To: The Shareholders of Valuetronics Holdings Limited

Dear Sir/Madam

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

1.1 Annual General Meeting

The Directors are convening the AGM to seek Shareholders' approval for, *inter alia*, the Proposed Renewal of the Share Buyback Mandate.

1.2 Circular

The purpose of this Circular is to provide Shareholders with information relating to and to seek the approval of Shareholders at the forthcoming AGM for the Proposed Renewal of the Share Buyback Mandate.

For the avoidance of doubt, Depositors holding Shares through CDP are not to be treated, under the Bye-Laws and the Bermuda Companies Act, as members of the Company in respect of the number of Shares credited to their respective Securities Accounts. Accordingly, Depositors do not have a right under the Bermuda Companies Act to attend and to vote at the AGM. Depositors will be able to participate in the Proposed Renewal of the Share Buyback Mandate only through CDP, the latter being the registered holder of Shares in the Company's Register of Members.

However, administrative arrangements have been made with CDP to allow Depositors to take part in the Proposed Renewal of the Share Buyback Mandate. Depositors who wish to participate in the AGM and exercise their votes, and whose names are shown in the records of CDP as at a time not earlier than 72 hours prior to the time of the AGM supplied by CDP to the Company, may participate in the AGM as CDP's proxies. Please refer to Section 7 of this Circular on pages 20 and 21 in respect of action to be taken if you wish to attend and/or vote at the AGM.

For the purpose of this Circular, the term "**Shareholders**" has been defined to also include reference to Depositors where the context admits and they will accordingly be treated administratively herein, where the context admits, as shareholders of the Company with entitlements in respect of the Proposed Renewal of the Share Buyback Mandate.

If you are in any doubt as to the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

LETTER TO SHAREHOLDERS

1.3 SGX-ST

The SGX-ST assumes no responsibility for the accuracy of any statements made, opinions expressed or reports contained in this Circular.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Background

The Share Buyback Mandate was first approved by Shareholders at the 2008 SGM to enable the Company to purchase or otherwise acquire Shares and to hold such Shares as Treasury Shares. The Share Buyback Mandate was last renewed at the 2020 AGM and will expire on the date of the forthcoming AGM. Accordingly, Shareholders' approval for the Proposed Renewal of the Share Buyback Mandate is being sought to allow the Company to continue the buyback of its Shares. Subject to the approval of the Shareholders at the forthcoming AGM, the Proposed Renewal of the Share Buyback Mandate will take effect from the date of passing of such ordinary resolution. The Proposed Renewal of the Share Buyback Mandate is set out under Resolution 8 in the Notice of AGM.

Any Share Purchase by the Company will have to be made in accordance with, and in the manner prescribed by, the Bermuda Companies Act and such other laws and regulations as may be applicable. As the Company is listed on the SGX-ST, it is also required to comply with Part XIII of Chapter 8 of the Listing Manual, which relates to the purchase or acquisition of issued ordinary shares in the capital of a company listed on the SGX-ST.

The Company may purchase or acquire Shares by way of On-Market Purchases and/or Off-Market Purchases subject to compliance with all applicable laws and rules. In the event that subsequent to the AGM, there are new rules, regulations, directives or laws enacted or promulgated by the relevant competent authorities including but not limited to the SGX-ST and the Council (hereinafter, collectively referred to as the "**Further Rules**") that augment, supplement or vary the existing governing provisions set out in the Bermuda Companies Act and/or the Listing Manual, the Company shall, to the extent that the Further Rules impact on the Share Buyback Mandate, disseminate to the public by announcement(s), a memorandum setting out such Further Rules and the extent to which the Share Buyback Mandate is affected by such Further Rules. In such an event, the Company shall not undertake any Share Purchase until such a memorandum has been publicly disseminated.

