PROPOSED ISSUANCE OF CONVERTIBLE NOTES AND NON-LISTED WARRANTS
- ISSUE OF 7,142,857 CONVERSION SHARES

---

*Unless otherwise defined, all capitalized terms used in this announcement shall have the same meanings ascribed to them in the Company's announcements dated 31 March 2021 and 23 April 2021 (the "**Announcements**") in relation to the proposed issuance of unsecured convertible notes and unlisted warrants ("**Proposed Issue**").*

1. INTRODUCTION

The Board refers to the Company's announcement on 5 May 2021 which stated that, as of 29 April 2021 ("**First Tranche**"), the Subscriber had subscribed for, and the Company had duly issued to the Subscriber, an aggregate principal amount of S$1,220,000 of Notes (Certificate Numbers 000001 to 000122) ("**Issued Notes**"), in accordance with the terms and conditions of the Subscription Agreement. In addition, 24,999,999 Warrants (Certificate Number 000001) ("**Issued Warrants**") shall be attached to the Issued Notes, based on the Warrant Exercise Price of S$0.033.

Further to the above, the Subscriber had, on 10 March 2022, exercised its rights to convert fifteen (15) of the Issued Notes (being, Certificate Numbers 000059 to 000073) ("**Eighth Converted Notes**"). The Eighth Converted Notes, with an aggregate principal value of S$150,000, shall be converted into an aggregate of 7,142,857 Conversion Shares at the Effective Conversion Price of S$0.021 for each Conversion Share. Prior to the foregoing, fifty eight (58) of the Issued Notes have been converted prior to 10 March 2022.

2. EFFECTIVE CONVERSION PRICE

The Effective Conversion Price of S$0.021 was determined based on the higher of (i) the Minimum Share Price; or (ii) the Conversion Price (rounded down to the nearest thousandth (1000th) of a dollar), details as set out below:

(a) Minimum Share Price means the higher of:
  (i) S$0.015; or
  (ii) 90% of the VWAP for trades done on a Market Day immediately preceding the day on which the relevant Conversion Shares are to be issued, being 90% of S$0.0227 recorded on 9 March 2022.

(b) Conversion Price means 98% of the lowest Closing VWAP during the Pricing Period (being, a period of ten (10) Trading Days immediately preceding the date of the Conversion Notice on 10 March 2022), being 98% of S$0.0198 recorded on 29 November 2021. Upon the request of the Subscriber, the Company and the Subscriber have agreed that the Closing VWAP of S$0.0160 recorded on 7 March 2022 be excluded for the determination of the Conversion Price ("**Exclusion**"). The Company has agreed to the Exclusion as it is in the interest of the Company and its shareholders

as it will result in a higher Conversion Price, and accordingly, lesser shares in the Company of the Company to be issued.

3. OTHER INFORMATION

The Company is currently in discussion with the Lender and the Subscriber on arrangements on delivery of the Conversion Shares as well as issuance and allotment of the Conversion Shares. The Company will make further announcements to update shareholders on the Proposed Issue (including, but not limited to, the date of issuance and allotment of the Conversion Shares, and the listing and quotation of the Conversion Shares) as and when appropriate.

BY ORDER OF THE BOARD

Wijaya Lawrence
Executive Chairman and President
14 March 2022
