareholder of Newco, use their respective best endeavours, by exercising or procuring the exercise of all of their and Mr. Chung's votes at the board of directors (subject to his fiduciary duties) and the general meetings at their subsidiaries' level and at the Company level, to procure the appointment of one individual to be nominated by the Investor as a non-executive Director; and (ii) the Company undertook to do all such things necessary for such appointment; and
3. the Note Subscription Agreement.

Further to the Strategic Funding & Partnership Proposal, the Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size have been proposed. Given the current trading price of the Existing Shares is below HK\$0.1 and the value per board lot is considerably less than HK\$2,000, the Board proposes the Share Consolidation under which every two (2) Existing Shares of par value HK\$0.008 each will be consolidated into one (1) Consolidated Share of par value HK\$0.016. Following this, the board lot size for trading will change from 10,000 Existing Shares to 20,000 Consolidated Shares per board lot. The fund-raising elements of the Strategic Funding & Partnership Proposal will be executed after the Share Consolidation and the Change in Board Lot Size have become effective.

RATIONALE OF THE PROPOSAL AND EXPECTED BENEFITS

The Company reported a consolidated loss for the 2024 financial year and the interim period ended 30 September 2024, being the Company's first reported annual and interim losses since Mr. Chung acquired control of the Company in 2004. Considering the uncertain capital markets environment and significant downturn of the real estate sector in Hong Kong, the Board has been actively seeking longer-term funding to reposition the Group's balance sheet and in particular, to provide a safety margin to the Group's upcoming debt due.

The following are principal factors considered in arriving at the structure and terms of the Strategic Funding & Partnership Proposal:

- (a) the Group's requirement of up to HK\$2,000 million to strengthen its liquidity and financial stability and enable it to repay the Group's maturing indebtedness and for working capital;

- (b) the formation of Newco and its related arrangements to anchor the commitment of the Investor while allowing sufficient capital from the Investor to be injected into the Company such that Mr. Chung's control of the Company will be maintained without any obligation to make a mandatory general offer under the Takeovers Code (subject to the Waiver being granted by the SFC), and at the same time ensuring the Group's ongoing compliance with the covenants of its existing banking facilities, based on its Business Plans to deleverage and target HK\$9,000 million property sales to enhance Shareholders' value;
- (c) the Rights Issue will allow Shareholders to participate fairly pro rata to their existing shareholdings in the Company and avoid equity dilution by discounted share placements or, issue of equity or quasi-equity instruments to third parties;
- (d) avoiding dilution for existing Shareholders by pricing the Rights Shares at a premium to the Closing Price; and
- (e) to structure the transaction such that funds to be raised through the Rights Issue and the Senior Unsecured Note satisfies (a) to (d) above.

Expected Benefits

The investment by Gaw Capital, through its managed funds, together with the Controlling Shareholder's new cash commitment will bring much needed equity capital and also potentially bring new opportunities in the future.

The Directors (except the members of the Independent Board Committee whose view will be expressed in the Circular after considering the opinion of the Independent Financial Adviser) consider the Proposal to be a milestone for the Company, positioning it for growth. Having Gaw Capital, through its managed funds, as the Company's long-term strategic investor and business partner, the Company will be well positioned to gain access to the business and funding opportunities that Gaw Capital brings.

The Board is aware of the significant discount of the market price of the Company's Shares to the NAV and anticipates to work with Gaw Capital in reducing this discount given its institutional perspectives and expertise across different international markets. The Directors are confident that Gaw Capital will, through its managed funds, enhance shareholder value, together with the Company's management, which has delivered sustained reported profits (except for the last annual and interim results) since taking control of the Company in 2004.

The Strategic Funding & Partnership Proposal is consistent with the Company's stated objectives in its interim results announcement dated 28 November 2024, including prudent risk management and optimising the Company's capital structure to ensure adequate liquidity for debt obligations and potential future opportunities.

The Board is committed to further enhancing the Company's capital structure. Should favourable market conditions present themselves, the Company plans to potentially leverage both equity and debt capital markets with the aim of strengthening further its balance sheet.

INTENDED USE OF PROCEEDS

The Strategic Funding & Partnership Proposal is expected to generate additional liquidity of approximately HK\$1,992 million, before the discount on issue of the Senior Unsecured Note, and expenses, to strengthen the Company's financial position. As at the date of this announcement, the Board intends to apply the net proceeds from the Proposal as follows: (i) HK\$800 million (including all proceeds under the Senior Unsecured Note) to refinance and/or repay indebtedness; and (ii) the remaining balance towards working capital requirements, which shall in turn enhance the Company's financial position.

FUTURE INTENTION AND BUSINESS PLANS – TO DELEVERAGE AND TARGET HK\$9,000 MILLION PROPERTY SALES TO ENHANCE SHAREHOLDERS' VALUE

As disclosed in the Company's interim results announcement on 28 November 2024, the Board will continue to improve and secure the Company's liquidity and financial standing, so as to cover its maturing liabilities as they fall due and provide working capital for future business plans. In the future, the Board will review various business plans and opportunities that align with the Company's strategic objectives and its current growth trajectory. These plans, which are by no means exhaustive, and are subject to market conditions, include the following:

- de-leverage the balance sheet of the Group to a more sustainable level;
- continue with the Group's current sales programme, targeting to achieve at least HK\$9,000 million in sales (based on a gross asset value attributable to the Group) within the next four (4) financial years ending 31 March 2029 to generate sufficient funds for debt repayment and to monetise its property portfolio, with the aim of reducing the disparity between the Company's consolidated NAV and the trading price of the Shares. In the event that the aforementioned sales target is not met, the Group will seek to increase its sales efforts to close the gap;
- conduct business as usual but with a heightened strategic focus on exploring ways to reduce the discount of the trading price of the Shares to their attributable NAV, aiming to attract a market revaluation of the trading price of the Shares for the benefit of the Shareholders; and
- not engage in new significant investments or acquisitions without first obtaining approval from an investment committee, which will be established subsequent to the completion of the Strategic Funding & Partnership Proposal.

INFORMATION ON THE INVESTOR, THE NOTE SUBSCRIBER AND GAW CAPITAL

The Investor and the Note Subscriber are special purpose vehicles formed to invest in the Company (through the Rights Issue and the Senior Unsecured Note, respectively). They are each owned by a consortium of institutional investors led by Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P., a limited partnership established in Singapore and engaged principally in investment in any direct or indirect interests relating to real estate assets and non-real estate related assets or operations in Asia Pacific). Gaw Capital is a private equity fund management company focusing on real estate and private equity markets in Asia Pacific and other high barrier-to-entry markets globally. The firm's investments span the entire spectrum of real estate sectors, including residential development, offices, retail malls, hospitality, logistics warehouses and internet data centre projects.

IMPLICATIONS UNDER THE TAKEOVERS CODE AND THE LISTING RULES

The acquisition of more than 30% of the voting rights in the Company by Newco as a result of the Subscription Agreement will trigger an obligation to make a mandatory general offer for all the issued shares of the Company pursuant to the Notes to Rule 26.1 of the Takeovers Code, unless a waiver is granted by the SFC.

In this regard, the Company has been informed by Mr. Chung that Newco has applied for a waiver from the obligation to make a mandatory general offer pursuant to Note 6(a) to Rule 26.1 of the Takeovers Code in relation to the transactions contemplated under the Strategic Funding & Partnership Proposal.

The transactions contemplated under the Strategic Funding & Partnership Proposal are subject to the granting of such a Waiver by the SFC and the Company will issue an announcement upon receipt of the SFC's decision.

In accordance with LR7.19A(1) and LR7.27A(1), as the Rights Issue will increase the total number of issued Consolidated Shares of the Company by more than 50% within the 12 months period immediately preceding the date of this announcement (after taking into account the effect of the Authorised Share Capital Increase), the Rights Issue is thus conditional upon Independent Shareholders' approval at the SGM.

Pursuant to LR7.27A, Earnest Equity, Newco and their respective associates will be required to abstain from voting in favour of the resolution(s) relating to the Rights Issue.

At the invitation of the Controlling Shareholder, the Investor agreed to acquire material equity interests in Newco through entering into the Subscription Agreement and the Shareholders Agreement in respect of the Strategic Funding & Partnership Proposal with Digisino and Newco, both of which are controlled by Mr. Chung and therefore connected persons of the Company. The Investor is treated as a connected person of the Company under LR14A.20, and so is the Note Subscriber, which is also owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.). Given that the Facilitation Agreement and the Note Subscription Agreement are entered into in association with each other as parts of the Strategic Funding & Partnership Proposal, the transactions contemplated thereunder will be treated as connected transactions of the Company subject to Independent Shareholders' approval under Chapter 14A of the Listing Rules. Shareholders with a material interest in the transactions contemplated are required to abstain from voting on the relevant resolution at the SGM.