2.2 Rationale for the Share Buyback Mandate

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:–

- (i) the Directors and management of the Company constantly seek to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Group. A Share Purchase made at an appropriate price level is one of the ways through which the EPS, NTA and the return on equity of the Group may be enhanced. The Share Buyback Mandate will give the Directors the flexibility to purchase or acquire Shares as and when the circumstances permit;
- (ii) Share Purchases provide the Company with an easy mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements, in an expedient and cost efficient manner; and
- (iii) the Share Buyback Mandate will also give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued, to help mitigate short-term market volatility and to offset the effects of short-term speculation and, in turn, bolster Shareholder confidence and employee morale.

LETTER TO SHAREHOLDERS

The Share Purchases pursuant to the Share Buyback Mandate will only be undertaken as and when circumstances permit and only when the Directors are of the view that such purchases are in the interest of the Company and Shareholders. No purchases or acquisitions of Shares will be made in circumstances which the Directors believe will have or may have a material adverse effect on the liquidity and the orderly trading of the Shares and the working capital requirements and gearing level of the Company and the Group.

2.3 Authority and Limitations on the Share Buyback Mandate

The authority and limitations placed on the Share Purchases by the Company under the Share Buyback Mandate, if approved at the forthcoming AGM, are summarised below:–

(i) Maximum Number of Shares

Only Shares that are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired is limited in aggregate to that number of Shares representing not more than 10% of the total number of issued Shares of the Company, ascertained as at the date of the forthcoming AGM at which the Proposed Renewal of the Share Buyback Mandate is approved, unless the Company has, at any time during the Relevant Period, effected a reduction of its share capital, in which event the total number of Shares of the Company shall be taken to be the total number of Shares of the Company as altered. For the purposes of calculating the percentage of issued Shares above, Shares which are held as Treasury Shares and subsidiary holdings will be disregarded.

For illustrative purposes only, based on 435,625,837 Shares, being the total number of Shares in issue excluding Treasury Shares and subsidiary holdings as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the AGM, not more than 43,562,583 Shares (representing 10% of the total number of issued Shares excluding Treasury Shares and subsidiary holdings of the Company as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

(ii) Duration of Authority

Under the Share Buyback Mandate, Share Purchases may be made, at any time and from time to time, on and from the date of the AGM (at which the Proposed Renewal of the Share Buyback Mandate is approved) up to the earlier of: –

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (b) the date on which the Share Purchases are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is varied or revoked by Shareholders by ordinary resolution in a general meeting.

The authority conferred on the Directors by the Share Buyback Mandate to purchase or acquire Shares may be renewed at each annual general meeting or other general meeting of the Company. When seeking the Shareholders' approval for the Proposed Renewal of the Share Buyback Mandate, the Company is required to disclose details pertaining to any Share Purchases made during the previous 12 months (whether an On-Market Purchase or an Off-Market Purchase), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases.

LETTER TO SHAREHOLDERS

(iii) Manner of Share Purchases

Share Purchases may be made by way of:–

- (a) on-market purchases through the SGX-ST's ready market, or as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose ("**On-Market Purchases**"); and/or
- (b) off-market purchases (if effected otherwise than on the SGX-ST) pursuant to an equal access scheme (as defined in Section 76C of the Act), which scheme shall satisfy all the conditions prescribed by the Listing Manual ("**Off-Market Purchases**").

The Directors may impose such terms and conditions, which are not inconsistent with the Share Buyback Mandate, the Listing Manual, the Bye-Laws, the Bermuda Companies Act and Section 76C of the Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

Under the Act, an Off-Market Purchase must be effected in accordance with an equal access scheme, which must satisfy all of the following conditions: –

- (aa) offers for Share Purchases shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (bb) all of those persons shall be given a reasonable opportunity to accept the offer made to them; and
- (cc) the terms of all the offers are the same, except that there shall be disregarded: -
 - (zz) differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - (yy) (if applicable) differences in consideration attributable to the fact that the offer relate to Shares with different amounts remaining unpaid; and
 - (xx) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information: –

- (A) the terms and conditions of the offer;
- (B) the period and procedures for acceptances;
- (C) the reasons for the proposed Share Purchases;
- (D) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (E) whether the Share Purchases, if made, could affect the listing of the Company's equity securities on the Official List;
- (F) details of any Share Purchases made by the Company in the previous 12 months (whether an On-Market Purchase or an Off-Market Purchase), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases; and
- (G) whether the Shares purchased or acquired by the Company will be cancelled or kept as Treasury Shares.

