10 June 2022

Dear Sir/Madam,

PROPOSED RENEWAL OF THE IPT GENERAL MANDATE**1. INTRODUCTION**

We refer to the Notice of the AGM dated 10 June 2022 in respect of the forthcoming AGM to be held by way of electronic means on Monday, 27 June 2022 at 10.00 a.m.. Resolution 10 set out under the heading "Special Business" in the Notice of AGM is an ordinary resolution for the proposed renewal of the IPT General Mandate.

As disclosed in the Offer Document, the then Shareholders had by way of written resolutions dated 17 January 2022 approved the IPT General Mandate. The IPT General Mandate will be effective from the date of the Company's admission to Catalist until the earlier of the following: (a) the conclusion of the Company's first annual general meeting following its admission to Catalist, or the date by which the next annual general meeting of the Company is required by law to be held; or (b) the first anniversary of the date of the Company's admission to Catalist.

The IPT General Mandate will expire at the forthcoming AGM unless it is renewed by Shareholders. Accordingly, the Company intends to seek a renewal of the IPT General Mandate at the forthcoming AGM. If approval is obtained from Shareholders at the forthcoming AGM, the IPT General Mandate will be renewed with effect from the date of the passing of the ordinary resolution in relation to the proposed renewal of the IPT General Mandate, and will (unless revoked or varied by the Company in a general meeting) continue to be in force until the date on which the next annual general meeting is held or is required by law to be held, whichever is earlier. Thereafter, the Company will seek the approval of the Independent Shareholders for a renewal of the IPT General Mandate at each subsequent annual general meeting or the date by which the next annual general meeting of the Company is required by law to be held, subject to satisfactory review by the Audit Committee of its continued application to the transactions with the Mandated Interested Person.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

DATED 10 JUNE 2022

The purpose of this Appendix is to provide Shareholders with information relating to, and explaining the rationale for, the proposed renewal of the IPT General Mandate, and to seek Shareholders' approval for the ordinary resolution in relation to the proposed renewal of the IPT General Mandate at the forthcoming AGM.

2. PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

2.1 Name of the Mandated Interested Person

The IPT General Mandate applies to the Mandated Transactions that are carried out between any Entity at Risk and Accentury ("**Mandated Interested Person**").

Accentury is an exempt private company limited by shares incorporated in Singapore on 3 April 2008, engaged in the trading of electric components and lighting equipment. Its shareholders are Ms. Pow Pei San (Ms. Bao Peishan) and Ms. Cheng Chew Hun, who are the spouses of Mr. Low Siong Yong and Mr. Tai Yoon On, and who hold 55.0% and 45.0% of the issued and paid-up shares of Accentury, on trust for Mr. Low Siong Yong and Mr. Tai Yoon On respectively. Mr. Low Siong Yong and Mr. Tai Yoon On are Directors and Controlling Shareholders, and accordingly, Accentury is deemed to be an Interested Person and transactions between the Group and Accentury are deemed Interested Person Transactions.

2.2 Categories of Mandated Transactions

From time to time, the EAR Group purchases electrical components, lighting equipment and related spare parts from the Mandated Interested Person for its business (the "**Mandated Transactions**"). The Mandated Transactions relate to the provision to, or obtaining from, the Mandated Interested Persons of products and services in the ordinary course of business of the EAR Group or which are necessary for the EAR Group's day-to-day operations, but not in respect of the purchase or sale of assets, undertakings or businesses.

Transactions between the Mandated Interested Person and the EAR Group which do not fall within the ambit of the Mandated Transactions shall be subject to the relevant provisions of Chapter 9 of the Catalist Rules and such guidelines as set out in the section entitled "Interested Person Transactions – Guidelines and Review Procedures for Future Interested Person Transactions" of the Offer Document.

2.3 Rationale for and benefits of the IPT General Mandate

Given the nature of the Group's business, the Group envisages that the Mandated Transactions are likely to occur from time to time, in the ordinary course of business. In view of the time-sensitive and recurrent nature of the Mandated Transactions, it would be advantageous for the Group to renew the IPT General Mandate to enable the EAR Group to enter into the Mandated Transactions, provided that the Mandated Transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. The IPT General Mandate will allow the Group to purchase electrical components, lighting equipment and related spare parts that meet its requirements and specifications from a trusted and established supplier, thereby ensuring the sustainability of its operations.

The IPT General Mandate and its subsequent renewal on an annual basis would eliminate the need to announce, or to announce and convene separate general meetings from time to time to seek Independent Shareholders' approval, thereby easing administrative and financial costs, without compromising the EAR Group's business activities.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

DATED 10 JUNE 2022

The IPT General Mandate is intended to facilitate transactions in the ordinary course of business of the EAR Group which are transacted from time to time with the Mandated Interested Person, provided that they are carried out on arm's length basis and are on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

2.4 Requirements under Chapter 9 of the Catalist Rules

Chapter 9 of the Catalist Rules governs transactions in which a listed company or any of its subsidiaries or associated companies (each known as an "entity at risk" within the meaning of Chapter 9 of the Catalist Rules) enters into or proposes to enter into with a party who is an interested person of the listed company. The purpose is to guard against the risk that such interested persons could influence a listed company, its subsidiaries or associated companies to enter into transactions with interested persons that may adversely affect the interests of the listed company or its shareholders.