As at the date of this announcement, Mr. Chung beneficially owns (directly and indirectly) 5,179,192,062 Existing Shares in the Company (approximately 56.24% of the total issued share capital of the Company). Therefore, Mr. Chung and his associates, including Kan Sze Man, who is interested in 23,790,500 Existing Shares, representing approximately 0.26% of the entire issued share capital of the Company, are required to abstain from voting in favour of the resolution(s) in relation to the Rights Issue, Note Subscription Agreement, and Facilitation Agreement and transactions contemplated thereunder at the SGM.

The Independent Board Committee (comprising Mr. Cheng Yuk Wo, Mr. Shek Lai Him, Abraham and Mr. Lo Wing Yan, William, each being an independent non-executive Director) has been established to advise Independent Shareholders in respect of the terms of the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement. The Independent Financial Adviser has been appointed to advise the Independent Board Committee and Independent Shareholders as to whether the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement are on normal commercial terms, fair and reasonable and in the interests of Company and the Shareholders as a whole.

As at the date of this announcement, Newco is 99.99% owned by Mr. Chung (with the remaining 0.01% owned by the Investor).

The Bonus Warrants will be issued pursuant to a specific mandate to be sought at the SGM. In addition, the issue of the Bonus Warrants will require approval by the Stock Exchange pursuant to LR15.02 and the listing of, and permission to deal in, Bonus Warrant Shares will require approval by the Stock Exchange.

DESPATCH OF CIRCULAR AND PROSPECTUS DOCUMENTS

A Circular containing, among other things, (i) further details of the Strategic Funding & Partnership Proposal, including the Rights Issue, the Facilitation Agreement, the Rights Issue Underwriting Agreement and the Note Subscription Agreement; (ii) further details of the Bonus Warrants Issue; (iii) further details of the proposed Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size; (iv) a letter of recommendation from the Independent Board Committee in respect of the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement; (v) a letter of advice from the Independent Financial Adviser to the Independent Board Committee and Independent Shareholders in regard to the aforesaid; (vi) other information required under the Listing Rules; and (vii) a notice convening the SGM, is expected to be despatched to the Shareholders (including Non-Qualifying Shareholders) within 15 Business Days from the date of this announcement pursuant to LR14A.68(11).

I. OVERVIEW – INVITATION BY THE CONTROLLING SHAREHOLDER TO GAW CAPITAL TO BECOME A CO-INVESTOR IN NEWCO FOR THE RIGHTS ISSUE THROUGH ITS MANAGED FUNDS

The Board is pleased to announce the Strategic Funding & Partnership Proposal under which, Gaw Capital, at the invitation of the Controlling Shareholder, will, through its managed funds, become a new long-term strategic investor in the Company. Gaw Capital is a well-regarded institutional real estate investor with a strong track record of investing in Asia and other major international markets.

The Board considers the invitation by the Controlling Shareholder to Gaw Capital to become a co-investor in Newco, through its managed funds, to partly fund the Rights Issue at a Subscription Price that is at a premium to the Closing Price and the Note Subscriber's direct subscription of the Senior Unsecured Note to be a sound financial solution to address the Company's immediate liquidity needs, in comparison to other less favourable alternatives in the current market environment.

The Strategic Funding & Partnership Proposal

To facilitate the introduction of Gaw Capital as a strategic investor (through its managed funds) and allowing Shareholders to participate in the Company's future growth, Digisino, the Investor, and the Company have agreed to the Strategic Funding & Partnership Proposal with a view to raising aggregate proceeds of approximately HK\$1,992 million (before the discount on issue of the Senior Unsecured Note, and expenses) involving:

1. **the proposed Rights Issue**, being a rights issue of 8,288,810,708 Rights Shares on the basis of 18 Rights Shares for every 10 Consolidated Shares held on the Record Date at a premium to the Closing Price to raise aggregate gross proceeds of approximately HK\$1,492 million, before expenses, of which approximately HK\$1,158 million has been committed under the Irrevocable Undertaking. Pursuant to the Irrevocable Undertaking, Newco has irrevocably undertaken to, and shall procure that Newco's subsidiaries or nominees (including the CCASS participant(s) holding any such Shares on behalf of any of them) to, amongst other things, (i) accept and take up in full a total of 4,661,272,854 nil-paid Rights Shares to be provisionally allotted or transferred to it/them, equivalent to approximately HK\$839 million; and (ii) apply (by way of excess application) for 1,774,724,996 Rights Shares, equivalent to approximately HK\$319 million. The remaining balance of approximately HK\$334 million is fully underwritten by the Underwriter. For details of the Irrevocable Undertaking and the underwriting arrangement, please refer to the sections headed "Irrevocable Undertaking" and "THE RIGHTS ISSUE UNDERWRITING AGREEMENT" of this announcement.

The Subscription Price is set at HK\$0.1800 per Rights Share, which represents a premium of approximately 5.88% over the theoretical closing price of HK\$0.1700 per Consolidated Share based on the Closing Price, and a premium of approximately 2.04% over the theoretical ex-entitlement price of approximately HK\$0.1764 per Consolidated Share based on the theoretical closing price of HK\$0.1700 per Consolidated Share based on the Closing Price, reflecting intention that the Rights Issue should not be price dilutive. For more details of the Rights Issue, please refer to the section headed "THE RIGHTS ISSUE" in this announcement; and

2. **the proposed Senior Unsecured Note**, being a 4-year senior unsecured note to be issued to the Note Subscriber by the Note Issuer in a principal amount of HK\$500 million on normal commercial terms with an interest rate of 8.22% per annum. For details of the Note Subscription Agreement, please refer to the section headed “ISSUE OF THE SENIOR UNSECURED NOTE” of this announcement.

In addition to the Rights Issue and the Senior Unsecured Note, the Board also proposes the **Bonus Warrants Issue** alongside the Strategic Funding & Partnership Proposal with the aim to further enhance Shareholders’ participation in the Company’s future development.

Under the proposed Bonus Warrants Issue, all Qualifying Shareholders will be entitled to receive Bonus Warrants on the basis of one (1) Bonus Warrant for every ten (10) Consolidated Share held on the Record Date. Holders of the Bonus Warrants will be entitled to subscribe for Consolidated Shares at an initial Warrant Subscription Price of HK\$0.22, subject to adjustment, at any time before the Warrant Expiry Date. Please refer to the section headed “PROPOSED BONUS WARRANTS ISSUE” of this announcement for more details of the Bonus Warrants Issue.

Formation of Newco, the Subscription Agreement and the Shareholders’ Agreement

In connection with the Strategic Funding & Partnership Proposal, the Subscription Agreement and the Shareholders Agreement were entered into on 23 January 2025 (before trading hours of the Stock Exchange) amongst Digisino, the Investor and Newco.

At present, Mr. Chung beneficially owns (directly and indirectly) 5,179,192,062 Existing Shares in the Company (approximately 56.24% of the total issued share capital of the Company), of which the beneficial interest in 3,045,000 Existing Shares, representing approximately 0.03% of the total issued share capital of the Company, is held directly by Mr. Chung, and the beneficial interest in 5,176,147,062 Existing Shares (representing approximately 56.20% of the total issued share capital in the Company) is held through Earnest Equity, a company indirectly wholly-owned by Mr. Chung.

The following diagram sets out the current shareholding structure in respect of the ownership and control of the Company by Mr. Chung, as the ultimate beneficial owner of Earnest Equity:

Pursuant to the Subscription Agreement, Digisino will transfer to Newco the entire issued share capital of Earnest Equity to Digisino and Mr. Chung will transfer all Shares he personally holds to Earnest Equity and Golden Boost.

Digisino and the Investor agreed to provide Newco loans of HK\$400 million and approximately HK\$758 million (together, the “**Loan Funds**”), respectively, to fund the obligation of Earnest Equity and Golden Boost, respectively, to participate in the Rights Issue upon obtaining all relevant approvals and passing of resolutions in relation to the transactions contemplated by the Strategic Funding & Partnership Proposal.

