To: The Shareholders of Sysma Holdings Limited

Dear Sir/Madam

**1. INTRODUCTION**

- 1.1 The purpose of this Appendix is to provide the Shareholders with information relating to, and to seek the approval of the Shareholders at the 2015 AGM, for the proposed renewal of the Share Buyback Mandate.
- 1.2 This Appendix has been prepared solely for the purpose set out herein and may not be relied upon by any persons (other than Shareholders) or for any other purpose.
- 1.3 The SGX-ST and the Sponsor assume no responsibility for the correctness of any of the statements made, reports contained or opinions expressed in this Appendix.

**2. THE PROPOSED RENEWAL OF SHARE BUYBACK MANDATE****2.1 Background**

The Company's existing Share Buyback Mandate was first approved at the extraordinary general meeting of the Company held on 22 November 2013 (the "**2013 EGM**") and renewed at the last annual general meeting held on 21 November 2014 ("**2014 AGM**"). The rationale for, the authority and limitations on, and the financial effects of the Share Buyback Mandate approved at the 2014 AGM were set out in the Appendix to the Notice of 2014 AGM of the Company dated 30 October 2014 ("**2014 Mandate**").

The 2014 Mandate approved at the 2014 AGM will be expiring on 20 November 2015, being the date of the forthcoming AGM. Accordingly, the Company intends to seek the approval of Shareholders for the proposed renewal of the Share Buyback Mandate at the 2015 AGM.

**2.2 Introduction**

It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares has to obtain the approval of its shareholders to do so at a general meeting of its shareholders. It is also a requirement under the Catalist Rules that an issuer which wishes to purchase its own shares should obtain prior approval of its shareholders at a general meeting. In this regard, approval is now being sought from Shareholders at the forthcoming AGM for the proposed renewal of the Share Buyback Mandate.

---

## LETTER TO SHAREHOLDERS

---

An ordinary resolution will be proposed, pursuant to which the Share Buyback Mandate will give the Directors to exercise all powers of the Company to purchase or otherwise acquire its issued Shares on the terms of the Share Buyback Mandate.

If approved by Shareholders at the 2015 AGM, the authority conferred by the Share Buyback Mandate will continue to be in force until the conclusion of the next AGM of the Company or the date by which such an AGM is required to be held (whereupon it will lapse, unless renewed at such meeting) or the date on which Share purchases or acquisitions have been carried out to the full extent mandated or until it is varied or revoked by the Company in a general meeting (if so varied or revoked prior to the next AGM), whichever is the earliest.

### 2.3 Rationale

The approval of the Share Buyback Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake Share purchases or acquisitions up to the 10% limit described in Section 2.4.1 below at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force.

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:

- (a) In managing the business of the Group, the management team strives to increase Shareholders' value by improving, *inter alia*, the return on equity of the Group. In addition to growth and expansion of the business, Share buybacks may be considered as one of the ways through which the return on equity of the Group may be enhanced.
- (b) The Company has at present a share-based incentive plan, namely the Sysma Performance Share Plan, for its employees. Share buybacks by the Company will enable the Directors to utilise the Shares which are purchased or acquired and held as treasury shares to satisfy the Company's obligation to furnish Shares to participants under the Plan, thus giving the Company greater flexibility to select the method of providing Shares to its employees which would be most beneficial to the Company and its Shareholders.
- (c) The Share Buyback Mandate would provide the Company with the flexibility to purchase or acquire the Shares if and when circumstances permit, during the period when the Share Buyback Mandate is in force. It is an expedient, effective and cost-efficient way for the Company to return surplus cash/funds over and above its ordinary capital requirements, if any, which are in excess of its financial requirements, taking into account its growth and expansion plans, to its Shareholders. In addition, the Share Buyback Mandate will allow the Company to have greater flexibility over, *inter alia*, the Company's share capital structure with a view to enhancing its earnings and/or net asset value per Share.
- (d) The purchase or acquisition of Shares under the Share Buyback Mandate will help mitigate short-term share price volatility (by way of stabilising the supply and demand of issued Shares) and offset the effects of short-term share price speculation.

While the Share Buyback Mandate would authorise a purchase or acquisition of Shares up to the said 10% limit during the Relevant period referred to in Section 2.4.2 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full 10% limit as authorised and the purchases or acquisitions of Shares pursuant to the Share Buyback Mandate will be made only as and when the Directors consider it to be in the best interests of the Company and/or the Shareholders and in circumstances which they believe will not result in any material adverse effect on the liquidity, the orderly trading of the Shares, the working capital requirements of the Company or the gearing positions which are, in the opinion of the Directors, appropriate from time to time, or result in the Company being

---

delisted from the Catalist. The Directors will use their best efforts to ensure that after a purchase or acquisition of Shares pursuant to the Share Buyback Mandate, the free float of the Shares held in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the Catalist.