LETTER TO SHAREHOLDERS

(iv) Maximum Purchase Price

The purchase price (excluding brokerage, commissions, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors.

However, the purchase price to be paid for a Share as determined by the Directors must not exceed: –

- (a) in the case of an On-Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (b) in the case of an Off-Market Purchase, 110% of the Average Closing Price (as defined hereinafter),

in either case, excluding related expenses of the Share Purchase (the “**Maximum Price**”).

For the above purposes:–

“**Average Closing Price**” means (aa) the average of the closing market prices of a Share over the last five Market Days, on which transactions in the Shares were recorded, preceding the date of the On-Market Purchase or, as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase; and (bb) deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the day on which the purchase is made; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for the Share Purchases from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

Under the Bermuda Companies Act, any Share which is purchased by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to that Share will expire on such cancellation) unless such Share is purchased or acquired to be held, and is held by the Company as a Treasury Share. When Shares purchased or acquired by the Company are cancelled and not held as Treasury Shares, the issued share capital of the Company will be diminished by the nominal value of such Shares purchased or acquired by the Company. This shall not be taken as reducing the Company’s authorised share capital.

Any Shares purchased or acquired by the Company (and not held as Treasury Shares by the Company) and cancelled will be automatically de-listed by the SGX-ST and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase.

2.5 Treasury Shares

Under the Bermuda Companies Act, a company may purchase its own shares if authorised by its memorandum of association or bye-laws. Some provisions on treasury shares under the Bermuda Companies Act are summarised below: –

(i) Maximum Holdings

The shares so purchased may either be cancelled or may be held as treasury shares. If the shares purchased are cancelled, the company’s issued, but not its authorised share capital will be diminished accordingly. Under the laws of Bermuda, if a company holds shares as treasury shares, the company shall be entered in the registry of members as the member holding the shares but the company is not permitted to exercise any rights in respect of those shares (including any right to attend and vote at meetings), and any purported exercise of such right is void.

LETTER TO SHAREHOLDERS

A company may not acquire its own shares to be held as treasury shares if, as a result of the acquisition, all of the company's issued shares, other than the shares to be held as treasury shares, would be non-voting shares.

No acquisition by a company of its own shares to be held as treasury shares may be effected if, on the date on which the acquisition is to be effected, there are reasonable grounds for believing that the company is, or after the acquisition would be, unable to pay its liabilities as they become due.

(ii) Voting and Other Rights

A company cannot exercise any right in respect of treasury shares including any right to attend and vote at meetings and any purported exercise of such a right is void.

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the company's assets (including any distributions of assets to members on a winding up) may be made, to the company in respect of treasury shares. However, the making of an allotment of shares as fully paid bonus shares in respect of treasury shares is allowed and any such bonus shares shall be treated for the purposes of the Bermuda Companies Act as if they had been acquired by the company at the time they were allotted. Also, a subdivision or consolidation of any treasury shares into shares of a different amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

(iii) Disposal and Cancellation

Where shares are held as treasury shares, a company may, *inter alia*, at any time:–

- (a) continue to hold all or any of such treasury shares;
- (b) dispose of or transfer all or any of the treasury shares for the purpose of or pursuant to any employee share scheme;
- (c) dispose of or transfer all or any of the treasury shares for cash or other consideration;
- (d) cancel all or any of the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister of Finance.

