Citi-REITAS-SGX C-Suite Singapore REITs & Sponsors Forum 2019 22 August 2019

#### **Important Notice**

This presentation should be read in conjunction with the announcements released by OUE Commercial Real Estate Investment Trust ("OUE C-REIT") on 7 August 2019 (in relation to its Financial Results for 2<sup>nd</sup> Quarter 2019).

This presentation is for information purposes only and does not constitute an invitation, offer or solicitation of any offer to acquire, purchase or subscribe for units in OUE C-REIT ("Units"). The value of Units and the income derived from them, if any, may fall or rise. The Units are not obligations of, deposits in, or guaranteed by, OUE Commercial REIT Management Pte. Ltd. (the "Manager"), DBS Trustee Limited (as trustee of OUE C-REIT) or any of their respective affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. The past performance of OUE C-REIT is not necessarily indicative of the future performance of OUE C-REIT.

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. These forward-looking statements speak only as at the date of this presentation. Past performance is not necessarily indicative of future performance. No assurance can be given that future events will occur, that projections will be achieved, or that assumptions are correct. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses (including employee wages, benefits and training costs), property expenses and governmental and public policy changes. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's current view of future events.

Investors should note that they will have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the Singapore Exchange Securities Trading Limited (the "SGX-ST"). It is intended that holders of Units ("Unitholders") may only deal in their Units through trading on the SGX-ST. The listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

- Although Singapore's CBD Grade A office rental growth has moderated, continued leasing momentum led to higher rents being achieved in 2Q 2019 while maintaining stable occupancy
- Positive rental reversions across Singapore portfolio
- No significant refinancing until 2020

<sup>(1)</sup> OUE C-REIT's annualised distribution yield based on 1H 2019 distribution per unit of 1.68 cents and Unit closing price of S\$0.505 as at 28 June 2019 (being the last trading day of 2Q 2019)

#### Proposed Merger with OUE Hospitality Trust

#### **Proposed Merger with OUE Hospitality Trust**

- Announced proposed merger with OUE Hospitality Trust by way of a trust scheme of arrangement on 8 April 2019
- Approval of OUE C-REIT unitholders obtained at the extraordinary general meeting held on 14 August 2019
- Court hearing on 26 August 2019 to sanction the trust scheme, with expected effective date of merger in September 2019
- The rationale for the proposed merger includes:
  - Creation of one of the largest diversified S-REITs, owning seven properties with total assets of approximately S\$6.9 billion
  - Larger capital base and broadened investment mandate provide flexibility to drive long-term growth; enhanced portfolio diversification with greater resilience
  - DPU accretive to Unitholders on a historical pro forma basis

## 2Q 2019 vs 2Q 2018

|  | 2Q 2019 | 2Q 2018                    | Change |

- Net property income of S\$40.8 million in 2Q 2019 increased 20.1% YoY due primarily to the contribution from OUE Downtown Office which was acquired in November 2018
- The drawdown of OUE Downtown Office's rental support, partially offset by higher interest expenses in 2Q 2019 as a result of higher borrowings, resulted in amount available for distribution of S\$22.5 million, 36.6% higher YoY

<sup>(1)</sup> For the purpose of comparison, 2Q 2018 DPU has been restated to include the 1,288,438,981 new Units issued on 30 October 2018 pursuant to the rights 16 issue (the "Rights Issue")

## **Overview of Singapore Office Sector**

#### ✓ Singapore's CBD

- Comprises traditional areas of Raffles Place, Robinson Road/Cecil Street, Shenton Way/Tanjong Pagar as well as Marina Bay
- Many established global financial institutions and headquarters of MNCs are located in Marina Bay and Raffles Place, while Robinson Road/Cecil Street and Shenton Way/Tanjong Pagar are popular with professional services companies and other financial, insurance and real estate companies

#### ✓ Historical supply-demand conditions

- Annual average island-wide demand for office space from 2008 – 2017 was about 1.1 million sq ft, compared to annual average supply of 1.4 million sq ft over the same period. For 2018, island-wide net absorption was 1.6 million sq ft, compared to net new supply of 1.5 million sq ft.

- ✓ Puxi, the traditional business and commercial hub of Shanghai
- Key office and commercial districts within Puxi are concentrated in the Jing'an, Huangpu and Xuhui areas, which together form the traditional downtown CBD of Shanghai
- Puxi draws international retailers, service providers and MNC headquarters operations due to its good connectivity and excellent amenities, while Pudong's Lujiazui caters to financial institutions due to policy and incentive-driven agglomeration
- ✓ Historical supply-demand conditions
- The six main districts that make up Shanghai core CBD provide Grade A office stock of about 7.57 million sq m as at 2Q 2019
- Average net demand for Shanghai CBD Grade A office from 2014 2018 was 426,000 sq m, compared to average net supply of 497,000 sq m over the same period. In 2018, net absorption was 635,000 sq m, 6.0% increase YoY. Net supply in 2018 was 408,000 sq m, significantly lower than in 2017
