9. **RELATIVE FIGURES COMPUTED BASED ON RULE 1006 OF THE CATALIST RULES**

With reference to the announcements made by the Company on 20 February 2026, 21 February 2026, and 21 April 2026 in relation to the sale of property located at 81 Ubi Avenue 4, #03-12, UB.One, Singapore 408830 ("**Earlier Unit**"), the Purchaser of the Property has confirmed to the Company that it is not related to Nan Kai Textiles (Private) Limited, which was the buyer for the Earlier Unit. As such, the Company has not aggregated the Proposed Sale with the sale of the Earlier Unit for the purpose of computation of the relative figures under Rule 1006 of the Catalist Rules.

The relative figures in relation to the Proposed Sale are computed on the applicable bases set out in Rule 1006 of the Catalist Rules based on the Group's latest audited consolidated financial statements for FY2025 as set out as follows:

	Bases Under Rule 1006	Relative Figures (%)
(a)	The net asset value of the assets to be disposed of, compared with the group's net asset value. This basis is not applicable to an acquisition of assets.	15.1 ⁽¹⁾
(b)	The net profits attributable to the assets acquired or disposed of, compared with the group's net profits.	Not applicable ⁽²⁾
(c)	The aggregate value of the consideration given or received, compared with the issuer's market capitalisation based on the total number of issued shares excluding treasury shares.	5.7 ⁽³⁾

(d)	The number of equity securities issued by the issuer as consideration for an acquisition, compared with the number of equity securities previously in issue.	Not applicable ⁽⁴⁾
(e)	The aggregate volume or amount of proved and probable reserves to be disposed of, compared with the aggregate of the group's proved and probable reserves. This basis is applicable to a disposal of mineral, oil or gas assets by a mineral, oil and gas company, but not to an acquisition of such assets. If the reserves are not directly comparable, the Exchange may permit valuations to be used instead of volume or amount.	Not applicable ⁽⁵⁾

Notes:-

- (1) Based on the book value of the Property of approximately S\$419,563 and the net asset value of the Group of approximately S\$2,772,000 as at 31 December 2025.
- (2) Not applicable, as the Property was used as the Company's corporate office and was not income-generating.
- (3) Based on the Consideration of S\$980,000 and the market capitalisation of the Company of approximately S\$17,053,170. The market capitalisation of the Company is calculated on the basis of 17,053,169,818 Shares as at the date of this announcement and the volume weighted average price of S\$0.0010 per Share transacted on 3 July 2026, being the last full market day on which the Company's Shares were traded preceding the date of the Option.
- (4) Rule 1006(d) of the Catalist Rules is not applicable to the disposal of assets.
- (5) Rule 1006(e) of the Catalist Rules is not applicable as the Company is not a mineral, oil and gas company.

Having regard to the above, as the relative figure as computed under Rules 1006 (a) and (c) of the Catalist Rules in respect of the Proposed Sale exceeds 5% but does not exceed 50%, the Proposed Sale constitutes a disclosable transaction within the meaning of Chapter 10 of the Catalist Rules. As such, the Company is required to immediately announce the information specific under Catalist Rules 1010, 1011, 1012, and 1013, where applicable, in relation to the Proposed Sale.