A company may transfer any treasury shares for the purpose of or pursuant to an employee share option or award scheme. The number of shares held as treasury shares shall not at any time exceed 10% of the total issued ordinary share capital of the company. In the event of any sale, transfer, cancellation and/or use of treasury shares, the Listing Manual requires the company to make an immediate announcement stating the following:–

- (aa) the date of such sale, transfer, cancellation and/or use;
- (bb) the purpose of such sale, transfer, cancellation and/or use;
- (cc) the number of treasury shares sold, transferred, cancelled and/or used;
- (dd) the number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (ee) the percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (ff) the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

Under the Bermuda Companies Act, a purchase of shares may only be funded, so long as the company is solvent, out of the capital paid-up on the shares to be purchased, or out of the funds of the company which would otherwise be available for dividend or distribution, or out of the proceeds of a fresh issue of shares made for the purpose of the purchase and the premium payable on the purchase (i.e. the amount paid in excess of the nominal value of the shares to be purchased) must be provided for out of the funds of the company which would otherwise be available for dividend or distribution, or out of the company's share premium account before the shares are purchased. Any amount due to a Shareholder by the Company on purchase of its own Shares may be (i) paid in cash, (ii) satisfied by the transfer of any part of the undertaking or property of the Company having the same value or (iii) satisfied partly in cash and partly by the transfer of any part of the undertaking or property of the Company having the same value.

In undertaking Share Purchases, the Company may only apply funds legally available for such purchase in accordance with the Bermuda Companies Act, the Bye-Laws and the applicable laws in Singapore. The Company may not purchase its Shares for consideration other than cash or, in the case of an On-Market Purchase, for settlement other than in accordance with the trading rules of the SGX-ST. No purchase or acquisition by the Company of its own shares may be effected if, on the date on which the purchase or acquisition is effected, there are reasonable grounds for believing that the Company is, or after the purchase or acquisition would be, unable to pay its liabilities as they become due.

The Company may use its internal resources of funds and/or external borrowings, or a combination of internal resources and external borrowings to finance buyback of its Shares. It is not possible for the Company to realistically calculate or quantify the impact of purchases that may be made pursuant to the Share Buyback Mandate on the Company's consolidated NTA and EPS as the resultant effect would depend on factors such as the aggregate number of Shares purchased, the purchase prices paid at the relevant time and the amount (if any) borrowed by the Company to fund the purchase.

Where the Share Purchase is made out of distributable profits, such purchase (excluding related brokerage, goods and services tax, stamp duties and clearance fees) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the Share Purchase is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

Where the Share Purchase is financed through internal resources, it will reduce the cash reserves of the Company, and thus the current assets and Shareholders' funds of the Company. This will result in an increase in the gearing ratios of the Company and a decline in the current ratios of the Company. The actual impact on the gearing and current ratios will depend on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired.

Where the Share Purchase is financed through external borrowings or financing, there would be an increase in the gearing ratios of the Company and a decline in the current ratios of the Company, with the actual impact dependent on the number of Shares purchased or acquired and the prices at which the Shares are purchased or acquired. The Directors will only make purchases or acquisitions pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial condition of the Company and would cause the Company to be insolvent.

LETTER TO SHAREHOLDERS

2.7 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisition of Shares which may be made pursuant to the proposed Share Buyback Mandate will depend on, *inter alia*, the number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. The financial effects on the Company and the Group, based on the audited consolidated financial statements of the Company for the financial year ended 31 March 2021, are based on the following principal assumptions: –