### 2.4 Authority and limits of the Share Buyback Mandate

The authority and limitations placed on purchases or acquisitions of Shares by the Company under the Share Buyback Mandate are summarised below:

#### 2.4.1 Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares that may be purchased or acquired pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company as at the date of the 2015 AGM at which the Share Buyback Mandate is approved, unless the Company has, at any time during the Relevant Period, effected a reduction of its share capital in accordance with the applicable provisions of the Companies Act, in which event the total number of Shares shall be taken to be the total number of Shares as altered. Any Shares which are held as treasury shares will be disregarded for purposes of computing the 10% limit.

**Purely for illustrative purposes only**, on the basis of 261,000,000 Shares in issue as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the AGM, not more than 26,100,000 (representing 10% of the total number of issued Shares as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

#### 2.4.2 Duration of authority

Purchases or acquisitions of Shares may be made during the Relevant Period which is at any time and from time to time, on and from the date of the 2015 AGM at which the Share buyback Mandate is approved, up to:

- (a) the date on which the next AGM of the Company is held or required by law to be held;
- (b) the date on which the purchases or acquisitions of Shares pursuant to the Share Buyback Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

The authority conferred on the Directors by the Share Buyback Mandate to purchase or acquire Shares may be renewed by the Shareholders in a general meeting of the Company, such as at the next AGM or at an extraordinary general meeting to be convened immediately after the conclusion or adjournment of the 2015 AGM. When seeking the approval of the Shareholders for the proposed renewal of the Share Buyback Mandate, the Company is required to disclose details pertaining to purchases or acquisitions of Shares pursuant to the Share Buyback Mandate made during the previous 12 months, including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for such purchases or acquisitions of Shares, where relevant, and the total consideration paid for such purchases or acquisitions.

#### 2.4.3 Manner of purchase or acquisition of Shares

Purchases or acquisitions of Shares can be effected by the Company by way of:

- (a) on-market purchases transacted on the Catalist through the ready market, and which may be transacted through one or more duly licensed stockbrokers appointed by the Company for the purpose of the Share Buyback ("**Market Purchases**"); and/or

---

## LETTER TO SHAREHOLDERS

---

- (b) off-market purchases (“**Off-Market Purchase**”) effected pursuant to an equal access scheme as defined in Section 76C of the Companies Act.

The Directors may impose such terms and conditions, which are consistent with the Share Buyback Mandate, the Catalist Rules, the Companies Act and the Articles, as they consider fit in the interests of the Company in connection with or in relation to an equal access scheme or schemes.

Under the Companies Act, an equal access scheme must satisfy all the following conditions:

- (a) offers for the purchase or acquisition of issued Shares shall be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
- (b) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made to them; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded, where applicable:
  - (i) differences in consideration attributable to the fact that the offers may relate to Shares with different accrued dividend entitlements;
  - (ii) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
  - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company must, as required by the Catalist Rules, issue an offer document to all Shareholders containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed purchase or acquisition of Shares;
- (d) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the Catalist;
- (f) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases), setting out the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions, where relevant, and the total consideration paid for the purchases or acquisitions; and
- (g) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

---

## LETTER TO SHAREHOLDERS

---

### 2.4.4 Maximum price to be paid for the Shares

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors or a committee of Directors that may be constituted for the purposes of effecting purchases or acquisitions of Shares by the Company under the Share Buyback Mandate.

However, the purchase price to be paid for the Shares pursuant to the purchases or acquisitions of the Shares must not exceed:

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined below),

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase or acquisition. For the above purposes of determining the Maximum Price:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five (5) Market Days, on which transactions in the Shares were recorded, before the day on which the purchase or acquisition of Shares was made, or as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days period; and

“**day of the making of the offer**” means the day on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

### 2.5 **Sources of funds**

The Company may only apply funds legally available for the purchase or acquisition of its Shares as provided in the Articles of Association and in accordance with the applicable laws in Singapore. The Company may not purchase or acquire its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Previously, any payment made by the Company in consideration of the purchase or acquisition of its Shares may only be made out of the Company's distributable profits. The Companies Amendment Act 2005 now permits the Company to also purchase or acquire its Shares out of capital, as well as from its distributable profits, so long as the Company is solvent (as defined in Section 76F(4) of the Companies Act).

