RESPONSE TO QUERIES REGARDING TRADING ACTIVITY

The Board of Directors (the “**Board**”) of Mun Siong Engineering Limited (the “**Company**”, and together with its subsidiaries and associated companies, the “**Group**”) refers to queries raised by the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) dated 10 June 2022 regarding the trading activity of the Company’s shares.

Question 1: Are you (the issuer) aware of any information not previously announced concerning you, your subsidiaries or associated companies which, if known, might explain the trading? Such information may include events that are potentially material and price-sensitive, such as discussions and negotiations that may lead to joint ventures, mergers, acquisitions or purchase or sale of a significant asset. You may refer to paragraph 8 in Appendix 7.1 of the Mainboard Rules for further examples.

- If yes, the information shall be announced immediately.

Company’s response:

Save for the announcement dated 15 May 2022 on the proposed investment of USD7.5 million to establish an operation in North America, the Company is not aware of any information not previously announced concerning the Company, its subsidiaries or associated companies which, if known, might explain the trading.

Question 2: Are you aware of any other possible explanation for the trading? Such information may include public circulation of information by rumours or reports.

Company’s response:

The Company noted the Business Times article on 9 June 2022 pertaining to Petronas’ planned capital expenditures. However, (refer to announcements dated 2 May 2019 and 23 August 2019), the decision to appoint any service provider is made by Petronas at its discretion. Furthermore, the Group is one of the many approved service providers to Petronas. Therefore, there are no assurances that those planned capital expenditures mentioned in the Business Times article will translate to any additional revenue for the Group. The Company will make the necessary announcement when such material contracts (if any) are secured.

Question 3: Can you confirm your compliance with the listing rules and, in particular, Mainboard Rule 703?

Company's response:

The Company confirms that it is in compliance with the Listing Rules of the SGX-ST and in particular, Mainboard Rule 703.

The Board of Directors of the Company collectively and individually take responsibility for the accuracy of the reply to the queries.
