Standard & Poors' affirms BBB- rating for AIMS AMP Capital Industrial REIT

Singapore, 4 May 2015 – The Board of Directors of AIMS AMP Capital Industrial REIT Management Limited (the Manager) as manager of AIMS AMP Capital Industrial REIT (the Trust) today announced that Standard & Poor's (S&P) had affirmed its investment grade rating of 'BBB-' for the Trust.

S&P said it expects AA REIT "to maintain its market position in Singapore's industrial property space and stable leverage and financial strength over the next 12-24 months, following the completion of several redevelopment projects in fiscal 2015".

"In our view, the REIT's completion of redevelopment projects for 20 Gul Way and 103 Defu Lane 10 in fiscal 2015 (year ended March 31, 2015) have strengthened its portfolio," according to S&P.

The Manager's Chief Executive Officer Mr Koh Wee Lih welcomed the S&P report which affirmed the Trust's rating assignment.

"This S&P report highlights our proven track record of active fund management and disciplined investment. The Trust is committed to unlock further value in the existing assets and grow the portfolio through opportunistic acquisitions," he said.

S&P categorised the Trust's business risk as satisfactory and its financial risk as intermediate.
