(Unique Entity Number: 197500111H)

PROFIT GUIDANCE ON THE UNAUDITED FINANCIAL STATEMENTS FOR THE FULL YEAR ENDED 31 DECEMBER 2023

The Board of Directors (the “**Board**”) of Koh Brothers Eco Engineering Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) wishes to announce that the Group is expected to report a net loss for the full financial year ended 31 December 2023 (“**FY 2023**”). The Group has reported a net loss for the six months ended 30 June 2023 as announced on 5 August 2023.

The net loss was mainly due to lower contributions from the Group’s Engineering and Construction segment, and increased costs for its ongoing construction projects. The increased costs were mainly due to prolonged construction periods for certain projects, which consequently led to higher materials, manpower, subcontractor and finance costs.

The Company is still in the process of finalising the unaudited financial results of the Group for FY 2023. Further details of the Group’s financial performance will be disclosed when the Company announces its FY 2023 unaudited financial results in February 2024.

Shareholders and potential investors of the Company are advised to exercise caution when dealing or trading in the shares of the Company. Shareholders and potential investors should consult their stockbrokers, bankers, solicitors, accountants or other professional advisers if they have any doubt about the course of action that they should take.
