About TEE International Limited (Bloomberg: TEE SP | Reuters: TEEI.SI)

Listed in 2001, TEE International Limited ("TEE" or together with its subsidiaries and associate companies, "TEE Group") is a leading regional engineering group with business interests in real estate and infrastructure that spans across Singapore, Thailand, Malaysia, Hong Kong, Australia and New Zealand. Its core engineering business dates back to 1991 when it was first established as a general electrical contractor. Anchored on a strong track record in delivering quality and value-added integrated engineering solutions, TEE is now recognised as a trusted partner in the engineering industry.

Through its majority-owned SGX Mainboard-listed subsidiary, TEE Land Limited, TEE undertakes the development of residential, commercial, and industrial property projects, as well as invests in income-generating properties in Singapore and the region. With a focus on growing a diversified and resilient enterprise, TEE has also expanded into the Infrastructure business by investing in assets in the Water, Power and Environmental segments.
