NOTES:

- A Unitholder who is not a Relevant Intermediary entitled to attend and vote at the meeting is entitled to appoint not more than two proxies to attend and vote in the Unitholder’s stead. A proxy need not be a Unitholder. Where a Unitholder appoints more than one proxy, the appointments shall be invalid unless the Unitholder specifies the proportion of the Unitholder’s holdings (expressed as a percentage of the whole) to be represented by each proxy.

- A Unitholder who is a Relevant Intermediary entitled to attend and vote at the meeting is entitled to appoint more than two proxies to attend and vote instead of the Unitholder, but each proxy must be appointed to exercise the rights attached to a different Unit or Units held by such Unitholder. Where such Unitholder appoints more than two proxies, the appointments shall be invalid unless the Unitholder specifies in the proxy form the number of Units in relation to which each proxy has been appointed.

“**Relevant Intermediary**” means:

- a banking corporation licensed under the Banking Act, Chapter 19 of Singapore or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds Units in that capacity;
- a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act, Chapter 289 of Singapore and who holds Units in that capacity; or
- the Central Provident Fund Board (“**CPF Board**”) established by the Central Provident Fund Act, Chapter 36 of Singapore, in respect of Units purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the CPF Board holds those Units in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

- The instrument appointing a proxy or proxies (a form is enclosed) must be deposited with the company secretary of the Manager at the office of FLT’s Unit Registrar, Boardroom Corporate & Advisory Services Pte. Ltd., 50 Raffles Place, #32-01 Singapore Land Tower, Singapore 048623, not less than 72 hours before the time appointed for holding the meeting.

EXPLANATORY NOTE:

Ordinary Resolution 3

Ordinary Resolution 3 above, if passed, will empower the Manager from the date of this AGM until the earliest of (i) the conclusion of the next AGM of FLT or (ii) the date by which the next AGM of FLT is required by the applicable laws and regulations or the Trust Deed to be held, whichever is earlier, or (iii) the date on which such authority is revoked or varied by the Unitholders in a general meeting, to issue Units and to make or grant instruments (such as securities, warrants or debentures) convertible into Units and issue Units pursuant to such instruments, up to a number not exceeding 50% of the total number of issued Units (excluding treasury Units, if any), with a sub-limit of 20% for issues other than on a *pro rata* basis to Unitholders.

For the purpose of determining the aggregate number of Units that may be issued, the percentage of issued Units will be calculated based on the total number of issued Units at the time Ordinary Resolution 3 above is passed, after adjusting for new Units arising from the conversion or exercise of any Instruments which are outstanding at the time Ordinary Resolution 3 above is passed and any subsequent bonus issue, consolidation or subdivision of Units.

Fund raising by issuance of new Units may be required in instances of property acquisitions or debt repayments. In any event, if the approval of Unitholders is required under the Listing Manual of the SGX-ST and the Trust Deed or any applicable laws and regulations in such instances, the Manager will then obtain the approval of Unitholders accordingly.

Extraordinary Resolution 4

In connection with the amendments to the Companies Act, Chapter 50 of Singapore (the “**Companies Act**”), companies are allowed to send notices and documents electronically to their shareholders with the express, deemed or implied consent (the “**Deemed Consent Regime**” and the “**Implied Consent Regime**”, respectively) of the shareholders if the constitution of the company provides for it and the specified modes of electronic communications are set out in the constitution of the company (the “**Companies Act Electronic Communications Amendments**”). The SGX-ST has recently amended the listing rules of the SGX-ST (the “**Listing Rules**”) to align the Listing Rules with the Companies Act Electronic Communications Amendments, with issuers allowed to transmit certain types of notices and documents to shareholders (or Unitholders, in the case of a listed real estate investment trust (“**REIT**”) such as FLT) electronically with the express, deemed or implied consent of shareholders.

Although FLT is not bound by the Companies Act, it is nonetheless bound by the Listing Rules as a listed REIT. Accordingly, the Manager proposes to amend the Trust Deed to adopt certain provisions of the Listing Rules to implement the Implied Consent Regime and the Deemed Consent Regime and allow for such electronic transmission of notices and documents in relation to FLT.

(See the Appendix in relation to the Proposed Electronic Communications Trust Deed Supplement for further details.)

IMPORTANT NOTICE

The value of Units and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors should note that they have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the SGX-ST. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. The listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

The past performance of FLT is not necessarily indicative of the future performance of FLT.
