1 The Board of Directors (the "**Board**") of Q & M Dental Group (Singapore) Limited (the "**Company**", and collectively with its subsidiaries, the "**Group**") refers to its announcement dated 20 January 2025 ("**Previous Announcement**"), regarding the entry by EM2AI Pte. Ltd. ("**EM2AI**"), a 49% associated company of the Group, into a MOU with an established provider of dental solutions in the region ("**Customer**").

Unless otherwise defined in this announcement, capitalised terms used in this announcement shall have the same meaning as ascribed to them in the Previous Announcement.

2 Further to the Previous Announcement, the Board is pleased to announce that, following successful negotiations with the Customer, EM2AI has entered into a binding written agreement with the Customer on 21 March 2025 in relation to the Proposed Co-operation.

3 Under the Proposed Co-operation, EM2AI has granted the Customer a license to integrate its dental AI solutions into the Customer's platform. 4 With the Proposed Collaboration, EM2AI will expand its reach and is now set to provide its dental AI solutions to over 1,100 clinics across Singapore, Malaysia, Thailand and Vietnam. As EM2AI continues to grow and expand its network of users in the region, the Board expects this development to contribute to the creation of shareholder value.

5 The Company will make further announcement(s) as and when there are any material developments in the business of EM2AI.
