Creative Subsidiary ZiiLabs Files Patent Infringement Lawsuit In The US Against ARM

Creative Technology Ltd (“Creative”) today announced that its wholly owned subsidiary ZiiLabs Inc., Ltd (“ZiiLabs”) filed a patent infringement lawsuit (“the lawsuit”) in the United States against ARM.

ZiiLabs owns over 80 US patents in the graphics, processor and 3D spaces. Four of these patents (US 6,111,584, US 6,650,333, US 6,977,649 and US 8,144,156) have been asserted in the lawsuit, in which ZiiLabs is claiming damages for patent infringement, and an injunction against ARM. The lawsuit was filed on 2 September 2016 in the Eastern District of Texas.

Creative had previously announced that Intel, Apple and Samsung had each taken a non-exclusive license to ZiiLabs’ patents.
