**NEWS RELEASE**

# CSE Global Wins Silver Award for Best Risk Management and Best Annual Report at Singapore Corporate Awards 2023

***Singapore, 8 September 2023*** – **CSE Global Limited** ("**CSE Global**" or the "**Group**"), a global systems integrator providing automation, communications, and electrification solutions, is pleased to announce that it has won the **Silver Award** for **Best Risk Management** and **Best Annual Report,** listed companies with market capitalisation of less than S$300 million category, at the **Singapore Corporate Awards (SCA) 2023.**

The Best Annual Report award includes a two-stage screening process that accounted for the quality and presentation of information presented in the annual report. Similarly, the Best Risk Management award entails a three-stage screening process that seeks to recognise companies that have established and disclosed adequate and effective risk management practices and framework to support strategic direction in generating long term value for its stakeholders. These awards recognise CSE Global's commitment towards excellent corporate governance.

**Mr Lim Boon Kheng, Group Managing Director of CSE Global,** said, "We are honoured to be presented with these awards. CSE Global places great emphasis on the importance of upholding corporate governance standards through rigorous risk management processes and transparent reporting practices. Not one to rest on our laurels, we are committed to further enhancing our corporate governance practices together with the Board."

The SCA is organised by the Institute of Singapore Chartered Accountants (ISCA), Singapore Institute of Directors (SID) and The Business Times (BT), supported by Accounting and Corporate Regulatory Authority (ACRA) and Singapore Exchange (SGX). The purpose of SCA is to recognise and honour SGX-listed companies as well as individuals who, through their corporate practices, have helped to raise Singapore's corporate disclosure standards and corporate governance.

## About CSE Global Limited ("CSE Global")

CSE Global is a leading systems integrator providing automation, communications, and electrification solutions across various industries globally.

At CSE Global, we pride ourselves as a trusted, lifelong partner to our customers who always has their interests at heart. Leveraging our engineering experience, technology and diverse skill sets across our global network, we design and build customised, integrated systems for our clients that solve their problems.

Our integrated systems – from intelligent transport to smart lighting or energy management systems – sit at the heart of every infrastructure and are mission-critical in nature. With highly attuned engineering capabilities at our core, we have successfully delivered complex, large-scale projects amidst the most challenging conditions. Our technologies are designed to reduce waste, allow for greener, smarter processes and are built to last.

Listed on the Singapore Exchange since 1999 and with our presence across 16 countries, 57 offices, and close to 2,000 employees across the globe, we enjoy long-standing relationships with a sizeable customer base comprising large government organisations and renowned brands across the Energy, Infrastructure, and Mining & Minerals sectors.

Over the years, we have built a workplace culture and management style that is people-centric, supportive and collaborative with employee well-being and people improvement as our key focus. Our passion for our work has resulted in a consistent profit track for the past three decades, as we continue to pursue operational excellence to achieve sustainable growth and enhanced shareholder returns.

CSE Global – Customer Satisfaction Everytime.