The Subscription Agreement further provides that, on completion of the Rights Issue, the Loan Funds shall be converted into shares in Newco proportionate to the Rights Shares to be held by Newco indirectly via Earnest Equity and Golden Boost respectively, with Mr. Chung continuing to maintain statutory and Takeovers Code control over Newco. Prior to completion of the Rights Issue, the Investor will hold less than 1% of the issued shares in Newco.

The boards of (i) Newco, (ii) Earnest Equity; and (iii) Golden Boost will each comprise not less than three directors, respectively. The Investor has the right to appoint one director to each board, while Mr. Chung, through Digisino, has the right to appoint an unlimited of persons as directors, to ensure that at all times Mr. Chung remains in control of the underlying shares in the Company.

Should the Rights Issue not proceed or should the excess application by Golden Boost only be partially accepted, the Loan Funds, or the residual amount of the Loan Funds, will be repaid to the respective parties.

The following diagram sets out the shareholding structure in respect of the ownership and control of the Company by Mr. Chung immediately after completion of the Rights Issue:

Notes:

1. Assuming the excess application for 1,774,724,996 excess Rights Shares to be applied for by Golden Boost is fully accepted, Mr. Chung's beneficial shareholding in Newco will be approximately 53% and the Investor's beneficial shareholding in Newco will be approximately 47%.
2. Represents 2,589,586,031 Consolidated Shares held by Earnest Equity (based on the 5,179,172,062 Existing Shares it will beneficially hold after completion of the Subscription Agreement) and the 2,222,222,222 Rights Shares to be taken up using the HK\$400 million loan provided by Digisino (which will in turn be funded by Mr. Chung).
3. Represents 10,000 Consolidated Shares (or 20,000 Existing Shares) which Golden Boost will hold after completion of the Subscription Agreement and the 2,439,050,632 Rights Shares which will be taken up by Golden Boost using the approximately HK\$439 million loan provided by the Investor.
4. After applying approximately HK\$439 million to take up the remaining 2,439,050,632 Rights Shares that are provisionally allotted for the benefit of the subsidiaries of Newco, the remaining approximately HK\$319 million loan provided by the Investor will be applied towards the excess application for no more than 1,774,724,996 excess Right Shares.
5. Pursuant to the irrevocable undertaking made by Mr. Kan Sze Man, he undertook not to take up accept any of 21,411,450 Rights Shares to be provisionally allotted to him or for his benefit under PALs pursuant to the Rights Issue and shall not apply for any excess Rights Shares under the EAF. For details of the irrevocable undertaking made by Mr. Kan Sze Man, please refer to the section headed "Irrevocable Undertaking" in this announcement. The 21,411,450 Rights Shares not to be accepted by Mr. Kan Sze Man have been assumed to be taken up by Newco's subsidiaries.

Pursuant to the Shareholders Agreement, Digisino and the Investor have agreed, amongst other terms, that during the term of the Shareholders Agreement: (i) the Investor and its affiliates shall not acquire or dispose of any Shares without the prior written consent of Digisino; and (ii) Digisino will make all decisions as to how votes attached to the Shares indirectly held by Newco are to be cast. The Shareholders Agreement further provides a lock-up period of five (5) years from the date of the Shareholders Agreement, during which the Investor may request the disposal of all the Shares directly held by Golden Boost after four (4) years.

Business Plans

As disclosed in the Company's interim results announcement on 28 November 2024, the Board will continue to improve and secure the Company's liquidity and financial standing, so as to cover its maturing liabilities as they fall due and provide working capital for future business plans. In the future, the Board will review various business plans and opportunities that align with the Company's strategic objectives and its current growth trajectory. These plans, which are by no means exhaustive, and are subject to market conditions, include the following:

- de-leverage the balance sheet of the Group to a more conservative level;

- continue with the Group's current sales programme, targeting to achieve at least HK\$9,000 million in sales (based on a gross asset value attributable to the Group) within the next four (4) financial years ending 31 March 2029 to generate sufficient funds for debt repayment and to monetise its property portfolio, with the aim of reducing the disparity between the Company's consolidated NAV and the trading price of the Shares. In the event that the aforementioned sales target is not met, the Group will seek to increase its sales efforts to close the gap;
- conduct business as usual but with a heightened strategic focus on exploring ways to reduce the discount of the trading price of the Shares to their attributable NAV, aiming to attract a market revaluation of the trading price of the Shares for the benefit of the Shareholders; and
- not engage in new significant investments or acquisitions without first obtaining approval from an investment committee, which will be established subsequent to the completion of the Strategic Funding & Partnership Proposal.

Continuity of Ownership and Management Control

By owning, through Digisino, approximately 53.31% of the total issued voting shares in Newco after the completion of the Rights Issue and conversion of the Loan Funds into voting shares of Newco, Mr. Chung will continue to maintain statutory control over the Company through Newco.

Thus, the implementation of the Proposal will not result in a change of management, leadership or control of the Company. The Board is encouraged by the financial support demonstrated by the Investor and its commitment to work with the Board and management to implement the Group's business and strategic plans going forward.

Rationale and Expected Benefits of the Proposal

The Company reported a consolidated loss for the 2024 financial year and the interim period ended 30 September 2024, being the Company's first reported annual and interim losses since Mr. Chung acquired control of the Company in 2004. Considering the uncertain capital markets environment and significant downturn of the real estate sector in Hong Kong, the Board has been actively seeking longer-term funding to reposition the Group's balance sheet and in particular, to provide a safety margin to the Group's upcoming debt repayment obligations.

The following are the principal factors considered in arriving at the structure and terms of the Strategic Funding & Partnership Proposal:

- (a) the Group's requirement of up to HK\$2,000 million to strengthen its liquidity and financial stability and enable it to repay the Group's maturing indebtedness and for working capital;
- (b) the formation of Newco and its related arrangements to anchor the commitment of the Investor while allowing sufficient capital from the Investor to be injected into the Company such that Mr. Chung's control of the Company will be maintained without any obligation to make a mandatory general offer under the Takeovers Code (subject to the Waiver being granted by the SFC), and at the same time ensuring the Group's ongoing compliance with the covenants of its existing banking facilities, based on its Business Plans to deleverage and target HK\$9,000 million property sales to enhance Shareholders' value;
- (c) the Rights Issue will allow Shareholders to participate fairly pro rata to their existing shareholding in the Company and avoid equity dilution by discounted share placements or, issue of equity or quasi-equity instruments to third parties;
- (d) avoiding dilution for existing Shareholders through pricing the Rights Shares at a premium to the Closing Price; and
- (e) to structure the transaction such that funds to be raised through the Rights Issue and the Senior Unsecured Note satisfies (a) to (d) above.

The Board considers that the Strategic Funding & Partnership Proposal has addressed all the above considerations and presents a fair proposal taking into account of the interests of the Shareholders and the investors of the Company.

Expected Benefits

The investment by Gaw Capital, through its managed funds, together with the Controlling Shareholder's new cash commitment, will bring much needed equity capital and also potentially bring new opportunities in the future.

The Directors (except the members of the Independent Board Committee whose view will be expressed in the Circular after considering the opinion of the Independent Financial Adviser) consider the Proposal to be a milestone for the Company, positioning it for growth. Having Gaw Capital become, through its managed funds, the Company's long-term strategic investor and business partner, the Company will be well positioned to gain access to the business and funding opportunities that Gaw Capital may bring.

The Board is aware of the significant discount of the market price of the Company's Shares to the NAV and anticipates to work with Gaw Capital in reducing this discount given its institutional perspectives and expertise across different international markets. The Directors are confident that the participation of Gaw Capital, through its managed funds, will enhance shareholder value together with the Company's management, which has delivered sustained reported profits (except for the last annual and interim results) since taking control of the Company in 2004.

The Strategic Funding & Partnership Proposal is consistent with the Company's stated objectives in its interim results announcement dated 28 November 2024, including prudent risk management and optimising the Company's capital structure to ensure adequate liquidity for debt obligations and potential future opportunities.

The Board is committed to further enhancing the Company's capital structure. Should favourable market conditions present themselves, the Company plans to potentially leverage both equity and debt capital markets with the aim of strengthening its balance sheet.

Intended Use of Proceeds

The Strategic Funding & Partnership Proposal is expected to generate additional liquidity through raising of approximately HK\$1,992 million, before the discount on issue of the Senior Unsecured Note, and expenses, to strengthen further the Company's financial position. As at the date of this announcement, the Board intends to apply the proceeds from the Proposal as follows (i) HK\$800 million (including all proceeds under the Senior Unsecured Note) to refinance and/or repay indebtedness; and (ii) the remaining balance towards working capital requirements, which in turn will enhance the Company's financial position and its ability to tap future financing from banks and public markets as opportunities arise.

