RYOBI KISO CONTINUES TO ADD S$26.4 MILLION OF NEW CONTRACTS, BRINGING TOTAL CONTRACTS SECURED SINCE 1 JANUARY 2015 TO S$114.7 MILLION

SINGAPORE, 11 December 2015 – Ryobi Kiso Holdings Ltd. ("菱备基础控股有限公司") (the "**Company**" together with its subsidiaries, the "**Group**"), a leading specialist ground engineering solutions provider, announced today that additional contracts worth S$26.4 million have been secured, bringing the total new contracts secured since January 2015 to S$114.7 million.

Some of these contracts awarded for foundation and geoservices include:

- Chestnut Avenue Waterworks, Public Utilities Board
- HDB Dawson C5
- Land Transport Authority Contract C1037
- Melbourne Hotel, Perth, Australia
- Phu Thuan Residential (LACASA), Ho Chi Minh, Vietnam

The Group's net order book as at 30 September 2015 stood at S$160.8 million.

Commenting on the contracts secured, Mr. Ong Tiong Siew, Chief Executive Officer and Executive Director of Ryobi Kiso said ***"We are pleased to have added more contracts to our order book. While a majority of the new projects came from our key market in Singapore, we have also added new projects from Vietnam as well. This is a clear indication of our strength and reputation in our overseas markets. Going forward, we continue to be cautious on the short term outlook of the industry as construction sector remains challenging. Nevertheless, with the Group's ability to***

constantly secure new contracts, we are confident of overcoming these difficulties and emerge stronger than before."
