Announcement of Receipt of Early Tenders with Respect to Its Tender Offer for Its 7.875% Bonds Due 2016

Beijing, June 17, 2014—21Vianet Group, Inc. (NASDAQ: VNET) (“**21Vianet**” or the “**Company**”), the largest carrier-neutral Internet data center services provider in China, today announced that as of 10:00 a.m., Hong Kong time, on June 17, 2014, tender instructions with respect to RMB702,502,000 aggregate principal amount of the Bonds, representing approximately 70.3% of the outstanding principal amount of the Bonds, have been received pursuant to the Company’s invitation to eligible holders of the Bonds (“**Bondholders**”) to tender their Bonds for purchase for cash (the “**Offer**”) upon the terms and subject to the conditions set forth in a tender offer memorandum dated June 5, 2014 (the “**Tender Offer Memorandum**”). Such Bonds will be validly tendered upon receipt of such Bonds in the safekeeping account pursuant to the terms and the conditions set forth in the Tender Offer Memorandum.

The closing of the Offer is subject to the satisfaction or waiver of certain conditions precedent set forth in the Tender Offer Memorandum, including the Company having consummated the proposed issuance of senior notes as described in the Company’s preliminary offering memorandum dated June 5, 2014 and received the proceeds from such issuance. The Offer will expire at 10:00 a.m., Hong Kong time, on June 24, 2014, unless extended or earlier terminated (such time and date, as the same maybe extended or earlier terminated, the “**Expiration Deadline**”).

Subject to the terms and conditions set forth in the Tender Offer Memorandum, the Company has offered to pay RMB103,175 (the “**Early Participation Purchase Price**”), which includes an early tender payment of RMB800 (the “**Early Tender Premium**”), for each RMB100,000 in nominal amount of the Bonds validly tendered prior to the 10:00 a.m., Hong Kong time, on June 16, 2014 (the “**Early Tender Deadline**”) and not validly revoked and accepted by the Company for purchase pursuant to the Offer. Subject to the terms and conditions set forth in the Tender Offer Memorandum, the Company will pay RMB102,375 (the “**Purchase Price**”), which excludes the Early Tender Premium, for each RMB100,000 in nominal amount of the Bonds validly tendered after the Early Tender Deadline but before the Expiration Deadline and not validly revoked and accepted by the Company for purchase pursuant to the Offer. Eligible Holders whose Bonds are accepted for purchase pursuant to the Offer will also receive accrued and unpaid interest from and including the last interest payment date on such purchased Bonds up to, but not including, the Settlement Date (as defined below).

The Company expects to pay on June 30, 2014 (the “**Settlement Date**”) (i) for such Bonds validly tendered after the Early Tender Deadline and on or prior to the Expiration Deadline, the Purchase Price and accrued interest on such Bonds accepted for purchase and (ii) for such Bonds validly tendered on or prior to the Early Tender Deadline, the Early Participation Purchase Price and accrued interest on such Bonds accepted for purchase. Subject to the terms of the Offer, the Company currently proposes to accept any and all Bonds validly tendered for purchase pursuant to the Offer.

This press release shall not constitute an offer to sell or a solicitation of an offer to purchase any of the Bonds, and shall not constitute an offer, solicitation or sale of the Bonds in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

This press release contains information about the pending offering of the bonds, and there can be no assurance that the offering will be completed.

About 21Vianet

21Vianet Group, Inc. is the largest carrier-neutral internet data center services provider in China. 21Vianet provides hosting and related services, managed network services, cloud infrastructure services, and content delivery network services, improving the reliability, security and speed of its customers' internet infrastructure. Customers may locate their servers and networking equipment in 21Vianet's data centers and connect to China's internet backbone through 21Vianet's extensive fiber optic network. In addition, 21Vianet's proprietary smart routing technology enables customers' data to be delivered across the internet in a faster and more reliable manner. 21Vianet operates in 44 cities throughout China, servicing a diversified and loyal base of several thousand customers that range from Fortune 500 conglomerates, government entities, blue-chip enterprises to small- and mid-sized business enterprises.

This release also does not constitute an offer to purchase, a solicitation of an offer to purchase, or a solicitation of tenders with respect to any Bonds. The Offer is being made solely pursuant to the Tender Offer Memorandum and related materials. Eligible Holders should read the Tender Offer Memorandum and related materials carefully prior to making any decisions with respect to the Offer because they contain important information. Eligible Holders may obtain a free copy of the Tender Offer Memorandum from the Dealer Manager or the Tender Agent specified above.