Expected Timetable

The expected timetable for the Strategic Funding & Partnership Proposal set out below is for indicative purposes only and has been prepared on the assumption that the Waiver will be granted, and conditions of the Share Consolidation, Authorised Share Capital Increase, Change in Board Lot Size, Rights Issue and Bonus Warrants Issue will be fulfilled. All times and dates in this announcement refer to Hong Kong local times and dates. The expected timetable is subject to change, and any changes will be announced by the Company as and when appropriate.

II. THE RIGHTS ISSUE

The Company proposes to raise gross proceeds of approximately HK\$1,492 million by issuing 8,288,810,708 Rights Shares at the Subscription Price of HK\$0.18 per Rights Share on the basis of 18 Rights Shares for every 10 Consolidated Shares held on the Record Date.

Subject to fulfilment of the conditions of the Rights Issue, the Rights Issue will be underwritten by the Underwriter. The Rights Issue will be made available to Qualifying Shareholders and will not be extended to Non-Qualifying Shareholders.

The principal terms of the Rights Issue are set out below:

Rights Issue Statistics

Basis of the Rights Issue:	18 Rights Shares for every 10 Consolidated Shares held by Qualifying Shareholders at the close of business on the Record Date and so in proportion for any other number of whole multiples of ten (10) Consolidated Shares then held.
	Shareholders will be allotted nil-paid Rights Shares strictly based on whole multiples of ten (10) Consolidated Shares held. Accordingly, Qualifying Shareholders with fewer than 10 Consolidated Shares will not be allotted any Rights Share.
Subscription Price:	HK\$0.18 per Rights Share
Number of Existing Shares in issue as at the date of this announcement:	9,209,789,676 Existing Shares
Number of Consolidated Shares in issue upon the Share Consolidation becoming effective:	4,604,894,838 Consolidated Shares
Maximum number of Rights Shares to be issued under the Rights Issue:	8,288,810,708 Rights Shares ^(Note 1)

Undertaken Shares:	A total of 6,435,997,850 Rights Shares (assuming there is no change in the number of Shares in issue on or before the Record Date other than the Share Consolidation) comprising: (a) 4,661,272,854 Rights Shares to be provisionally allotted to or for the benefit of the relevant subsidiaries of Newco; and (b) 1,774,724,996 excess Rights Shares to be applied for by Golden Boost as a Qualifying Shareholder following the completion of the Subscription Agreement on an EAF
Number of Rights Shares underwritten:	1,852,812,858 Rights Shares (assuming no Shares will be issued or repurchased by the Company on or before the Record Date), being 8,288,810,708 Rights Shares minus the 6,435,997,850 Undertaken Shares
Total number of issued Consolidated Shares as enlarged by the allotment and issue of the Rights Shares (assuming the Rights Issue is fully taken up):	12,893,705,546 Consolidated Shares ^(Note 1)
Amount to be raised before expenses (assuming the Rights Issue is fully taken up):	Approximately HK\$1,492 million ^(Note 1)
Rights of excess applications:	Qualifying Shareholders may apply for Rights Shares in excess of their provisional allotments

Note:

1. Assuming no change in the total number of issued Existing Shares or Consolidated Shares (as the case may be) on or before the Record Date.

Under the Rights Issue, the Company proposes to provisionally allot 8,288,810,708 Rights Shares (assuming no change in the total number of issued Existing Shares or Consolidated Shares (as the case may be) on or before the Record Date), representing approximately 180.00% of the total issued Consolidated Shares and approximately 64.29% of the total issued Consolidated Shares as enlarged by the Rights Shares after the Share Consolidation becomes effective. Assuming the Share Consolidation becomes effective and the completion of the Rights Issue, the aggregate nominal value of the Rights Shares will be approximately HK\$132.62 million.

Subject to the passing of the necessary resolutions to approve the Share Consolidation, Authorised Share Capital Increase and the transactions contemplated by the Strategic Funding & Partnership Proposal at the SGM expected to be held on Thursday, 6 March 2025, the Company proposes to grant one (1) Bonus Warrant to holders of every ten (10) Consolidated Shares and so in proportion for any integral multiple of 10 Consolidated Shares then held. Please refer to the section headed “PROPOSED BONUS WARRANTS ISSUE” in this announcement for further details of the proposed grant of Bonus Warrants. As at the date of this announcement, the Company has no outstanding derivatives, options, warrants, conversion rights or other similar rights which are convertible or exchangeable into or confer any right to subscribe for Consolidated Shares.

The Board (except the members of the Independent Board Committee whose view will be expressed in the Circular after considering the opinion of the Independent Financial Adviser) considers that the Rights Issue is on normal commercial terms and is fair and reasonable so far as the Shareholders are concerned.

Subscription Price

The Subscription Price of HK\$0.1800 per Rights Share will be payable in full when a Qualifying Shareholder accepts the relevant provisional allotment of Rights Shares or, where applicable, applies for excess Rights Shares or when a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (i) a premium of approximately 5.88% over the theoretical closing price of HK\$0.1700 per Consolidated Share based on the Closing Price;
- (ii) a premium of approximately 5.14% over the average theoretical closing price of HK\$0.1712 per Consolidated Share based on the average closing price of HK\$0.0856 per Existing Share as quoted on the Stock Exchange for the last five (5) consecutive trading days up to and including the Last Trading Day;

- (iii) a premium of approximately 5.26% over the average theoretical closing price of HK\$0.1710 per Consolidated Share based on the average closing price of HK\$0.0855 per Existing Share as quoted on the Stock Exchange for the last ten (10) consecutive trading days up to and including the Last Trading Day;
- (iv) a premium of approximately 2.04% over the theoretical ex-entitlement price of HK\$0.1764 per Consolidated Share derived from the Closing Price of HK\$0.1700 per Consolidated Share;
- (v) a discount of approximately 93.54% to the latest published consolidated NAV of approximately HK\$2.7882 per Consolidated Share based on the consolidated NAV of the Company as at 30 September 2024 of approximately HK\$12,839.46 million as disclosed in the interim report of the Company for the six months ended 30 September 2024 and assuming that 4,604,894,838 Consolidated Shares are in issue as at the date of this announcement); and
- (vi) no theoretical dilution effect (as defined under LR7.27B of the Listing Rules) of the theoretical diluted price of approximately HK\$0.1769 per Consolidated Share to the benchmarked price of HK\$0.1712 per Consolidated Share (as defined under LR7.27B of the Listing Rules, taking into account the Closing Price and the average of the closing prices as quoted on the Stock Exchange for the last five (5) consecutive trading days prior to the date of this announcement of HK\$0.0856 per Existing Share).

The net price per Rights Share (i.e. the Subscription Price less costs and expenses incurred in the Rights Issue) to be received by the Company upon full acceptance of the provisional allotments of Rights Shares is estimated to be approximately HK\$0.1755 (assuming no change in the total number of issued Existing Shares or Consolidated Shares on or before the Record Date).

The Subscription Price was determined by the Company with reference to, among other things, (i) the intention that the Rights Issue should be non-price dilutive; (ii) the amount of funds the Company intends to raise under the Rights Issue; and (iii) the theoretical market price of the Consolidated Shares under the market conditions preceding and including the date of this announcement.

Qualifying Shareholders

The Company will send the Prospectus Documents to Qualifying Shareholders only. For Non-Qualifying Shareholders, the Company will send copies of the Prospectus to them for their information only, but no PAL or EAF will be sent to Non-Qualifying Shareholders. The Rights Issue will only be available to Qualifying Shareholders. To qualify for the Rights Issue, a Shareholder must be registered as a member of the Company and not be a Non-Qualifying Shareholder on the Record Date.

Shareholders whose Shares are held by nominee companies (or which are deposited in CCASS) should note that the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Shareholders with their Shares held by nominee companies (or which are deposited in CCASS) are advised to consider whether they would like to arrange for registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date. Shareholders should consult their professional advisers if they are in doubt.

In order to be registered as a member of the Company on the Record Date, a Shareholder must lodge the relevant transfer(s) of Share(s) (with the relevant share certificates) with the share registrar of the Company in Hong Kong by no later than 4:30 p.m. Wednesday, 12 March 2025.

The last day of dealings in the Shares on cum-entitlement basis is expected to be Monday, 10 March 2025. The Shares are expected to be dealt with on an ex-entitlement basis from Tuesday, 11 March 2025.