- (i) the number of Shares purchased was 43,562,583 (representing 10% of 435,625,837 issued Shares excluding Treasury Shares and subsidiary holdings as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are held by the Company as Treasury Shares on or prior to the AGM);
- (ii) in the case of On-Market Purchases, the Maximum Price was S\$0.64 per Share (being the price equivalent to 5% above the Average Closing Prices of the Shares for the five Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for the purchase or acquisition of 43,562,583 Shares (excluding ancillary expenses such as related brokerage, goods and services tax, stamp duties and clearance fees) is approximately S\$27,810,353;
- (iii) in the case of Off-Market Purchases, the Maximum Price was S\$0.67 per Share (being the price equivalent to 10% above the Average Closing Prices of the Shares for the five Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for the purchase or acquisition of 43,562,583 Shares (excluding ancillary expenses such as related brokerage, goods and services tax, stamp duties and clearance fees) is approximately S\$29,134,656;
- (iv) the Share Purchases pursuant to the Share Buyback Mandate took place on 31 March 2021; and
- (v) transaction costs incurred for the Share Purchases pursuant to the Share Buyback Mandate are assumed to be insignificant and have been ignored for the purpose of computing the financial effects.

For illustrative purposes only, based on the assumptions set out above, the financial effects of the purchase of 43,562,583 Shares by the Company pursuant to the Share Buyback Mandate by way of:–

- (a) purchases made entirely out of capital and held as Treasury Shares;
- (b) purchases made entirely out of capital and cancelled;
- (c) purchases made entirely out of distributable profits and held as Treasury Shares; and
- (d) purchases made entirely out of distributable profits and cancelled,

on the audited consolidated financial statements of the Company for the financial year ended 31 March 2021, are set out below.

LETTER TO SHAREHOLDERS

As illustrated above, a summary of the financial effects of the Share Purchases are:–

- (aa) increased net gearing ratios of the Company;
- (bb) decreased consolidated NTA per Share and NTA per Share of the Company;
- (cc) increased consolidated basic EPS and basic EPS of the Company; and
- (dd) increased positive return on equity of the Group and the Company.

Shareholders should note that the financial effects illustrated above are for illustration purposes only. In particular, it is important to note that the above analysis is based on the latest audited consolidated financial statements of the Company as at 31 March 2021 and is not necessarily representative of the future financial performance of the Company.

Although the Share Buyback Mandate would authorise the Company to purchase up to 10% of the Company's issued Shares, the Company may not necessarily purchase or be able to purchase the entire 10% of the issued Shares. In addition, the Company may cancel all or part of the Shares purchased or acquired or hold all or part of the Shares purchased or acquired as Treasury Shares.

2.8 Tax Implications

Shareholders who are in any doubt as to their respective tax positions or the tax implications of Share Purchases by the Company, or who may be subject to tax whether inside or outside Singapore, should consult their own professional advisers.

2.9 Listing Status

The Directors will ensure that the Share Purchases will not have any effect on the listing of the Company's securities including the Shares listed on the SGX-ST. The Company is required under Rule 723 of the SGX-ST Listing Manual to ensure that at least 10% of its Shares are in the hands of the public. The "public", as defined in the Listing Manual, are persons other than the Directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company and its subsidiaries, as well as the associates (as defined in the Listing Manual) of such persons.

The Directors shall safeguard the interests of the public (as defined above) before undertaking any Share Purchase. Before exercising the Share Buyback Mandate, the Directors shall at all times take due cognisance of (i) the then shareholding spread of the Company in respect of the number of Shares held by Substantial Shareholders and by non-Substantial Shareholders; and (ii) the volume of trading on the SGX-ST in respect of the Shares immediately before the exercise of any Share Purchase.

As at the Latest Practicable Date, there are 327,635,065 Shares in the hands of the public (as defined above) representing 75.2% of the issued Shares excluding Treasury Shares and subsidiary holdings. Assuming that the Company purchases 43,562,583 Shares through market purchases up to the full 10% limit pursuant to the Share Buyback Mandate, the number of Shares in the hands of the public would be reduced to 284,072,482 Shares, representing 72.5% of the Shares excluding Treasury Shares and subsidiary holdings as at the Latest Practicable Date.

Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by the public (as defined above) which would permit the Company to undertake purchases or acquisitions of its Shares through market purchases up to the full 10% limit pursuant to the Share Buyback Mandate without adversely affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to adversely affect orderly trading. The Company will ensure that notwithstanding the Share Purchases, a sufficient float in the hands of the public will be maintained in order not to cause market illiquidity or affect orderly trade.