An immediate announcement and/or shareholders' approval would be required in respect of transactions with interested persons if the value of the transaction is equal to or exceeds certain financial thresholds.

In particular, an immediate announcement is required where:

- (a) the value of an interested person transaction is equal to, or more than, 3.0% of the listed group's latest audited NTA; or
- (b) the transaction, when aggregated with other transactions entered into with the same interested person during the same financial year, amounts to 3.0% or more of the listed group's latest audited NTA.

In addition to an immediate announcement, shareholders' approval is required for an interested person transaction of a value equal to, or exceeding:

- (a) 5.0% of the listed group's latest audited NTA; or
- (b) 5.0% of the listed group's latest audited NTA, when aggregated with the values of other transactions entered into with the same interested person during the same financial year. However, a transaction which has been approved by shareholders, or is the subject of aggregation with another transaction that has been approved by shareholders, need not be included in any subsequent aggregation.

The above requirements for immediate announcement and/or for shareholders' approval do not apply to any transaction below S\$100,000 and certain transactions listed under Rules 915 and 916 of the Catalist Rules. However, while transactions below S\$100,000 are not normally aggregated, the SGX-ST may aggregate any such transaction entered into during the same financial year and treat them as if they were one transaction.

Rule 920 of the Catalist Rules allows a listed company to seek a general mandate from its shareholders for recurrent transactions with interested persons where such transactions are of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials, but not in respect of the purchase or sale of assets, undertakings or businesses. A general mandate granted by shareholders is subject to annual renewal.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

DATED 10 JUNE 2022

2.5 Guidelines and procedures under the IPT General Mandate

The Audit Committee will review and approve all Interested Person Transactions to ensure that they are on normal commercial terms and on arm's length basis, that is, the transactions are transacted in terms and prices not more favourable to the Interested Persons than if they were transacted with a third party and are not prejudicial to the interests of the Company and its minority Shareholders in any way.

To ensure that the Mandated Transactions are carried out on normal commercial terms and will not be prejudicial to the interests of the Company or its minority Shareholders, the following procedures have been implemented by the Group under the IPT General Mandate:

- a. All Mandated Transactions shall be conducted in accordance with the Group's usual business practices and policies, at the prevailing market rates or prices, and on terms which are no less favourable to the Group as compared to the terms extended by unrelated third-parties (including, where applicable, preferential rates, prices, commissions or discounts accorded to customers or purchasers who have a long-term contract with the Group) or otherwise in accordance with applicable industry norms.
- b. For each transaction with the Mandated Interested Person for purchase of electrical components, lighting equipment and related spare parts, the purchasing department will obtain at least two (2) quotations from unrelated third-party suppliers for comparison. The Group will only purchase from the Mandated Interested Person if the terms offered by the Mandated Interested Person are the same or more favourable than the terms offered by such unrelated third-party suppliers and taking into account other pertinent factors such as the discount offered by the Mandated Interested Person compared to the unrelated third-party suppliers, the size of the order, the quality of the electrical components, lighting equipment and related spare parts, credit terms, track record and reliability of the counterparty and delivery logistics.
- c. Where it is impracticable or not possible for quotations to be obtained from unrelated third party vendors, the price and commercial terms offered by the Mandated Interested Person will be compared to those for the same or substantially the same types of transactions entered into between the Mandated Interested Person and third parties. The review procedures in such cases may include, where applicable, reviewing the standard price lists provided by the Mandated Interested Person to its customers for such products and be based on the commercial merits of the transaction.

In the event that it is impractical or impossible to compare the price and commercial terms with those for the same or substantially the same types of transactions entered into between the Mandated Interested Person and third parties, the CFO and the Independent Directors, if each of them has no interest in the transaction, or failing which, the Audit Committee, in accordance with our usual business practices and policies will, subject to the approval thresholds set out below, determine whether the price and terms offered as the case may be, are fair and reasonable. In determining the transaction price payable to the Mandated Interested Person for such products and/or services, factors such as, but not limited to, quality, quantity, requirements and specifications will be taken into account.

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

DATED 10 JUNE 2022

2.6 Approval threshold(s) for Mandated Transactions with the Mandated Interested Person

The approval thresholds for each Mandated Transaction are as follows:

Value of Mandated Transaction	Approval Authority
Below 3.0% of the latest audited NTA of the Group	CFO
Equal or exceeds 3.0% of the latest audited NTA of the Group	CFO and Audit Committee

In the review of the Mandated Transactions, the Independent Director may at his/her discretion obtain independent advice. If any of the approval authority has an interest in a Mandated Transaction, he/she will abstain from any review, deliberation or decision making in respect of that Mandated Transaction.