Qualifying Shareholders who do not take up the Rights Shares to which they are entitled, and Non-Qualifying Shareholders, should note that their shareholdings in the Company will be diluted.

Rights of the Overseas Shareholders

The Prospectus Documents are not intended to be registered under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholder(s) may not be eligible to take part in the Rights Issue as explained below.

In compliance with the requirements of the Listing Rules, the Company will make enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholder(s) (if any). If, based on legal opinions, the Directors consider that it is necessary or expedient not to offer the Rights Shares to the Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place(s) or the requirements of the relevant regulatory body or stock exchange in that (those) place(s), the Rights Issue will not be extended to such Overseas Shareholders. As at the date of this announcement, there is only one Overseas Shareholder, with a registered address situated in Canada.

The basis for excluding Non-Qualifying Shareholders(s), if any, from the Rights Issue will be set out in the Prospectus. The Company will send the Prospectus (without the PAL and EAF) and a letter explaining the circumstances in which Non-Qualifying Shareholders are not permitted to participate in the Rights Issue to Non-Qualifying Shareholders for their information only.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue, subject to the results of enquiries made by the Directors pursuant to LR13.36(2)(a) of the Listing Rules.

The Rights Issue will not constitute or form part of any offer or invitation to sell or issue, or any solicitation of any offer to acquire, nil-paid Rights Shares or fully-paid Rights Shares or to take up any entitlements to nil-paid Rights Shares or fully-paid Rights Shares in any jurisdiction in which such an offer or solicitation is unlawful. Shareholders and beneficial owners of the Shares (including, without limitation, their respective agents, custodians, nominees and trustees) should inform themselves of and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank pari passu in all respects with the Consolidated Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid, the record dates of which are on or after the date of allotment and issue of the fully-paid Rights Shares.

No fractional entitlements to the Rights Shares

Shareholders will be allotted nil-paid Rights Shares strictly based on whole multiples of ten (10) Consolidated Shares held on the Record Date. The Company will not provisionally allot or issue, and will not accept applications for, any fraction of the Rights Shares and the provisional allotments of Qualifying Shareholders will be rounded down to the nearest whole number. All fractions of Rights Shares will be aggregated. All nil-paid Rights Shares arising from such aggregation will be provisionally allotted (in nil-paid form) to a nominee and sold in the market for the benefit of the Company if a premium (net of expenses) can be obtained, and the Company will retain the proceeds from such sale. Any unsold Rights Shares arising from such aggregation will be made available for excess application by Qualifying Shareholders under the EAFs.

Odd Lot Arrangement

In order to facilitate the trading of odd lots of shares arising from the Share Consolidation and the Change in Board Lot Size or the Rights Issue, a designated broker will be appointed to provide odd lots matching services. Details of the odd lot arrangement will be provided in the Circular.

Application for excess Rights Shares

Qualifying Shareholders shall be entitled to apply, by way of excess application under the EAF(s), for additional Rights Share(s) in excess of their provisional allotments. Applications for excess Rights Shares may be made for:

- (i) any Rights Shares which would have been provisionally allotted to Non-Qualifying Shareholders had they been Qualifying Shareholders;
- (ii) any Rights Shares provisionally allotted to but not validly accepted by Qualifying Shareholders or otherwise subscribed for by renouncees or transferees of Rights Shares in nil-paid form; and
- (iii) any unsold Rights Shares created by aggregating fractions of Rights Shares in nil-paid form,

(i) to (iii) are collectively referred to as “**excess Rights Shares**”.

Pursuant to LR7.21(3)(a) of the Listing Rules, the Company will allocate the excess Rights Shares (if any) at their discretion but on a fair and equitable basis as far as practicable on the following principles:

- (i) any excess Rights Shares will be allocated to Qualifying Shareholders who apply for them on a pro rata basis by reference to the number of excess Rights Shares applied for;
- (ii) reference will only be made to the number of excess Rights Shares applied for and no reference will be made to the number of Rights Shares comprised in a Shareholder’s PAL or the number of Consolidated Shares held by a Qualifying Shareholder on the Record Date; and
- (iii) if the aggregate number of Rights Shares not taken up by Qualifying Shareholders and/or transferees of nil-paid Rights Shares under the PALs is greater than the aggregate number of excess Rights Shares applied for through the EAFs, the Company will allocate to each Qualifying Shareholder who applies for excess Rights Shares all excess Rights Shares applied for by Qualifying Shareholder.

In applying the above principles, reference will only be made to the number of excess Rights Shares being applied for. No preference will be given to topping up odd lots to whole board lots.

Qualifying Shareholders who wish to apply for excess Rights Shares in addition to their provisional allotments must complete the EAF in addition to the PAL.

Applications for excess Rights Shares can be made only by Qualifying Shareholders and only by duly completing and signing an EAF (in accordance with the instructions printed therein) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Company's share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, no later than 4:00 p.m. on Monday, 7 April 2025 or such later date as the Company may determine.

Pursuant to LR7.21(3)(b) of the Listing Rules, the Company will take steps to identify the excess applications made by Earnest Equity and/or its associates (collectively the "**Relevant Shareholders**"), whether in their own names or through nominees. The Company shall disregard excess applications made by the Relevant Shareholders to the extent that the total number of excess Rights Shares the Relevant Shareholders have applied for exceeds the maximum number equivalent to the total number of Rights Shares offered under the Rights Issue minus the number of Rights Shares taken up by the Relevant Shareholders under their provisional allotment of Rights Shares.

Shareholders with their Shares held by a nominee company (or which are deposited in CCASS) should note that the Board will regard such nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Accordingly, Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to beneficial owners individually save and except for the beneficial owner(s) which the Company may permit in its absolute discretion. Shareholders with their Shares held by a nominee company (or which are deposited in CCASS) are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names on or prior to the Record Date for the purpose of the Rights Issue. Shareholders should consult their professional advisors if they are in any doubt as to their status. Shareholders who would like to have their names registered on the register of members of the Company on the Record Date, must lodge all necessary documents with the Company's share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for registration no later than 4:30 p.m. on Wednesday, 12 March 2025.

Taxation

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the Bonus Warrants, nil-paid Rights Shares or the fully-paid Rights Shares and, regarding Non-Qualifying Shareholders, their receipt of the net proceeds, if any, from sales of the nil-paid Rights Shares on their behalf.

CCASS

The nil-paid Rights Shares and fully-paid Rights Shares will have the same board lot size as the Consolidated Shares.

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as may be determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbroker or other professional adviser for details of those settlement arrangement and how such arrangements will affect their rights and interests.

Procedures in respect of Rights Shares of Non-Qualifying Shareholders

Arrangements will be made for the Rights Shares which would otherwise have been provisionally allotted to Non-Qualifying Shareholders to be sold in the market in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence and before the last day for dealing in the nil-paid Rights Shares, if a premium (net of expenses) can be obtained.

Any net proceeds of sale thereof, after deduction of expenses, will be paid in Hong Kong dollars to Non-Qualifying Shareholders pro rata to their respective entitlements as at the close of business on the Record Date, provided that if any of such persons would be entitled to a sum not exceeding HK\$100, such sum will be retained by the Company for its own benefit. Any such unsold nil-paid Rights Shares to which such Non-Qualifying Shareholders would otherwise have been entitled will be made available for excess applications by Qualifying Shareholders under the EAFs.

Stamp duty and other applicable fees

Dealings in the Rights Shares (in both nil-paid and fully-paid forms) will be subject to payment of stamp duty, Stock Exchange trading fee, SFC transaction levy, and any other applicable fees and charges in Hong Kong.

Share certificates and refund cheques for the Rights Shares

Subject to the fulfilment or waiver (as applicable) of the conditions of the Rights Issue as set out below, share certificates for all fully-paid Rights Shares are expected to be posted to those entitled thereto by ordinary post to their registered addresses, at their own risks, on or before Tuesday, 15 April 2025. Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be despatched on or before Tuesday, 15 April 2025 to the applicants without interest at their registered addresses by ordinary post at their own risks.

If the Rights Issue does not become unconditional or does not proceed, the monies received in respect of the relevant provisional allotments and/or applications for excess Rights Shares (if any) will be refunded to Qualifying Shareholders or such other person to whom the Rights Shares in nil-paid form have been validly renounced or transferred or, in the case of joint acceptances, to the first-named person, without interest and by means of cheques despatched by ordinary post at the risk of such Qualifying Shareholders or such other person to their registered addresses by the Company's share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, on or before Tuesday, 15 April 2025.