LETTER TO SHAREHOLDERS

2.10 SGX-ST Listing Manual

Under the Listing Manual, a listed company may only purchase shares by way of a market acquisition at a price which is not more than 5% above the average closing market price. The term “**average closing market price**” is defined in the Listing Manual as (i) the average of the closing market prices of shares over the last five Market Days, on which transactions in the shares were recorded, before the day on which purchases are made; and (ii) deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the day on which the purchases are made. The Maximum Price for a Share in relation to market purchases by the Company, referred to in Section 2.3(iv) of this Circular, conforms to this restriction.

Additionally, the Listing Manual also specifies that a listed company shall notify all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:–

- (a) in the case of an On-Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such notification shall include, details of the total number of shares authorised for purchase, the date of purchase, the total number of shares purchased, the purchase price per share, the total purchase price for the Shares, the highest and lowest prices per share for the shares purchased to date and the number of issued shares after purchase, in the form prescribed under the Listing Manual.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time(s), because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase of Shares pursuant to the Share Buyback Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price-sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by the SGX-ST, the Company will not purchase or acquire any Shares during the period commencing one month immediately preceding the announcement of the Company’s half year and annual financial statements and ending on the date of the announcement of the relevant results.

2.11 Application of the Take-over Code

- (i) Obligations to make a take-over offer

Under Rule 14 of the Take-over Code, a person will be required to make a general offer for a public company if: –

- (a) he acquires 30% or more of the voting rights in the company; or
- (b) he, together with persons acting in concert with him, holds between 30% and 50% of the voting rights in the company and he, or any person acting in concert with him, increases their voting rights in the company by more than 1% in any six-month period.

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-over Code.

LETTER TO SHAREHOLDERS

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal) co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert under the Take-over Code:—

- (aa) the following companies:—
 - (zz) a company;
 - (yy) the parent company of (zz);
 - (xx) the subsidiaries of (zz);
 - (ww) the fellow subsidiaries of (zz);
 - (vv) the associated companies of any of (zz), (yy), (xx) or (ww);
 - (uu) companies whose associated companies include any of (zz), (yy), (xx), (ww) or (vv); and
 - (tt) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights; and
- (bb) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

For this purpose, ownership or control of at least 20% but not more than 50% of the equity share capital of a company will be regarded as the test of associated company status. The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

Under Appendix 2 of the Take-over Code, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights in the Company of such Directors and their concert parties would:—

- (A) increase to 30% or more; or
- (B) if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties increase by more than 1% in any period of six months.

In calculating the percentages of voting rights in the Company of such Directors and their concert parties, Treasury Shares shall be excluded.

A Shareholder who is not acting in concert with the Directors will not incur an obligation to make a take-over offer for the Company under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or if the voting rights of such Shareholder fall between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder increases by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the ordinary resolution authorising the Share Buyback Mandate.

LETTER TO SHAREHOLDERS

Shareholders who are in any doubt as to whether they would incur any obligations to make a take-over offer under Rule 14 of the Take-over Code as a result of any Share Purchases by the Company pursuant to the Share Buyback Mandate are advised to consult their professional advisers and/or the Council before they acquire any Shares during the period when the renewed Share Buyback Mandate is in force.

Details of the interests of the Directors and Substantial Shareholders in the Shares as at the Latest Practicable Date are set out in Section 3 of this Circular.

(ii) Take-over implications arising from the Share Buyback Mandate

Based on the Company's Register of Directors' Shareholdings and Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the Share Buyback Mandate (assuming (a) the Company purchased a maximum number of 43,562,583 Shares, being 10% of the total number of issued Shares excluding Treasury Shares and subsidiary holdings of the Company as at the Latest Practicable Date, and (b) there was no change in the number of Shares held or deemed to be held by the Directors and the Substantial Shareholders) are as follows:—
