DEFERMENT OF SERVICEABLE LOAN REPAYMENT

The Board of Directors of Advance SCT Limited (the "**Company**") refers to the Company's earlier announcements in relation to the Scheme of Arrangement (the "**Scheme**"). The Company had announced on 8 July 2011 that the Scheme came into effect on 29 June 2011, from when the remaining debt (the "**Serviceable Loan**") is to be repaid quarterly over seven years.

The Board is pleased to announce that all creditors present at a meeting on 28 March 2014 have unanimously approved the deferment of the quarterly payment and interest accrued thereon that is due on 31 March 2014. The Serviceable Loan stands at about \$9 million as at the due date, down from ca. \$11.2 million as at 31 December 2013 as shown in the FY2013 results announcement. The deferment will help the Company in preserving the working capital for its operations.

The Company will continue to encourage creditors to capitalise their debts.

Shareholders and the public are advised to continue to exercise caution when dealing in the Company's shares.
