---

**Singapore, 21 May 2018** – Catalyst-listed **Aoxin Q&M Dental Group Limited** (the “**Company**” and together with its subsidiaries, the “**Group**”), a leading provider of private dental services, distributor of dental equipment and supplies as well as provider of laboratory services in Liaoning Province, Northern PRC, is pleased to announce that its Group Chief Executive Officer, Dr Shao Yongxin (“**Dr Shao**”) has been re-appointed by Jinzhou Medical University as the Dean of its Shenyang Department of Stomatology.

Dr Shao was the Dean of Jinzhou Medical University, Shenyang Department of Stomatology for the past three years. This re-appointment, for a further period of five years, is a recognition and a testament of his contributions to raise the standards for dentists to provide quality service in China.

The Company collaborates with Jinzhou Medical University to provide instruction and training to students and dental professionals. Hence, its stomatology training centre at Shenyang is also accredited by Jinzhou Medical University for undergraduate and post-graduate training. That means students graduate from this training centre with dental qualifications recognised by universities in China. Together with the re-appointment of Dr Shao, this training centre has received accreditation for a further five years. Currently, this is the only training centre accredited by a university in China.

The training centre allows the Company to train, recruit and groom fresh talents which would alleviate the concerns on shortage of skilled professionals that this industry faces.

As of 20 May 2018, the Group has added another dental hospital, increasing its total dental centres to twelve (12) – comprising of five (5) dental hospitals and seven (7) polyclinics – located across four cities in Liaoning Province, namely Shenyang, Huludao, Panjin and Gaizhou. The Group also owns a dental equipment and supplies distribution network spanning the Liaoning, Heilongjiang and Jilin Provinces in northern China.
