### Ordinary Resolution 10: California Sub-Plan to DBSH Share Plan

Resolution 10 is to empower the Directors to offer and grant awards and to allot and issue ordinary shares of the Company pursuant to the DBSH Share Plan to participants who are residents of the state of California in the United States of America, subject to the terms of the California sub-plan (the "California Sub-Plan") to the DBSH Share Plan, provided that: (a) the maximum aggregate number of ordinary shares which may be issued under the California Sub-Plan is limited to 1,000,000 ordinary shares, subject to any lower limitations required under the DBSH Share Plan; (b) the California Sub-Plan will terminate on, and no further awards will be granted under the California Sub-Plan after, the tenth anniversary of its approval by

the Board of Directors of the Company on 15 February 2019; and (c) the awards granted under the California Sub-Plan will be subject to adjustment upon certain changes in the capitalisation of the Company. In addition, the California Sub-Plan imposes additional restrictions on participants residing in California other than those contemplated under the DBSH Share Plan.

### Ordinary Resolution 11: Share Issue Mandate

Resolution 11 is to empower the Directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding in total 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company, of which the number of shares that may be issued other than on a *pro rata* basis to shareholders must be less than 10% of the total number of issued shares (excluding treasury shares and subsidiary holdings). For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 11 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Resolution 11 is passed, and (b) any subsequent bonus issue, consolidation or subdivision of shares. As at 11 February 2020 (the "Latest Practicable Date"), the Company had 3,467,500 treasury shares and no subsidiary holdings.

### Ordinary Resolution 12: DBSH Scrip Dividend Scheme

Resolution 12 is to authorise the Directors, should they choose to apply the DBSH Scrip Dividend Scheme (the "Scheme") to a qualifying dividend, to issue such number of new ordinary shares of the Company as may be required to be issued pursuant to the Scheme to members who, in respect of a qualifying dividend, have elected to receive scrip in lieu of the cash amount of that qualifying dividend. If the Directors should decide to apply the Scheme to a qualifying dividend, the current intention is that no discount will be given for the scrip shares.

### Ordinary Resolution 13: Renewal of the Share Purchase Mandate

Resolution 13 is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution.

The Company may use its internal or external sources of funds or a combination of both to finance its purchase or acquisition of the ordinary shares of the Company ("Ordinary Shares"). The amount of financing required for the Company to purchase or acquire its Ordinary Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on whether the Ordinary Shares are purchased or acquired out of capital or profits, the number of Ordinary Shares purchased or acquired and the price at which such Ordinary Shares were purchased or acquired.

Based on the existing issued and paid-up Ordinary Shares as at the Latest Practicable Date and excluding any Ordinary Shares held in treasury, the purchase by the Company of 2% of its issued Ordinary Shares will result in the purchase or acquisition of 51,209,378 Ordinary Shares.

Assuming that the Company purchases or acquires 51,209,378 Ordinary Shares at the Maximum Price, in the case of both market and off-market purchases, of SGD 26.61 for one Ordinary Share (being the price equivalent to 5% above the average closing prices of the Ordinary Shares traded on the SGX-ST over the last five market days on which transactions were recorded immediately preceding the Latest Practicable Date), the maximum amount of funds required is approximately SGD 1.4 billion.

The financial effects of the purchase or acquisition of such Ordinary Shares by the Company pursuant to the proposed Share Purchase Mandate on the financial statements of the Group and the Company for the financial year ended 31 December 2019 based on these and other assumptions are set out in paragraph 2.7 of the Letter to Shareholders dated 9 March 2020 (the "Letter").

Please refer to the Letter for further details.
