

FOR IMMEDIATE RELEASE

iFAST Corp: 9M2026 Net Profit Increased 34.4% YoY to S\$90.27 Million; iFAST Global Bank Achieves Record Quarterly Pretax Profit

The Group remains on track for robust growth in 2026, supported by continued expansion of its wealth management and banking platforms, with iFAST Global Bank positioned to be a stronger growth driver in revenue and profitability.

- In 9M2026, the Group's Net Profit increased by 34.4% YoY to S\$90.27 million.
- In 3Q2026, the Group achieved a 23.0% YoY growth in total revenue to S\$167.01 million, while net profit grew 24.5% YoY to S\$32.37 million.
- The Group's AUA increased 20.0% YoY to a new record high of S\$36.76 billion as at 30 September 2026, supported by healthy net inflows of S\$1.24 billion in 3Q2026 (9M2026: S\$3.80 billion).
- For 3Q2026, the Group's EBITDA¹ grew to S\$51.59 million, representing a 22.8% YoY growth.
- iFAST Global Bank ("the Bank") built on its first full year of profitability in 2025 by reporting a 964.7% YoY growth in pretax profit to S\$3.29 million in 3Q2026. The sharp increase in profitability was underpinned by a 67.1% growth in net revenue.
- As the Group's profitability continues to improve and shareholders' equity grows, the Directors are comfortable with gradually increasing dividend payouts, while maintaining flexibility to support future growth opportunities, capital requirements and business needs.
- The Board of Directors declared a third interim dividend of 3.20 cents per ordinary share, representing a 39.1% YoY increase.

SINGAPORE (26 October 2026) – iFAST Corporation Ltd. ("iFAST Corp" and together with its subsidiaries, the "Group") reported its financial results for the third quarter of 2026 ("3Q2026") and first nine months of 2026 ("9M2026").

The Group continued to deliver healthy earnings growth in 3Q2026, with net profit rising 24.5% YoY to S\$32.37 million, on the back of a 23.0% increase in total revenue to S\$167.01 million. The stronger performance reflected continued growth across the Group's core wealth management platform business as well as a larger earnings contribution from iFAST Global Bank.

For 9M2026, the Group recorded net profit of S\$90.27 million, having grown by 34.4% YoY, keeping the Group on track to deliver robust revenue and profitability growth for the full year. The Group is targeting an improvement in overall profit margin in 2027.

As at 30 September 2026, the Group's assets under administration ("AUA") increased 20.0% YoY to reach a new record high at S\$36.76 billion. Growth was seen in most markets, namely Singapore, Hong Kong, Malaysia and the UK hitting record highs during the quarter.

Note:

1. Group's EBITDA with no deduction of interest expenses in banking operation.

The record AUA was driven by healthy net inflows of S\$1.24 billion in 3Q2026. In 3Q2026, Group AUA for Unit Trusts, Stocks & ETFs and Cash Account & Deposits hit quarter-end record highs, growing by 18.4%, 41.0% and 19.8% YoY respectively.

iFAST Global Bank Grows To Become Third-Largest Revenue Contributor

The Bank continued to strengthen its earnings contribution following its first full year of profitability in 2025.

The Bank reported a record profit before tax of S\$3.29 million in 3Q2026 (a growth of 964.7% YoY). Overall, the Bank recorded a profit before tax of S\$5.90 million in 9M2026, an increase of 193.5% YoY.

The improvement in profitability was underpinned by 24.7% YoY growth in net revenue to S\$35.05 million in 9M2026, with both the Digital Personal Banking and Business Banking divisions contributing to the Bank's continued expansion.

With the Bank now established as the Group's third-largest revenue contributor, the Bank is expected to play an increasingly important role in driving the Group's revenue and profitability growth.

2026 Outlook

Looking ahead, iFAST Global Bank's pretax profit is expected to exceed S\$10 million in FY2026, an increase of over 200.0% compared to S\$3.11 million in FY2025.

As the Group's overall profitability continues to improve and as shareholders' equity grows, the Directors are comfortable with gradually increasing dividend payouts, while maintaining flexibility to support future growth opportunities, capital requirements, and business needs.

For the third interim dividend for FY2026, the Directors declared a dividend of 3.20 cents per ordinary share, a 39.1% YoY increase from the third interim dividend of FY2025. In 9M2026, the dividend payout ratio is 29.4%, compared to 26.5% in 9M2025.

This is consistent with the Directors' previously announced expectation to propose a total FY2026 dividend of 12.00 cents per ordinary share or higher. As previously stated in the Group's latest financial results announcement, this would represent an increase of at least 43.0% compared to FY2025.
