NOTIFICATION OF 3Q 2026 BUSINESS UPDATE

UltraGreen.ai Limited wishes to inform shareholders that it will provide a business update for the third quarter ending 30 September 2026 ("**3Q2026**") on **29 October 2026**, before market open.

The Company is actively engaging with distribution partners in the United States and remains focused on maintaining its market position amid the evolving competitive environment. As discussions are ongoing, the Company is unable to comment on pricing matters or commercial arrangements.

The Company has more than a decade of experience operating across evolving market environments, supported by established customer and clinical relationships and proven manufacturing, supply and distribution capabilities. Alongside its focus on the United States, the Company continues to execute its broader growth strategy, including expanding its geographic presence across Europe, the Middle East and Asia, and advancing its imaging and software strategy.

These initiatives are aimed at strengthening the Company's position across the fluorescence-guided surgery ecosystem, spanning fluorescence agents, imaging, software and data, and developing additional recurring revenue opportunities over time.

The Company will provide a further update on its business performance, developments in the United States and progress on these strategic initiatives as part of its 3Q2026 business update.
