EXTENSION OF THE LONG-STOP DATE IN RELATION TO THE COMPLETION OF THE PROPOSED DISPOSAL BY THE COMPANY OF ITS ENTIRE SHAREHOLDING INTERESTS IN BHARAT IT SERVICES LTD.

---

*Where capitalised terms are used in this announcement and not otherwise defined, such capitalised terms shall bear the same meaning as ascribed to them in Digilife Technologies Limited (the **"Company"**)'s circular to the shareholders dated 22 October 2025 (the **"Circular"**) in relation to, inter alia, the proposed disposal by the Company of its entire shareholding interests in Bharat IT Services Ltd. (the **"Target Company"**) (the **"Sale Shares"**) (the **"Proposed Disposal"**).*

The board of directors (the **"Board"**) of the Company refers to its announcement dated 1 July 2025 and the Circular in relation to the Proposed Disposal.

Extension of Long-Stop Date

The Board of Directors of the Company wishes to announce that the Company's wholly-owned subsidiary, Peremex, and the Purchaser have, on 27 November 2025, mutually agreed in writing to extend the Long-Stop Date under the Disposal SPA from 30 November 2025 to 31 January 2026 and such period may be further extended for an additional 45 Business Days by the prior written consent of the Purchaser upon request by Peremex, such consent not to be unreasonably withheld by the Purchaser (the "**Extension**").

As a result of the Extension, Peremex and the Purchaser have further agreed to make corresponding amendments to Clauses 7.2 and 7.3 of the Disposal SPA by deleting the text marked in strikethrough and adding the italicized text as follows:

"7.2 If a default as provided in Clause 7.1 has occurred or if any of the Conditions Precedent are not fulfilled (or waived by the Purchaser, if applicable) on or before the Long-Stop Date, the Parties shall attempt in good faith to reach an agreement to proceed with Completion on such revised terms as the Parties may mutually agree in writing. The Purchaser at its sole discretion may propose a new arrangement or a modified proposal to proceed with Completion on such revised or additional terms by ~~15 January 2026~~ *15 March 2026*, including inviting a third party to purchase the Shares, subject to the agreement of the Seller.

7.3 If no agreement referred to in Clause 7.2 is reached on or prior to ~~15 January 2026~~ *15 March 2026* or such other date as may be mutually agreed between the Parties in writing:

(a) the Seller shall, on ~~16 January 2026~~ *16 March 2026* or at such later date as the Parties may mutually agree in writing ("**Repayment Date**"), deliver to the Purchaser the payment of a sum…"

Save for the Extension and the amendments to Clauses 7.2 and 7.3 under the Disposal SPA, all other provisions of the Disposal SPA remain unchanged. The extension of the Long-Stop Date is necessary as the Target Company requires additional time to implement the Demerger Scheme so as to fulfil the Disposal Condition Precedent to the Disposal SPA. For clarity, under Clauses 7.2 and 7.3 of the Disposal SPA, if disposal does not take place by the Repayment Date, and no new arrangement is reached, the Seller must pay the Purchaser a service fee of S$100,000, along with the Tranche 1 Consideration and interest fee of 5% per annum pro-rated by the number of months between the date of the Disposal SPA and the Repayment Date.

The Company will provide material updates to shareholders in relation to the Proposed Disposal in due course.
