

NAN FUNG TREASURY (III) LIMITED
(Incorporated in the British Virgin Islands with limited liability)

CONDENSED INTERIM FINANCIAL INFORMATION

FOR THE SIX MONTHS ENDED

30TH SEPTEMBER 2023

**REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION
TO THE BOARD OF DIRECTORS OF NAN FUNG TREASURY (III) LIMITED**
(incorporated in the British Virgin Islands with limited liability)

Introduction

We have reviewed the interim financial information set out on pages 2 to 14, which comprise the interim condensed statement of financial position of Nan Fung Treasury (III) Limited (the “Company”) as at 30th September 2023 and the interim condensed statement of comprehensive income, the interim condensed statement of changes in equity and the interim condensed statement of cash flows for the six-month period then ended and selected explanatory notes. The directors are responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34 “Interim Financial Reporting”. Our responsibility is to express a conclusion on this interim financial information based on our review and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information of the Company is not prepared, in all material respects, in accordance with International Accounting Standard 34 “Interim Financial Reporting”.

NAN FUNG TREASURY (III) LIMITED
(Incorporated in the British Virgin Islands with limited liability)

NOTES TO THE INTERIM FINANCIAL INFORMATION

1 General information

Nan Fung Treasury (III) Limited (the “Company”) is a limited liability company incorporated in the British Virgin Islands. The address of the Company’s registered office is Commerce House, Wickhams Cay 1, P.O. Box 3140, Road Town, Tortola, British Virgin Islands. The principal activity of the Company is the provision of treasury services to group companies through the issuance of guaranteed senior perpetual capital securities.

The immediate holding company is NF Treasury Holdings Limited and the ultimate holding company is Chen’s Group International Limited, which is incorporated in the British Virgin Islands.

On 10th September 2020, the Company issued US\$500 million 5% guaranteed senior perpetual capital securities (“perpetual capital securities”). The perpetual capital securities were issued for general corporate funding purposes and were guaranteed by Nan Fung International Holdings Limited (“NFIHL”), the intermediate holding company. Details of which are set out in note 11 to the interim financial information.

The condensed interim financial information have been approved for issue by the Board of Directors on 5th December 2023.

2 Basis of preparation and summary of significant accounting policies

This condensed interim financial information for the six months ended 30th September 2023 has been prepared in accordance with the International Accounting Standard (“IAS”) 34 “Interim Financial Reporting” issued by the International Accounting Standard Board.

The condensed interim financial information should be read in conjunction with the Company’s financial statements for the year ended 31st March 2023, which were prepared in accordance with International Financial Reporting Standards (“IFRSs”). The accounting policies and disclosures applied are consistent with those of the Company’s financial statements for the year ended 31st March 2023.

(i) New standard and amendments to standards adopted by the Company

The Company has adopted the following new standard and amendments to standards which are mandatory for the financial year beginning 1st April 2023 and are relevant to its operation.

IAS 1 and IFRS Practice Statement 2 (Amendments)	Disclosure of Accounting Policies
IAS 8 (Amendments)	Definition of Accounting Estimates
IAS 12 (Amendments)	Deferred Tax related to Assets and Liabilities Arising from a Single Transaction
IAS 12 (Amendments)	International Tax Reform – Pillar Two Model Rules
IFRS 17 and IFRS 17 (Amendments)	Insurance contracts
IFRS 17	Initial Application of IFRS 17 and IFRS 9 – Comparative Information

The Company has assessed the impact of the adoption of these new standard and amendments to standards, there is neither significant impact on the Company’s results and financial position nor any substantial changes in the Company’s accounting policies and presentation of the interim financial information.

NAN FUNG TREASURY (III) LIMITED
(Incorporated in the British Virgin Islands with limited liability)

NOTES TO THE INTERIM FINANCIAL INFORMATION

2 Basis of preparation and summary of significant accounting policies (Continued)

- (ii) New standard and amendments to standards which are not yet effective for this financial period and have not been early adopted by the Company

The Company has not early adopted the following new standard and amendments to standards that have been issued but are not yet effective for the period and are relevant to its operation:

		Effective for accounting periods beginning on or after
IAS 1 (Amendments)	Classification of Liabilities as Current or Non-current	1st January 2024
IAS 1 (Amendments)	Non-current Liabilities with Covenants	1st January 2024
IAS 7 and IFRS 7	Supplier Finance Arrangements	1st January 2024
IAS 16 (Amendments)	Lease Liability in a Sale and Leaseback	1st January 2024
IAS 21 (Amendments)	Lack of Exchangeability	1st January 2025
IFRS 10 and IAS 28 (Amendments)	Sale or contribution of assets between an investor and its Associate or Joint Venture	To be determined

The Company will adopt the above new standard and amendments to standards and is in the process of assessing the impact on the financial statements.

3 Financial risk management

(a) Financial risk factors

The Company's activities expose it to various types of financial risk which include credit risk, foreign exchange risk and liquidity risk. The Company's overall risk management programme seeks to minimise the potential adverse effects it may have on the Company's financial performance.

The condensed interim financial information do not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with the Company's financial statements for the year ended 31st March 2023.

There have been no change in the risk management programme or in any risk management policies since year end.

NAN FUNG TREASURY (III) LIMITED
(Incorporated in the British Virgin Islands with limited liability)

NOTES TO THE INTERIM FINANCIAL INFORMATION

3 Financial risk management (Continued)

(b) Fair value estimation

The financial instruments are measured in the condensed statement of financial position at fair value in accordance with IFRS 13. This requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (level 2).
- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs) (level 3).

The following table represents the Company's financial instruments measured at fair value:

	Valuation Hierarchy			Total HK\$
	Level 1	Level 2	Level 3	
	HK\$	HK\$	HK\$	
As at 30th September 2023				
Perpetual capital securities	2,616,098,512	-	-	2,616,098,512
As at 31st March 2023				
Perpetual capital securities	3,009,300,240	-	-	3,009,300,240

The fair value of financial instruments traded in active markets is based on quoted market prices at the end of the reporting period. A market is regarded as active if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. The quoted market price used for financial liabilities held by the Company is the current ask price. These instruments are included in level 1.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to estimate the fair value of an instrument are observable, the instrument is included in level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There is no significant reclassification of financial assets during the period.

4 Critical accounting estimates and judgements

The preparation of interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this condensed interim financial information, the significant judgements made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31st March 2023.
