QUARTERLY UPDATE PURSUANT TO RULE 1313(2) OF THE LISTING MANUAL

The Board of Directors (the “Board”) of CH Offshore Ltd. (the “Company” and together with its subsidiaries, the “Group”) refers to the announcement dated 6 June 2023 in relation to the notification of inclusion on the watch-list due to the financial entry criteria pursuant to Listing Rule 1311 of the Listing Manual with effect from 6 June 2023.

Pursuant to Rule 1313(2) of the Listing Manual, the Company must, for the period in which it remains on the watch-list, provide the market with a quarterly update on its efforts and the progress made in meeting the exit criteria of the watch-list.

Financial performance and financial position

Shareholders may refer to the Company's unaudited results announcement released on 29 July 2025 for details on the Group's financial performance and financial position for the 6 months ended 30 June 2025.

Other material development and future direction

Following the completion of the rights issue on 23 June 2025, the Group has been prudently evaluating the options available for utilisation of the proceeds. With the additional funds from the rights issue, the Group will be able to seize opportunities to partially fund the purchase or building of vessels at the appropriate time and with the right configuration as tenders for charters present themselves. The Group continues to focus on its core business in providing offshore marine assets and services to the oil and gas sector and to manage its operations conservatively to adapt to the ever-changing environment and to take advantage of opportunities where available. The Company will continue to make efforts to meet the requirements of the financial exit criteria under Rule 1314 of the Listing Manual.