Irrevocable Undertaking

Following the consolidation of Shares personally held by Mr. Chung into Earnest Equity and Golden Boost and the injection of Earnest Equity into Newco, Newco, through Earnest Equity and Golden Boost, will beneficially own 5,179,192,062 Existing Shares, representing approximately 56.24% of the currently issued Share capital of the Company.

- (c) if any Obligor fails to comply with any other provisions of the Finance Documents;
- (d) a representation or statement made or deemed to be made by any Obligor in the Finance Documents or other related documents delivered thereunder by an Obligor is or proves to have been incorrect or misleading in any material respect;
- (e) if an event of cross default occurs (including where the financial indebtedness of any member of the Group not paid when due, or a creditor of any member of the Group becomes entitled to declare financial indebtedness of any member of the Group due and payable prior to its specified maturity as a result of an event of default (however described) which is reasonably likely to have a material adverse effect, save where the financial indebtedness in aggregate is less than HK\$50 million);
- (f) if any Obligor or any material subsidiary of the Company is involved in any insolvency event or insolvency proceedings or creditors' process;
- (g) if any Obligor or material subsidiary of the Company fails to comply with or pay by the required time any sum due from it under any final judgment or any final order made or given by a court (unless it is discharged within 30 days); and
- (h) if any Obligor repudiates or purports to repudiate a Finance Document.

V. THE FACILITATION AGREEMENT

Date

23 January 2025 (before trading hours of the Stock Exchange)

Parties

- (i) The Company;
- (ii) The Investor

Background, Consideration and Basis of Determination

Pursuant to the Facilitation Agreement, the Company agreed, amongst other things, to pay or procure to pay the Investor an amount of HK\$22 million on the Strategic Funding & Partnership Proposal Completion Date.

The amount to be paid to the Investor was agreed by the Company in consideration of the Investor's contributions to the Company under the Strategic Funding & Partnership Proposal and agreeing to provide funding support under the Strategic Funding & Partnership Proposal.

The amount to be paid to the Investor was determined after arm's length negotiations between the Company and the Investor having taken into account, among other things, the overall difficulty and uncertainty faced by the Group in securing substantial amount of long-term funding in the current adverse market condition and high-interest rate economic environment, and the benefits that would be brought to the Group by the Strategic Funding & Partnership Proposal as explained in more detail in the section headed "Rationale and Expected Benefits of the Proposal" in this announcement.

The Board (except the members of the Independent Board Committee whose view will be expressed in the Circular after considering the opinion of the Independent Financial Adviser) considers that the Facilitation Agreement is on normal commercial terms and is fair and reasonable so far as the Shareholders are concerned.

Obligations

The Company shall use its best endeavours to implement the Strategic Funding & Partnership Proposal in accordance with the timetable and the Investor shall provide such co-operation and assistance to the Company as the Company may reasonably request in writing in connection therewith.

Except as otherwise required by applicable laws, the Company undertakes not to withdraw the Strategic Funding & Partnership Proposal or allow the transactions contemplated by the Strategic Funding & Partnership Proposal to lapse or procure their withdrawal without the prior written consent of the Investor.

Condition

The Company's obligation to pay the amount under the Facilitation Agreement is conditional on any waivers, consents, authorisations, clearances and approvals which are required under the Listing Rules and the Takeovers Code for the Facilitation Agreement and the transactions contemplated therein having been granted, fulfilled or given (as applicable), and all such waivers, consents, authorisations, clearances and approvals not having been revoked or withdrawn. The above condition cannot be waived.

Termination

If the Rights Issue is terminated the rights and obligations of the Investor and the Company under the Facilitation Agreement shall lapse and neither party shall have any claim against the other under or in connection with the Facilitation Agreement, save in respect of antecedent breaches of the Facilitation Agreement.

VI. PROPOSED BONUS WARRANTS ISSUE

The Board proposes, subject to the satisfaction of the conditions referred to below, to make the Bonus Warrants Issue to Qualifying Shareholders on the basis of one (1) Bonus Warrant for every ten (10) Consolidated Share (or every twenty (20) Existing Shares prior to the Share Consolidation) held on the Record Date and so in proportion for any other number of integral multiples of ten (10) Consolidated Shares then held.

Shareholders will receive Bonus Warrants strictly based on whole multiples of ten (10) Consolidated Share held. Accordingly, Qualifying Shareholders with fewer than ten (10) Consolidated Shares will not be entitled to any Bonus Warrant.

Specific Mandate

Bonus Warrants and Bonus Warrant Shares will be issued pursuant to a specific mandate to be sought at the SGM. As no Shareholders have any interest in the Bonus Warrants Issue that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Bonus Warrants Issue at the SGM.

Shares to be Issued Upon Exercise of the Bonus Warrants

Each Bonus Warrant will entitle the holder thereof to subscribe in cash for one (1) Bonus Warrant Share at a Warrant Subscription Price of HK\$0.22 (subject to adjustment). Based on the 9,209,789,676 issued Existing Shares at the date of this announcement and assuming that no further Shares will be issued or repurchased by the Company from the date of this announcement up to the Record Date, the maximum number of Bonus Warrants to be issued will be 460,489,483 Bonus Warrants and upon the full exercise of the Warrant Subscription Rights attaching to the Bonus Warrants, a maximum of 460,489,483 Bonus Warrant Shares will be issued, representing 10% of the number of issued Shares as at the date of this announcement, approximately 3.57% of the number of enlarged Consolidated Shares immediately after the Share Consolidation and Rights Issue, and approximately 3.45% of the Consolidated Shares as enlarged by the Rights Issue and the Bonus Warrant Shares to be issued upon the exercise of Warrant Subscription Rights attaching to all Bonus Warrants. The entitlement to the Bonus Warrants is non-renounceable. Based on the initial Warrant Subscription Price of HK\$0.22 per Bonus Warrant Share, the Company would receive total gross subscription monies of approximately HK\$101 million upon the exercise of all Bonus Warrants.

Shares which are allotted and issued on the exercise of the subscription rights attaching to the Bonus Warrants will rank *pari passu* in all respects with the then Shares in issue on the date of such allotment and issue.

Conditions of the Bonus Warrants Issue

The Bonus Warrants Issue is conditional upon (i) the passing at the SGM of the necessary resolutions to approve the issue of Bonus Warrants and Bonus Warrant Shares, Share Consolidation, Authorised Share Capital Increase and the transactions contemplated by the Strategic Funding & Partnership Proposal; and (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, Bonus Warrants and Bonus Warrant Shares. Neither of the above conditions can be waived.

Subscription Price and Subscription Period

The Bonus Warrants will be issued in registered form and each Bonus Warrant will entitle the holder thereof to subscribe in cash for 1 Bonus Warrant Share at an initial Warrant Subscription Price of HK\$0.22, subject to customary anti-dilutive adjustments typical in securities of this type in certain events, including, among other things, share consolidations, share subdivisions, capitalisation issues and capital distributions, at any time from the date of issue of the Bonus Warrants to Warrant Expiry Date, which is expected to be from Monday, 7 April 2025 to Wednesday, 7 April 2027 (both dates inclusive). A summary of the material terms of the Bonus Warrants will be set out in the Circular and the Prospectus.

The initial Warrant Subscription Price of HK\$0.2200 represents:

- (i) a premium of approximately 29.41% over the theoretical closing price per Consolidated Share of HK\$0.1700 based on the Closing Price;
- (ii) a premium of approximately 28.50% over the theoretical average closing price of HK\$0.1712 per Consolidated Share based on the closing price of HK\$0.0856 per Existing Share as quoted on the Stock Exchange for the last five (5) trading days up to and including the Last Trading Day;
- (iii) a premium of approximately 28.65% over the theoretical average closing price of HK\$0.1710 per Consolidated Share based on the closing price of HK\$0.0855 per Existing Share as quoted on the Stock Exchange for the last ten (10) trading days up to and including the Last Trading Day;
- (iv) a premium of approximately 28.35% over the theoretical average closing price of HK\$0.1714 per Consolidated Share based on the closing price of approximately HK\$0.0857 per Existing Share as quoted on the Stock Exchange for the last thirty (30) trading days up to and including the Last Trading Day; and
- (v) a premium of approximately 24.72% over the theoretical ex-entitlement price of approximately HK\$0.1764 per Consolidated Share based on the Closing Price.

