*Unless otherwise defined, all capitalised terms used in this announcement shall bear the same meanings as in the Company's announcement dated 29 August 2022 pertaining to the last monthly update announcement (collectively the "**Previous Announcement**").*

The Board of Directors ("**Board**") of Chaswood Resources Holdings Ltd. ("**Company**") together with its subsidiaries ("**Group**") wishes to provide the following monthly update to its shareholders pursuant to Rule 704(22) of the Catalist Rules of the SGX-ST.

Status of legal proceedings

There is no update on any legal proceeding taken against the Company and its subsidiaries.

Status of Proposed Scheme of Arrangement with Creditors ("SOA**")**

There is no update since the company's previous monthly update announcement dated 29 August 2022.

Status of Restructuring Exercise and Resumption Proposal

As of 5 October 2022, the Company and the Vendors had mutually agreed to terminate the Sales and Purchase Agreement dated 27 December 2021 by way of a deed of termination as it is envisaged that the parties are unable to complete the necessary relevant condition precedent for the SPA, due diligence and restructuring work in connection with the RTO.

As announced on 18 July 2022, the SGX-ST will not grant any further extension if the RTO application is not submitted to the SGX RegCo by 31 January 2023, and the further extension of time is solely for the current RTO. The Company until this date of announcement have not receive a firm exit offer from any party nor any of its major shareholders. We wish to highlight that the Company having consulted with its full sponsor is still voluntarily seeking delisting as undertaken and announced should the RTO application is not fulfilled.

Status of Update of Impact of Business Pursuant to the Transitioning to Endemicity with Re-opening Safely Imposed by The Government of Malaysia.

With the increase of the numbers of the new covid cases and admission to treatment center's nationwide, the results were marginally negative to customers dining in our outlets for the month of October and the company continues to practice stringent preventive measure with compulsory mandatory mandate by the Government in all dining outlets.

There has not been any material update on the Group's expansion plan on the new opening of outlets including the new kiosk model due to the uncertainty of the domestic retail market and the various development agreements entered into by the Group. All developers and the Company have agreed from the developers' request for more time to fulfil their retail outlet opening commitments within their existing contract period due to the uncertainty of the market condition and time loss during the Covid 19 pandemic.

Further announcements will be made by the Company and the Board via SGXNET as and when there are any material developments in relation to, *inter alia*, the extension of the completion of the Amended SOA, the Group's expansion plan, the legal proceedings, the Group's restructuring exercise, the Proposed Acquisition and resumption proposal in compliance with the Catalist Rules of the SGX-ST.

The Board confirms that to their best knowledge, all material disclosures, facts and information have been provided and announced and are not aware of any facts, information or disclosures, the omission of which would make any statement in this announcement or disclosures misleading.
