The Company refers to the announcement dated 4 August 2023 in relation to the change in the shareholding structure of the Company's controlling shareholder (the "**Announcement on 1st Change**").

All capitalised terms used herein, unless the context otherwise requires, shall bear the meanings ascribed to them in the Announcement on 1st Change.

Further to the Announcement on 1st Change, the Company has received a notice entitled "Notice regarding Change in Shareholding Structure of Tianjin Pharmaceutical Holdings Co., Ltd." (关于医药集团股权结构变更的通知函) (the "**Notice**") from its controlling shareholder, Tianjin Pharmaceutical Holdings Co., Ltd. (天津市医药集团有限公司) ("**TPH**"), stating that there is a further change in the shareholding structure of TPH, and TPH has completed the relevant industrial and commercial modification registration formalities in respect of such change. Further details are set out below.

1. Change in the shareholding structure of TPH

Tianjin Bohai Guoxin Technology Co., Ltd. (天津渤海国鑫科技有限公司) ("**Bohai Guoxin**") is a wholly-owned subsidiary of Tianjin Bohai State-owned Assets Management Co., Ltd. (天津渤海国有资产经营管理有限公司) ("**Bohai State-owned Assets Management**"), and Bohai Guoxin and Bohai State-owned Assets Management held 23% and 10% equity interest in TPH respectively prior to the Change (as defined below).

As stated in the Notice, Bohai State-owned Assets Management has further subscribed for additional capital contributions in Bohai Guoxin with the 10% equity interest held by it in TPH and accordingly, as at the date of this announcement, Bohai Guoxin holds 33% equity interest in TPH, and Bohai State-owned Assets Management has ceased to be a shareholder of TPH (the "**Change**"). TPH has, on 7 August 2023, completed the industrial and commercial modification registration formalities in respect of the Change.

The shareholding structure of TPH before and after the Change is as follows:

2	Bohai Guoxin	23%	2	Bohai Guoxin	33%
3	Bohai State-owned Assets Management	10%

2. Impact of the Change on the Company

The Change will not result in any change to the number of shares or the shareholding percentage held by TPH in the Company, nor will it result in any change in the controlling shareholder and/or the actual controller (as determined in accordance with the laws of the People's Republic of China (the "PRC")) of the Company. For the avoidance of doubt, TPH will remain as the controlling shareholder of the Company, and the Company will still have no actual controller (as determined in accordance with the laws of the PRC). In addition, the Change would not affect the normal operating activities of the Company.
