UPDATE ON TRANSBOUNDARY HAZE MATTERS AND COOPERATION WITH AUTHORITIES

Golden Agri-Resources Ltd (the "Company" or "GAR", and together with its subsidiaries, the "Group") refers to its previous announcements in relation to the notice dated 23 October 2026 (the "Notice") issued by the National Environment Agency ("NEA") to its wholly owned Singapore subsidiary, Golden Agri International Pte Ltd ("GAI"), pursuant to Section 10(1) of the Transboundary Haze Pollution Act 2014. The Notice requires GAI to provide documents and information to NEA.

Submission to NEA

GAI has on 2 November 2026 submitted its preliminary response to the Notice, together with supporting documents and information, to NEA. Given the scope of the information requested, GAI will continue to engage with NEA and provide such further information and documents as may be required.

Independent Assessment

Separately, pursuant to a letter from NEA dated 1 November 2026, NEA has appointed FTI Consulting (Singapore) Pte. Ltd. as the independent assessor (the "Assessor") to conduct an evaluation of GAI and WongPartnership LLP as the legal advisers to the Assessor. Davinder Singh Chambers LLC has been appointed by NEA to coordinate the evaluation of GAI and the evaluations of other companies and related work.

GAI has accepted and agreed to the terms of the letter and will cooperate fully and transparently with NEA, the Assessor and the relevant parties in connection with the evaluation. This is consistent with GAR and GAI's previously stated commitment to cooperate fully and transparently with the relevant authorities.

The Group remains committed to responsible and sustainable operations and to its longstanding measures for the prevention, monitoring and management of fires.

The Company will continue to monitor developments and will make further announcements as may be required under the applicable Listing Rules.
