RESPONSE TO QUERY FROM THE SINGAPORE EXCHANGE SECURITIES TRADING LIMITED

Genting Singapore Limited (the “**Company**”) refers to the query raised by Singapore Exchange Securities Trading Limited (“**SGX-ST**”) on 10 April 2023, in relation to the FY2022 Annual Report of the Company and its subsidiaries (the “**Group**”) for the financial year ended 31 December 2022 announced on 28 March 2023, and sets out its response as follows:

Question

We note that the related party transactions disclosed at Note 27 of the financial statements are significantly higher than the interested person transactions disclosed at page 45 of the Company’s annual report. Please explain the differences and provide details of the related party transactions to support any explanation that they are not interested person transactions.

Response:

The disclosure on page 45 of the Company’s annual report sets out aggregate value of all transactions entered into with interested persons in accordance with Chapter 9 of the SGX-ST Listing Rules, excluding transactions less than \$100,000. On the other hand, Note 27 to the Group’s financial statements sets out transactions entered into with related parties (which include not only parties who are interested persons as per SGX-ST Listing Rule 904 but also the Group’s joint venture entity). Note 27 also included transactions less than \$100,000 with interested persons. Accordingly, the related party transactions disclosed at Note 27 to the Group’s financial statements are significantly higher than the interested person transactions disclosed at page 45 of the Company’s annual report.