The initial Warrant Subscription Price was determined with reference to the theoretical market price of the Consolidated Shares. The Directors consider the terms of the Bonus Warrants Issue, including the initial Warrant Subscription Price, to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Assuming all the Bonus Warrants are exercised, a maximum amount of gross proceeds and net proceeds of approximately HK\$101.31 million and HK\$99.36 million, respectively, will be raised. The net price per Bonus Warrant Share is therefore approximately HK\$0.2158. If Bonus Warrants and Bonus Warrant Shares are issued after the Share Consolidation has become effective and the satisfaction of the above condition, the maximum nominal value of all the Bonus Warrant Shares that may fall to be issued is approximately HK\$7.37 million.

Fractional Entitlements

Fractional entitlements to the Bonus Warrants (if any) will not be issued to Qualifying Shareholders but will, where practicable, be aggregated and sold in the market. The net proceeds of sale will be retained for the benefit of the Company.

Overseas Shareholders

The Bonus Warrants Issue will not be registered or filed under any securities legislation in any jurisdiction outside Hong Kong.

In determining whether it would be necessary or expedient to exclude from the Bonus Warrants Issue an Overseas Shareholder who is registered as a member of the Company on the Record Date, the Directors will make an enquiry regarding the legal restrictions under the laws of the relevant place and the requirements of the relevant regulatory body or stock exchange of the relevant place in which such Overseas Shareholder is residing. If the Directors are of the view that, after such enquiry, the exclusion of such Overseas Shareholder is necessary or expedient on account either of the legal restrictions under the laws of the relevant place or the requirements of the relevant regulatory body or stock exchange in that place, Bonus Warrants will not be granted to such Overseas Shareholder.

Bonus Warrants which would otherwise be issued to Non-Qualifying Shareholder(s) under the Bonus Warrants Issue will be sold in the market as soon as possible after the commencement of dealings in the Bonus Warrants, if a premium (net of expenses) can be obtained. Any net proceeds of sale, after deduction of expenses, will be distributed in Hong Kong dollars to such Non-Qualifying Shareholder(s) pro rata to their respective holdings of Shares. Remittance thereof will be posted to them, at their own risk, unless the amount falling to be distributed to such person(s) is less than HK\$100, in which case it will be retained for the benefit of the Company.

All Overseas Shareholders should consult their professional advisers as to whether or not they are permitted to participate in the Bonus Warrants Issue or whether any government or other consents are required, or other formalities need to be observed.

Reasons for the Bonus Warrants Issue

The Directors believe that the Bonus Warrants Issue will provide the Shareholders with an opportunity to participate in the growth of the Company.

Intended Use of Proceeds

As at the date of this announcement, the Board intends to use the proceeds from the Bonus Warrants Issue as working capital of the Company, which will enhance the Company's financial position.

Fundraising Activities of the Group in the Past Twelve Months

The Company has not conducted any fundraising activities by issue of equity securities in the twelve months immediately before the date of this announcement.

Listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares, the Rights Shares (in both their nil-paid and fully-paid forms), the Bonus Warrants and the Bonus Warrant Shares. No part of the securities of the Company in issue or for which listing or permission to deal is being or is proposed to be sought is listed or dealt in on any stock exchange other than the Stock Exchange.

The listing of the Bonus Warrants Issue will be conditional upon the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Bonus Warrants and the Bonus Warrant Shares.

Certificates for the Bonus Warrants and Board Lot

Subject to the satisfaction of the conditions to the Bonus Warrants Issue, it is expected that certificates for the Bonus Warrants will be despatched on or before Monday, 7 April 2025 at the risk of the Shareholders entitled thereto to their respective addresses shown on the register of members of the Company.

Dealings in the Bonus Warrants are expected to commence on the Stock Exchange on Tuesday, 8 April 2025. The Bonus Warrants are expected to be traded on the Stock Exchange in board lots of 20,000 Bonus Warrants.

Record Date and Closure of Register of Members

The last day for dealings in Shares cum-entitlements to the Bonus Warrants Issue will be Monday, 10 March 2025. In order to qualify for the Bonus Warrants Issue, all outstanding transfer of Shares should be lodged with the share registrar of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, not later than 4:30 p.m. on Wednesday, 12 March 2025.

VII. PROPOSED SHARE CONSOLIDATION, AUTHORISED SHARE CAPITAL INCREASE AND CHANGE IN BOARD LOT SIZE

Proposed Share Consolidation

Given the current trading price of the Existing Shares is below HK\$0.1 and the price per board lot is considerably less than HK\$2,000, the Board has considered the implications of LR13.64 and the "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (updated in June 2024).

As a result, the Board intends to put forward to the Shareholders to effect the Share Consolidation which involves the consolidation of every two (2) issued and unissued Existing Shares of par value of HK\$0.008 each into one (1) Consolidated Share of par value of HK\$0.016. Following the Share Consolidation, the board lot size for trading will change from 10,000 Existing Shares to 20,000 Consolidated Shares per board lot. The Strategic Funding & Partnership Proposal will be executed after the Share Consolidation and the Change in Board Lot Size become effective.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following:

- (i) the passing at the SGM of the necessary resolutions to approve the Share Consolidation, Authorised Share Capital Increase and transactions contemplated by the Strategic Funding & Partnership Proposal at the SGM;
- (ii) the compliance with all relevant procedures and requirements under the laws of Bermuda and Hong Kong (where applicable) and the Listing Rules to effect the Share Consolidation; and
- (iii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares.

As no Shareholders have any interest in the Share Consolidation that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Share Consolidation at the SGM. None of the above conditions can be waived.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$180,000,000 divided into 22,500,000,000 Existing Shares with par value of HK\$0.008 each, of which 9,209,789,676 Existing Shares have been issued and are fully paid or credited as fully paid.

Assuming no further Existing Shares will be issued or repurchased between the date of this announcement and the date of the SGM, immediately after the Share Consolidation becoming effective but before the completion of the Rights Issue, the authorised share capital of the Company will be HK\$180,000,000 divided into 11,250,000,000 Consolidated Shares with par value of HK\$0.016 each, of which 4,604,894,838 Consolidated Shares (all fully paid or credited as fully paid) will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares will rank pari passu in all respects with each other in accordance with the Company's bye-laws. No fractional Consolidated Shares will be issued by the Company to the Shareholders. Any fractional Consolidated Shares will be aggregated, and if possible, sold and with any proceeds retained for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Consolidated Shares regardless of the number of share certificates held by such holder.

Other than the relevant expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the interests or rights of the Shareholders, save for any fractional Consolidated Shares which may arise.

Other securities of the Company

The Company has no outstanding convertible securities, options or warrants in issue which are convertible or exchangeable into shares in the Company as at the date of this announcement.

Exchange of existing share certificates for certificates for Consolidated Shares

Subject to the Share Consolidation having become effective, Shareholders may, during the period from Monday, 10 March 2025 to Wednesday, 16 April 2025 (both dates inclusive), submit their share certificates for Existing Shares to the branch share registrar and transfer office of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, in exchange, at the expense of the Company, for new share certificates for the Existing Shares. Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Consolidated Shares at the expense of the Shareholders on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Consolidated Shares but will not be acceptable for trading, settlement and registration purposes.

The new share certificates for the Consolidated Shares will be issued in Red colour in order to distinguish them from the existing share certificates in Yellow colour.

Listing and Dealings

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as may be determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS.

Authorised Share Capital Increase

The Board also proposes the Authorised Share Capital Increase such that upon the Share Consolidation becoming effective, the authorised share capital of the Company be increased from HK\$180,000,000 divided into 11,250,000,000 Consolidated Shares of par value HK\$0.016 each to HK\$500,000,000 divided into 31,250,000,000 Consolidated Shares of par value HK\$0.016 each so as to make available sufficient authorised but unissued Consolidated Shares for the allotment and issue of other new Consolidated Shares under the Rights Issue and the exercise of the Bonus Warrants in the future.

The proposed Authorised Share Capital Increase is conditional upon the passing of the necessary resolutions to approve the Share Consolidation, Authorised Share Capital Increase and the transactions contemplated by the Strategic Funding & Partnership Proposal at the SGM. The above condition cannot be waived.

Subject to such condition being fulfilled, the proposed Authorised Share Capital Increase is expected to become effective when the Share Consolidation becomes effective.

Proposed Change in Board Lot Size

The Existing Shares are currently traded on the Stock Exchange in a board lot size of 10,000 Existing Shares. The Board proposes to change the board lot size for trading from 10,000 Existing Shares to 20,000 Consolidated Shares upon the Share Consolidation becoming effective.