For this purpose, pursuant to Section 76F(4) of the Companies Act, a company is solvent if:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) the company will be able to pay its debts as they fall due during the period of twelve (12) months immediately after the date of purchase or acquisition of shares; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after such purchase or acquisition, become less than the value of its liabilities (including contingent liabilities).

---

## LETTER TO SHAREHOLDERS

---

The Company intends to use internal sources of funds or borrowings or a combination of both to finance the Company's purchase or acquisition of Shares pursuant to the Share Buyback Mandate. In purchasing or acquiring Shares pursuant to the Share Buyback Mandate, the Directors will principally consider the availability of internal resources. In addition, the Directors will also consider the availability of external financing. However, in considering the option of external financing, the Directors will consider particularly the prevailing gearing level of the Group and the costs of such financing.

The Directors will only make purchases or acquisitions pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

### 2.6 Status of purchased or acquired Shares

Under Section 76B of the Companies Act, any Shares purchased or acquired by the Company through a Share buyback shall be deemed to be cancelled immediately on purchase or acquisition unless such Shares are held by the Company as treasury shares in accordance with Section 76H of the Companies Act. Upon such cancellation, all rights and privileges attached to that Share will expire. The total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

All Shares purchased or acquired by the Company (other than treasury shares held by the Company to the extent permitted under the Companies Act) will be automatically de-listed by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition.

### 2.7 Treasury Shares

Under the Companies Act (as amended by the Companies Amendment Act 2005), the Shares purchased or acquired by the Company may be held or dealt with as treasury shares.

Some of the provisions on treasury shares under the Companies Act are summarised below:

- (a) The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares. Any Shares in excess of this limit shall be disposed or cancelled the excess Shares in accordance with section 76K of the Companies Act before the end of the period of six (6) months beginning with the day on which that contravention occurs, or further as the Registrar of Companies may allow.
- (b) The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.
- (c) In addition, no dividend may be paid, and no other distribution of the Company's assets may be made to the Company in respect of treasury shares. However, the allotment of Shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.
- (d) Where Shares are held as treasury shares, the Company may at any time but subject always to the Take-over Code:
  - (i) sell the treasury shares (or any of them) for cash;
  - (ii) transfer the treasury shares (or any of them) for the purposes of or pursuant to an employees' share scheme and/or plan;

---

## LETTER TO SHAREHOLDERS

---

- (iii) transfer the treasury shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares (or any of them); or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may by order be prescribed by the Minister for Finance.

The Directors will also consider and decide whether to purchase or acquire Shares to satisfy the Shares awarded under the Plan.

The Shares purchased or acquired under the Share Buyback Mandate will be held as treasury shares or cancelled by the Company taking into consideration the then prevailing circumstances and requirements of the Company at the relevant time.

### 2.8 Reporting requirements

The Company shall notify the ACRA in the prescribed form within 30 days of a purchase or acquisition of Shares on the Catalist or otherwise. Such notification shall include, *inter alia*, details of the purchases or acquisitions, the total number of Shares purchased or acquired by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued ordinary share capital before and after the purchase or acquisition of Shares, and the amount of consideration paid by the Company for the purchases or acquisitions.

Within 30 days of the passing of a Shareholders' resolution to approve or renew the Share Buyback Mandate, the Company shall lodge a copy of such resolution with the ACRA.

Pursuant to the Catalist Rules, the Company must announce all purchases or acquisitions of its Shares not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which the Market Purchase was made, and
- (b) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptance of the offer for the Off-Market Purchase.

The Company, upon undertaking any sale, transfer, cancellation and/or use of treasury shares, will comply with Rule 704(31) of the Catalist Rules, which provides that an issuer must make an immediate announcement thereof, stating the following:

- (a) the date of the sale, transfer, cancellation and/or use;
- (b) the purpose of such sale, transfer, cancellation and/or use;
- (c) the number of treasury shares sold, transferred, cancelled and/or used;
- (d) the number of Shares before and after such sale, transfer, cancellation and/or use;
- (e) the percentage of the number of treasury shares against the total number of Shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (f) the value of the treasury shares if they are used for a sale or transfer, or cancelled.

---

## LETTER TO SHAREHOLDERS

---

### 2.9 Financial effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Buyback Mandate on the NTA and EPS of the Company and the Group as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the purchase prices paid for such Shares, the amount (if any) borrowed by the Company to fund such purchases or acquisitions and whether the Shares purchased or acquired are cancelled or held as treasury shares.

