

**SUBSCRIPTION OF PLACEMENT SHARES IN DXN LIMITED
BY ASSOCIATED COMPANY DC ALLIANCE PTE LTD**

The Board of Directors (the “**Board**”) of Figtree Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) is pleased to announce that its wholly-owned subsidiary, Figtree Real Estate Pty Ltd (“**FRE**”), through its 27.0%-owned associated company, DC Alliance Pte Ltd (“**DCA**”) has subscribed for 138,888,889 ordinary shares (the “**Subscription**”) valued at A\$1.25 million (approximately S\$1.23 million) in DXN Limited (“**DXN**”), an ASX-listed vertically integrated manufacturer and operator of modular data centres with data centres in Sydney, Darwin and Tasmania, as a lead investor, via a placement participated together with other sophisticated investors. The subscription price of A\$0.009 represents a 16% discount to DXN’s 30-day volume weighted average share price (“**VWAP**”) as at 6 September 2021. The Subscription shall be satisfied by DCA using internally generated funds. DCA will also have the option, subject to approval in DXN’s upcoming General Meeting as well as approval of the Foreign Investment Review Board in Australia, to subscribe for a second tranche of placement shares (the “**Placement**”) at a value of A\$1.25 million by 15 December 2021. The Placement price will be at a 20% premium to the 10-day VWAP, subject to a maximum price of A\$0.015.

In addition to the Subscription, DCA and DXN are working towards an agreement to establish a strategic alliance to cross sell the Australian data centre assets. It is currently intended that this agreement will address the two companies working together to market and sell data centre services, colocation racks, and connectivity across the two data centres located in Perth and Sydney. DCA and DXN plans to share sales and market insights to develop a joint customer value proposition for colocation sales and establish a common set of products between DCA and DXN, which will enhance the experience for current and potential clients.

The Subscription and the Placement (in the event the option is exercised) are not expected to have a material impact on the earnings per share and net asset value per share of the Group for the current financial year ending 31 December 2021.

None of the Company’s Directors, substantial shareholders or their respective associates, has any interest, direct or indirect, in the Subscription and Placement (other than through their interests in the shares of the Company).
