Community Initiatives

Improving the quality of life of communities living in and around our operational areas has been fundamental to the business principles as envisioned by our Founder. It has been part of our work ethos for over a hundred years and will continue to remain so. In FY 14, this commitment was further strengthened with the following initiatives:

- Formation of CSR Advisory Council to provide macro policy-level inputs to guide the Company's approach towards CSR
- Seven Skill development centres set up in partnership with renowned training institutes, 1700 people trained
- ~ 3.50 lakh people provided with primary health care services in operational areas
- More than 16,000 adults made functionally literate
- Livelihood opportunities provided to ~ 3000 farmers through agriculture development
- ~ 1900 solar street lights installed in villages of Jharkhand and Odisha
- More than 10,000 youth taught tribal scripts of Ho, Santhali and Oraon languages

The above is for your information.

Thanking you,

Yours faithfully,
Tata Steel Limited
