SINOPIPE SECURES PIPE AND FITTINGS PROCUREMENT TENDER FOR SEWAGE TREATMENT WORKS IN CHINA

The Board of Directors (the “**Board**”) of Sinopipe Holdings Limited (the “**Company**”) wishes to announce that its principal subsidiary, Fujian Aton Advanced Materials Science and Technology Co., Ltd (“**Fujian Atontech**”) has secured a pipe and fittings procurement tender by the People’s Government of Lishui City, Liandu District, Zhejiang Province, People’s Republic of China (the “**Lishui Liandu People’s Government**”).

Fujian Atontech has entered into sale and purchase agreements with the Lishui Liandu People’s Government on 10 November 2014 to be the sole supplier to provide pipes and fittings for the latter’s rural sewage treatment works (Tender One) which will cover 87 villages in Bihu Town, Dagangtou Town and Fengyuan Town in the Liandu District (the “**Agreements**”). The total estimated investment for the sewage treatment works tender project is approximately RMB 73 million including approximately RMB 51 million on construction and installation of sewage system.

The supplies of pipe and fittings under the Agreements will be funded from internal resources and are expected to contribute positively to the financial performance of the Group. The sales orders and deliveries for the Agreements are not expected to commence in the current financial year ending 31 December 2014 (“**FY2014**”) and will not have any material impact on the Group’s net tangible assets per share and earnings per share for FY2014.

None of the Directors or substantial shareholders of the Company has any interest, whether direct or indirect, in the above Agreements.

By Order of the Board
