Ixom announces appointment of Chief Executive Officer

Melbourne

Ixom HoldCo Pty Ltd (Ixom) would like to announce that Mr David Head has been appointed as Managing Director and Chief Executive Officer (CEO) of Ixom, with immediate effect.

Mr Head has been acting as CEO of Ixom on an interim basis since February 2021.

Mr Head graduated from Monash University with a Bachelor of Economics. He has over 30 years' experience at leading listed and privately owned global organisations, spanning a wide range of industry sectors in Australia, New Zealand, Asia and Europe.

Prior to joining Ixom, David was Managing Director and CEO at ASX listed Clean Seas Seafood Ltd, a sustainable aquaculture company, where he transformed the business, doubling its revenues during his tenure.

Andrew Larke, Chairman of Ixom, said "On behalf of the Board, I am delighted that David has been appointed as the CEO on a permanent basis. David has been acting in the role since February 2021 and has made a significant impact since then, with this year's financial results being the strongest yet. David has a solid track record of growing businesses and leading executive management teams and I am confident that Ixom will continue to grow under David's leadership."