The repurchased Shares may be cancelled or held as treasury shares. Any Share buyback will:

- (a) reduce the number of the issued Shares in the capital of the Company where the Shares were purchased or acquired out of the capital of the Company;
- (b) reduce the amount of the Company's profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of the Company's share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled.

Under the Companies Act (as amended by the Companies Amendment Act 2005), purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Buyback Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group. The purchase or acquisition of Shares will only be effected after considering relevant factors such as the working capital requirements, the availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions. The Share Buyback Mandate will be exercised with a view to enhancing the EPS and/or the NTA value per Share of the Group.

**Purely for illustrative purposes only**, the financial effects of the Share Buyback Mandate on the Group and the Company, based on the audited financial statements of the Group and the Company for the financial year ended 31 July 2015 and based on the assumptions set out below:

- (a) based on 261,000,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the AGM, not more than 26,100,000 Shares (representing 10% of the total number of issued Shares (excluding treasury shares) as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate;

## LETTER TO SHAREHOLDERS

---

Shareholders should note that the financial effects illustrated above are based on certain assumptions and purely for illustrative purposes only. In particular, it is important to note that the above analysis is based on the audited financial statements of the Company and the Group for the financial year ended 31 July 2015, and is not necessarily representative of the future financial performance of the Company or the Group.

The Company will take into account both financial and non-financial factors (for example, stock market conditions and the performance of the Shares) in assessing the relative impact of a Share purchase or acquisition before execution. Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares (excluding treasury shares), the Company may not necessarily purchase or be able to purchase the entire 10% of the total number of its issued Shares. In addition, the Company may cancel all or part of the Shares repurchased, or hold all or part of the Shares repurchased in treasury.

Shareholders who are in doubt as to their tax positions or any tax implications arising from the Share Buyback Mandate in their respective jurisdictions should consult their own professional advisers.

### 2.10 **Catalist Rules**

The Company will not purchase any Shares pursuant to the Share Buyback Mandate after a development which could have a material effect on the price of the Shares has occurred or has been the subject of a consideration and/or a decision of the Board until such time as such information has been publicly announced. In particular, the Company will not purchase or acquire any Shares through Market Purchases one (1) month immediately preceding the announcement of the Company's half year and full year financial results.

The Company is required under Rule 723 of the Catalist Rules to ensure that at least 10% of its Shares are in the hands of the public. The “**public**”, as defined under the Catalist Rules, are persons other than the directors, chief executive officer, substantial shareholders or controlling shareholders of the company and its subsidiaries, as well as the associates of such persons.

Based on the Register of Directors' Shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, 78,800,000 Shares, representing 30.19% of the issued Shares (excluding treasury shares), are in the hands of the public. Assuming the Company will to purchase or acquire the entire 10% of the total number of its issued Shares, there will be 52,700,000 Shares, representing 22.44% of the issued Shares (excluding treasury shares), being held in the hands of the public. In undertaking any purchases or acquisitions of Shares through Market Purchases, the Directors will use their best efforts to ensure that a sufficient float in the hands of the public will be maintained so that such purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on the Catalist, cause market illiquidity or adversely affect the orderly trading of the Shares.

### 2.11 **Take-over Code implications**

Appendix 2 of the Take-over Code contains the Share Buy-back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

#### 2.11.1 Obligations to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

---

## LETTER TO SHAREHOLDERS

---

### 2.11.2 Persons acting in concert

Under the Take-over Code, persons acting in concert (“**concert parties**”) comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of the company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

- (a) a company with its parent company, its subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10% or more of the client’s equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

### 2.11.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and their concert parties will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or in the event that such Directors and their concert parties hold between 30% and 50% of the Company’s voting rights, if

## LETTER TO SHAREHOLDERS

the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

Based on the information in the Company's Register of Shareholders as at the Latest Practicable Date, none of the Directors or Substantial Shareholders of the Company are obliged to make a general offer to other Shareholders under Rule 14 and Appendix 2 of the Take-over Code as a result of a purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate. The Directors are not aware of any potential Shareholder(s) who may have to make a general offer to the other Shareholders as a result of a purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate.

**The statements herein do not purport to be a comprehensive or exhaustive description of all the relevant provisions of, or all implications that may arise under the Take-over Code. Shareholders who are in doubt as to their obligations, if any, to make a mandatory takeover offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company are advised to consult the SIC and/or their professional advisers at the earliest opportunity.**

### 2.12 Share buybacks in the previous 12 months

The Company has not purchased or acquired any Shares during the 12-month period immediately preceding the Latest Practicable Date.
