PROFIT GUIDANCE

The Board of Directors (the "**Board**") of Abundance International Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to inform shareholders of the Company that, based on a preliminary review of the Group's draft unaudited consolidated financial results for the six-month period ended 30 June 2026 ("**1H2026**"), the Group is expected to report a net profit for 1H2026. The expected net profit is primarily attributable to the following:

- improved gross profit margins from the Group's chemical trading business;
- lower operating expenses arising from cost rationalisation measures implemented by the Company's wholly-owned subsidiary, Orient-Salt Chemicals Pte. Ltd. ("**OSC**") and its subsidiaries in the People's Republic of China and Japan (collectively, the "**OSC Group**"); and
- improved investment performance by the Company's wholly-owned subsidiary, Abundance Investments Pte. Ltd., which recorded primarily realised investments gains, as well as unrealised fair value gains on its investment portfolio in 1H2026 compared to the corresponding six-month period ended 30 June 2025.

The Company is still in the process of finalising the Group's condensed interim financial statements for 1H2026. The Group's financial results for 1H2026 are expected to be released on or before 14 August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisers.