Based on the Closing Price (equivalent to the theoretical closing price of HK\$0.1700 per Consolidated Share), (i) the value per board lot of 10,000 Existing Shares is HK\$850; and (ii) the value of each board lot of 20,000 Consolidated Shares will be HK\$3,400 assuming the Share Consolidation becoming effective.

The proposed Change in Board Lot Size is conditional upon the passing of the necessary resolutions to approve the Share Consolidation, Authorised Share Capital Increase and the transactions contemplated by the Strategic Funding & Partnership Proposal at the SGM. The above condition cannot be waived.

Reasons for the Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size

Pursuant to LR13.64 of the Listing Rules, where the market price of the share approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the listed issuer to either change the trading method or to proceed with a consolidation or splitting of the existing shares. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (and updated in June 2024) has further stated that (i) the market price of the share at a level less than HK\$0.10 each will be considered as trading at extremity as referred to under LR13.64 of the Listing Rules; and (ii) taking into account that the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

In view of the prevailing trading price of the Shares at a level below HK\$0.10 and the value per board lot being substantially less than HK\$2,000, the Board proposes that upon the Share Consolidation becoming effective, based on the Closing Price, the theoretical share price of the Company be adjusted to HK\$0.1700 per Consolidated Share. With a board lot size of 20,000 Consolidated Shares, the theoretical new board lot value would be HK\$3,400, which would enable the Company to comply with the trading requirements under the Listing Rules. The Share Consolidation will increase the nominal value of the Shares. Accordingly, the Share Consolidation will bring about a corresponding upward adjustment in the trading price per board lot of the Consolidated Shares on the Stock Exchange, which will reduce the overall transaction and handling costs of dealings in the Shares. As a result, the Share Consolidation would not only enable the Company to comply with the trading requirements under the Listing Rules, but should also attract more investors and hence broaden the Shareholder base.

The Authorised Share Capital Increase will give the Company sufficient authorised but unissued Consolidated Shares for the allotment and issue of other new Consolidated Shares under the Rights Issue, and the Bonus Warrant Shares on the exercise of the Bonus Warrants in the future.

The Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size will not have any material adverse effect on the financial position of the Company nor result in change in the relative rights of the Shareholders and are in the interests of the Company and the Shareholders as a whole.

As at the date of this announcement, save for the Share Consolidation, Authorised Share Capital Increase and proposed Rights Issue, the Company has no intention to carry out any corporate action or arrangement, including further share consolidation, share sub-division and capital reduction, in the next 12 months, which may have an effect of undermining or negating the intended purpose of the Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size.

XIII. IMPLICATIONS UNDER THE TAKEOVERS CODE AND THE LISTING RULES

Change of Shareholding Structure of the Company

The acquisition of more than 30% of the voting rights in the Company by Earnest Equity as a result of the Subscription Agreement will trigger an obligation to make a mandatory general offer for all the issued shares of the Company pursuant to Rule 26.1 of the Takeovers Code, unless the Waiver is granted by the SFC.

In this regard, the Company has been informed by Mr. Chung that Newco, has applied for the Waiver from the obligation to make a mandatory general offer pursuant to Note 6(a) to Rule 26.1 of the Takeovers Code in relation to the transactions contemplated under the Strategic Funding & Partnership Proposal.

The transactions contemplated under the Strategic Funding & Partnership Proposal are subject to the granting of such a Waiver by the SFC and the Company will issue an announcement upon receipt of the SFC's decision.

Proposed Share Consolidation and Authorised Share Capital Increase

The proposed Share Consolidation and Authorised Share Capital Increase are conditional upon the passing of an ordinary resolution by the Shareholders at the SGM.

As no Shareholders have any interest in the Share Consolidation and Authorised Share Capital Increase that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Share Consolidation and Authorised Share Capital Increase at the SGM.

The Strategic Funding & Partnership Proposal and proposed Bonus Warrants Issue

Proposed Rights Issue

In accordance with LR7.19A(1) and LR7.27A(1) of the Listing Rules, as the Rights Issue will increase the total number of issued Consolidated Shares of the Company by more than 50% within the 12 months period immediately preceding the date of this announcement (after taking into account the effect of the Authorised Share Capital Increase), the Rights Issue is thus conditional upon Independent Shareholders' approval at the SGM, and any controlling shareholders of the Company and their respective associates shall abstain from voting in favour of the resolution(s) in relation to the Rights Issue at the SGM. Pursuant to LR7.27A, Earnest Equity, Newco and their respective associates will be required to abstain from voting in favour of the resolution(s) relating to the Rights Issue.

The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with LR7.27B.

The Facilitation Agreement and Note Subscription Agreement

At the invitation of the Controlling Shareholder, the Investor agreed to acquire material equity interests in Newco through entering into the Subscription Agreement and the Shareholders Agreement in respect of the Strategic Funding & Partnership Proposal with Digisino and Newco, both of which are controlled by Mr. Chung and therefore connected persons of the Company. The Investor is treated as a connected person of the Company under LR14A.20, and so is the Note Subscriber, which is also owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.). Given that the Facilitation Agreement and the Note Subscription Agreement are entered into in association with each other as parts of the Strategic Funding & Partnership Proposal, the transactions contemplated thereunder will be treated as connected transactions of the Company subject to Independent Shareholders' approval under Chapter 14A of the Listing Rules.

Shareholders with a material interest in the transactions contemplated under the Note Subscription Agreement and the Facilitation Agreement are required to abstain from voting on the relevant resolution at the SGM.

As at the date of this announcement, Mr. Chung beneficially owns (directly and indirectly) 5,179,192,062 Existing Shares in the Company (approximately 56.24% of the total issued share capital of the Company). Therefore, Mr. Chung and his associates, including Kan Sze Man, who is interested in 23,790,500 Existing Shares, representing approximately 0.26% of the entire issued share capital of the Company, are required to abstain from voting in favour of the resolution(s) in relation to the Rights Issue, Note Subscription Agreement, and Facilitation Agreement and transactions contemplated thereunder at the SGM.

As at the date of this announcement, Newco is 99.99% owned by Mr. Chung (with the remaining 0.01% owned by the Investor).

Proposed Bonus Warrants Issue

The Bonus Warrants Issue will be issued pursuant to a specific mandate to be sought at the SGM. As no Shareholders have any interest in the Bonus Warrants Issue that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Bonus Warrants Issue at the SGM.

Pursuant to LR15.02(1) of the Listing Rules, Bonus Warrant Shares to be issued on exercise of Bonus Warrants must not, when aggregated with all other equity securities remaining to be issued on exercise of any other subscription rights, if all such rights were immediately exercised, whether or not such exercise is permissible, exceed 20% of the issued share capital of the Company at the time the Bonus Warrants are issued. Options granted under share option schemes which comply with Chapter 17 of the Listing Rules are excluded for the purpose of such limit.

As at the date of this announcement, there are no securities of the Company with subscription rights outstanding and not yet exercised and the Company does not have any legal or beneficial interest in any treasury Shares. Assuming there is no other issue or repurchase of the Shares, upon the full exercise of the subscription rights attaching to the Bonus Warrants, an aggregate of 460,489,483 Bonus Warrant Shares will be issued, representing approximately 10.00% of the existing issued share capital of the Company as at the date of this announcement, approximately 3.57% of the number of enlarged Consolidated Shares immediately after Share Consolidation and Rights Issue, and approximately 3.45% of the Consolidated Shares as enlarged by the Rights Issue and Bonus Warrant Shares to be issued upon the exercise of Warrant Subscription Rights attaching to all Bonus Warrants.

Accordingly, the issue of Bonus Warrants is in compliance with LR15.02(1) of the Listing Rules. The Company has no intention to transfer treasury Shares to satisfy the exercise of the Bonus Warrants.

The Independent Board Committee and the Independent Financial Adviser

The Independent Board Committee, comprising of Mr. Cheng Yuk Wo, Mr. Shek Lai Him, Abraham and Mr. Lo Wing Yan, William being all the independent non-executive Directors, has been established for the purpose of, among other things, advising Independent Shareholders in respect of the Rights Issue, Note Subscription Agreement and Facilitation Agreement and transactions contemplated thereunder.

The Independent Financial Adviser has been appointed by the Independent Board Committee to advise the Independent Board Committee and the Independent Shareholders on the Rights Issue, Note Subscription Agreement and Facilitation Agreement and transactions contemplated thereunder.