2.7 Additional review procedures for Interested Person Transactions

The Group will also implement the following procedures for the identification of Interested Persons and the record keeping of all Interested Person Transactions:

- (a) the Group's finance team will maintain a list of Interested Persons and their Associates (which is to be updated immediately if there are any changes) to enable identification of the Interested Persons. The list shall be reviewed on a quarterly basis by the CFO and subject to such verifications or declarations as required by the Audit Committee for such period as determined by them. This list shall be disseminated to all relevant staff for identification of Interested Person Transaction on a timely basis;
- (b) the Company will maintain a register of Interested Person Transactions, including the Mandated Transactions ("**IPT Register**"). The IPT Register will also record any Interested Person Transaction that are below S\$100,000 in value, although such transactions are not required to be aggregated under Chapter 9 of the Catalist Rules. The CFO shall review the IPT Register on a quarterly basis;
- (c) all documents related to the Mandated Transactions will be filed in a separate file ("**IPT Mandate File**") for ease of tracking and monitoring. The IPT Mandate File will contain all forms and checklists in relation to the Mandated Transactions. The IPT Mandate File will also contain invoices and payment vouchers in relation to the Mandated Transactions. The CFO will review the IPT Mandate File on a monthly basis;
- (d) the Audit Committee shall review the IPT Register and the IPT Mandate File on a half-yearly basis (or on such other frequency as the Audit Committee may deem necessary) to ascertain that the established review procedures to monitor the Mandated Transactions have been complied with. Such review includes the examination of the transactions and its supporting documents or such other data deemed necessary by the Audit Committee. The Audit Committee may request for additional information pertaining to the transactions under review from independent sources, advisers or valuers as it deems fit;
- (e) the Group's internal auditors will, on an annual basis, review the IPT Mandate File to ascertain that the guidelines and procedures established for the Mandated Interested Person Transactions have been adhered to. Any discrepancies or significant variances from the Group's usual business practices and pricing policies will be highlighted to the Audit Committee;

APPENDIX IN RELATION TO THE PROPOSED RENEWAL OF THE IPT GENERAL MANDATE

DATED 10 JUNE 2022

- (f) if pursuant to the relevant reviews, the Audit Committee is of the view that the established review procedures as stated above have become inappropriate or insufficient in view of changes to the nature of, or the manner in which, the business activities of the Company are conducted, it will take such actions as it deems appropriate and/or institute additional procedures as necessary (such as, where relevant, to seek a fresh Shareholders' general mandate for the Mandated Transactions) to ensure that the Mandated Transactions will be conducted on arm's length basis, on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders; and
- (g) disclosure will be made in the interim announcements and the annual report of the Company in respect of the Mandated Transactions in accordance with Chapter 9 of the Catalist Rules.

3. DISCLOSURE IN FINANCIAL RESULTS ANNOUNCEMENTS AND ANNUAL REPORTS

The Company will announce the aggregate value of transactions conducted with the Mandated Interested Person pursuant to the IPT General Mandate for the relevant financial periods which the Company is required to report on pursuant to the Catalist Rules and within the timeframe required for such announcements.

Disclosure will also be made in the Company's annual report of the aggregate value of transactions conducted with the Mandated Interested Person(s) pursuant to the IPT General Mandate during the financial year, and in the annual reports for subsequent financial years that the IPT General Mandate continues in force, in accordance with the requirements of Chapter 9 of the Catalist Rules.

The name of the Interested Person, nature of relationship and the corresponding aggregate value of the transactions with the Interested Person will be presented in the following format (or in such other form as the Catalist Rules may require from time to time):

Name of Interested Person	Nature of relationship	Aggregate value of all interested person transactions during the financial year/period under review (excluding transactions less than S\$100,000 and transactions conducted under the Shareholders' general mandate pursuant to Rule 920 of the Catalist Rules)	Aggregate value of all interested person transactions conducted under the Shareholders' general mandate pursuant to Rule 920 of the Catalist Rules during the financial year/period under review (excluding transactions less than S\$100,000)

4. AUDIT COMMITTEE'S STATEMENT

The Audit Committee (currently comprising Mr. Marcus Woon, Mr. Chan Jer Hiang and Mr. Ong Beng Chye) has reviewed the terms of the IPT General Mandate and confirms that the method and procedures for determining the transaction prices of the Mandated Transactions under the IPT General Mandate (as disclosed in the Offer Document) have not changed since the IPT General Mandate was approved on 17 January 2022 and that such methods and procedures, if adhered to, are sufficient to ensure that the Mandated Transactions with the Mandated Interested Person will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.
